FOREWORD

Fall, 1961 . . . the first fabulous moments of a new college year. For some it is a time of young adventure, of apprehension, anticipation and mixed feelings of doubt and high spirits. For others, it's a rekindled desire of going back to books, to friends, to time-worn ways. For all, however, it's a time for nostalgic recollection of some of the happiest hours in life. Remember when minds were mellowed by the realization that, with the coming of this new year, another milestone had been reached in the running of life's race. There was the feel of football in the air with all the excitement and splendor therein . . . the torrential flood of students from class at the stroke of the hour . . . Alma Mater raising a lump in your throat . . . released mental whirlpools in the serenity of a church pew Sunday morning . . . busy, unread weekends filled with dances, parties, picnics and games . . . getting together in the dorms for an all-night bull session, trips to Memphis, dating, and letters home when the money ran out. With these thoughts, and others, in mind, we have tried in the following pages to recapture, and preserve for your memories many of these happy moments. This as seen by our staff, is the year as you lived it.

The large, new gymnasium, a by-product of last year's storm damage, was finished just in time for the start of the basketball season.

The new dorm for women, under construction all year, gave promise of increased housing space for the future.

Physical Education facilities took on a new look as the result of an almost complete remodeling program.

THIS was a year of definite growth to our school as is evidenced by the immense building program launched and continued throughout the year. This program was highlighted by the construction of a spacious, new gymnasium, affording a much needed increase in seating capacity and a vast improvement in facilities for players and team officials. The long hoped for Post Office finally became a reality and hastened to put an end to the red-tape delay of the long mail lines. The added box space and the stream-lined facilities proved a definite boost to mail-handling techniques and thus provided vastly improved postal service. Added dorm space was provided for the women with the completion of the mammoth new dorm, and work on a new men's dormitory, a twin to the new dorm for women, was begun with strong hopes for its conclusion prior to the start of the coming school year. Final new looks were added by the almost total revamping of the Physical Education building, and the construction of a larger, more functional press box . . . far reaching testimonials of our year's growth toward eventual University status.

A-State mail service was given a definite boost with the completion of the modernistic post office building.

REMEMBER, if you will, the chilling spectacle of the pep rally with flushed faces and cracked voices while November winds whipped the Greek lettered flag under which you stood . . . trips to the library when threatening tests loomed ahead or burdensome studies required a special boost . . . fun and laughter of coke parties when minds were mellow in the deafening din of chatter and the heavy haze of cigarette smoke . . . the soft enchanting sounds of a campus combo, peeling forth its music as the carefree couples glided smoothly across the dance floor . . . the blare of the band as the long red and black columns went stepping smartly down the field . . . basketball games, with spirited fans and mounting suspense . . . hasty moments spent with friends in the frenzied atmosphere of the Wigwam . . . above all, the deep, warm feeling of belonging, belonging not just to an institution, but to a definite way of life—the sometimes trying, but always rewarding life of a college undergraduate.

Enthusiastic pep rallies raised the pitch of campus spirits and encouraged an all-out effort by the team.

The Four Clubs, popular campus singing group, provided excellent entertainment for various campus events.

Various social events highlighted the year, adding a touch of mirth to the many sided life of each student.

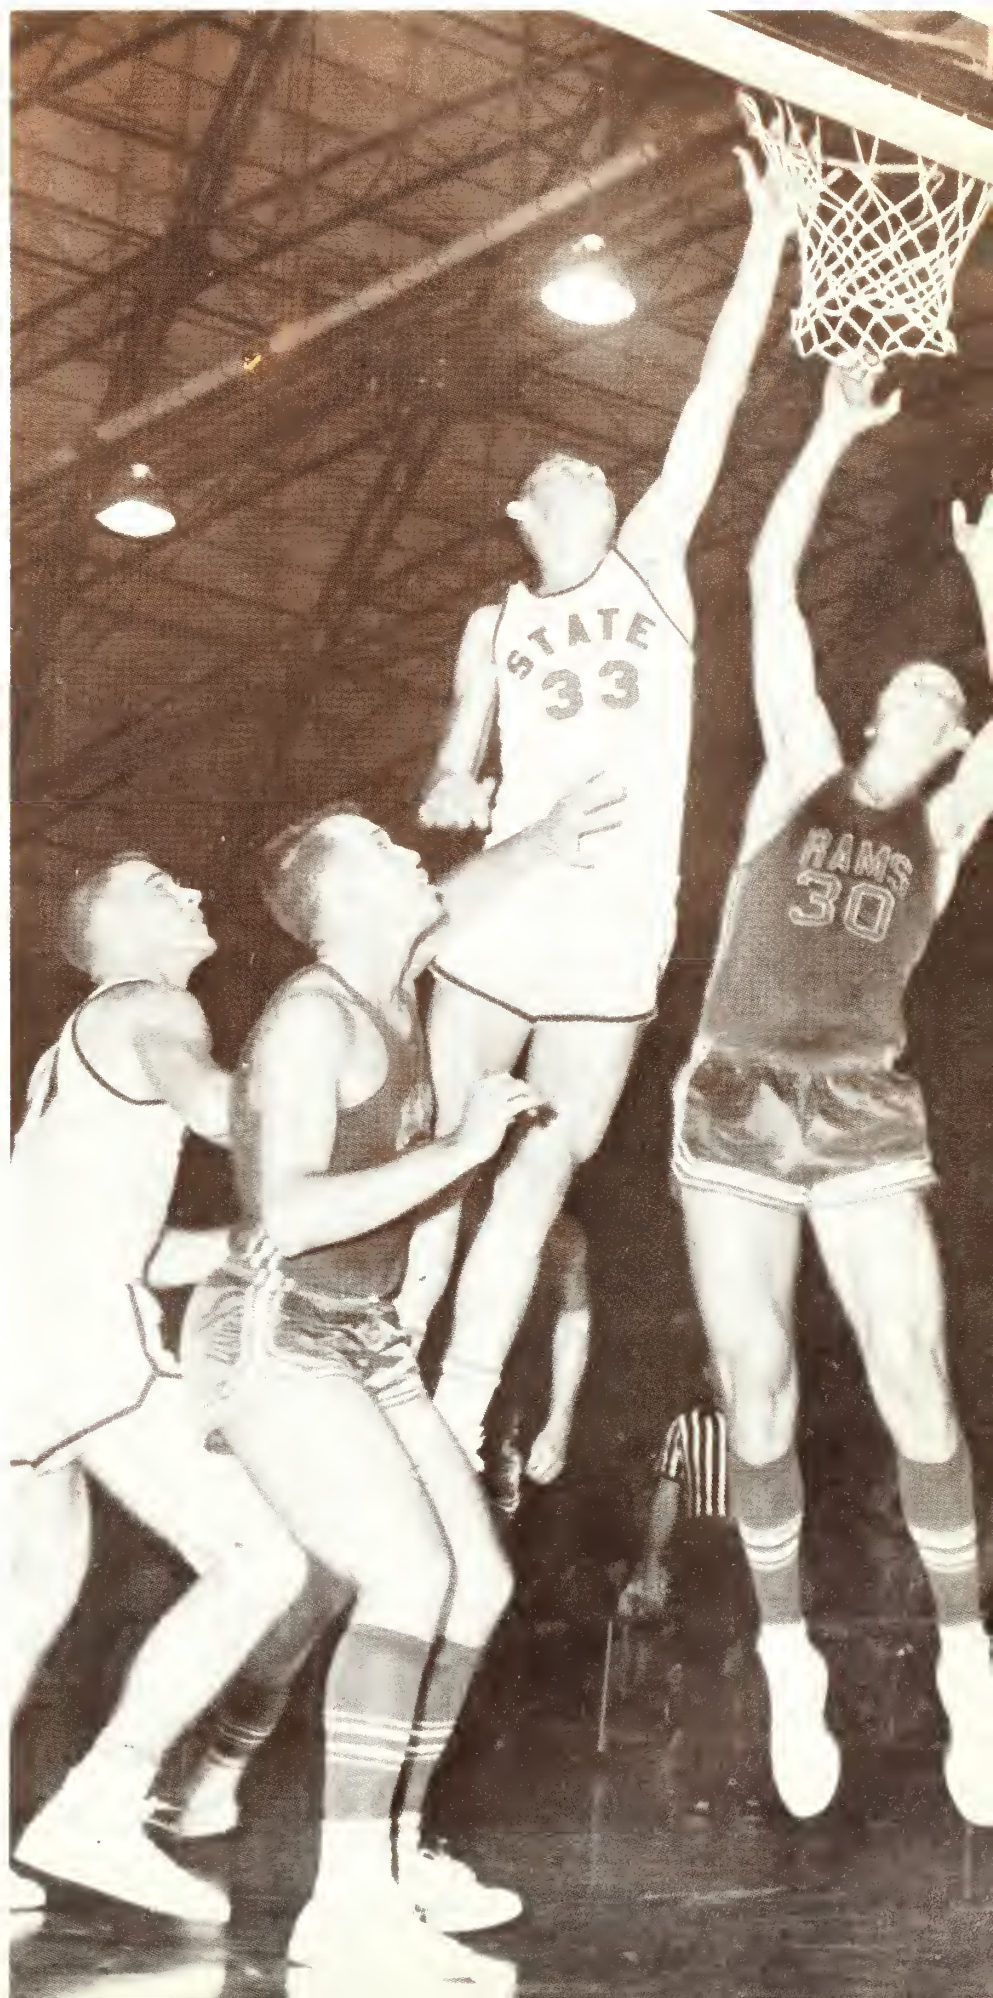

Pressing studies and long hours spent in the library helped to make up the "business" side of college.

Unending hustle and a never-say-die spirit aided athletic prowess in producing top notch sports entertainment.

ACTIVITIES

Undergraduate activities made up a large part of the college year for each student. There was the frenzied fervor of Homecoming with outdoor decorations, returning alumni, and all night work sessions . . . the intermingling of high and low pitched voices outside the Wigwam where the stag males collect and look for someone they know or would like to know . . . munching popcorn at the movies on a Sunday night with that "really special someone" . . . the thrill of campus dance with a colorful canopy leading you to an enchanted land of make-believe, and the fragrant aroma of a gardenia pinned to the strap of an evening gown . . . the cold, harsh floor beneath barefeet in the grey, drowsy dawn . . . the perpetual race for the showers on date night and time fretted away in a dormitory lounge on a rainy afternoon when it could have been spent more profitably elsewhere. There was the more formal approach of concerts, theatrical productions, choral presentations and student recitals . . . and the rollicking informality of the S.G.A. sponsored Fats Domino show.

President Receives Freshmen and Seniors

The annual president's reception honors incoming freshmen and outgoing seniors.

Student Government members assisted the President in welcoming student visitors.

The ever beautiful President's Mansion was the scene of the reception.

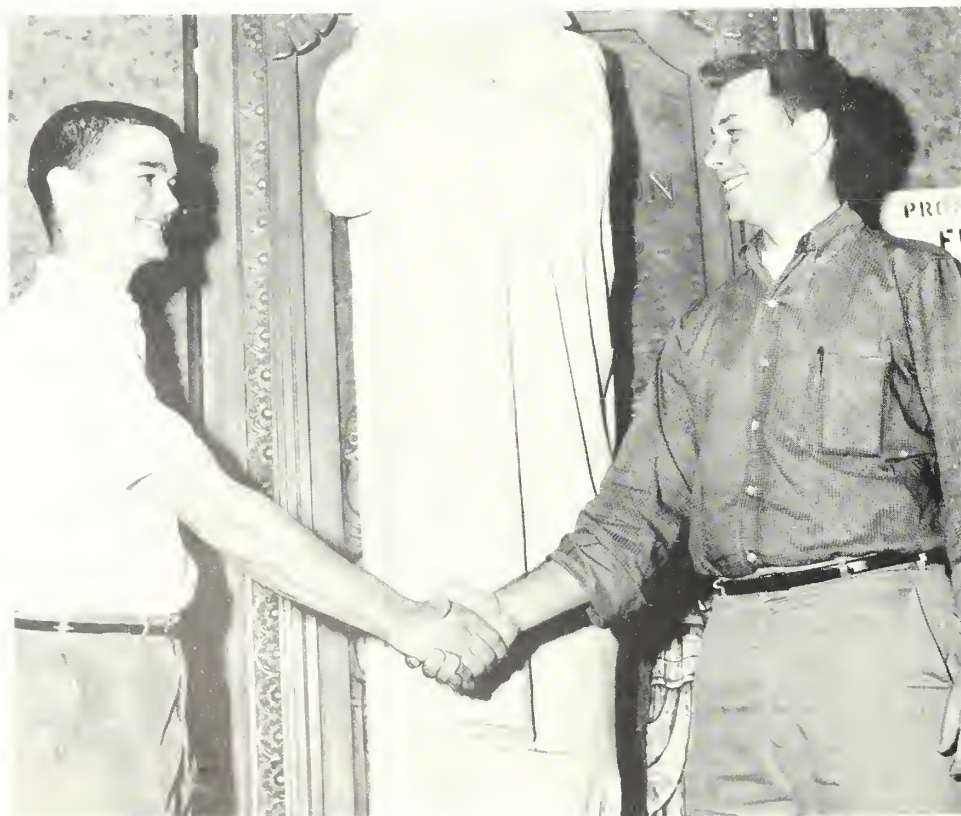

Election Fever Hits Campus

Campaigning started off on a mild scale with "friendly persuasion" playing a major part in the strategy of both factions.

There was the thrill of campus elections in the carnival atmosphere of blaring loudspeakers, dixie-land music, campaign posters and cards, seemingly unending stream of victory-minded campaigners through the dorms. Enthusiastic political rallies carried on the spirit of the election, and stirring campaign speeches revealed the platforms upon which the candidates based their hopes for success. Rock and roll combos and free cold drinks played the equally important roles of influencing the minds of the undecided voters and coaxing their votes toward particular aspirants. When it was all over and the smoke had cleared, Jimmy McMurray emerged, the victor, just edging out his opponent, Jerry Lutz to take the top office of Student Government President. Rounding out the "Big Three" in school political realms was the election of Levy Brickell as first vice president and Charlotte Gamble to the second vice president position. These leaders, and their elected counterparts, set their sights toward attempting to make this school year an outstanding chapter in the annals of Arkansas State College history.

Indicative of the red-hot spirit toward the end of the campaign, was this staged "brawl" between rival party members.

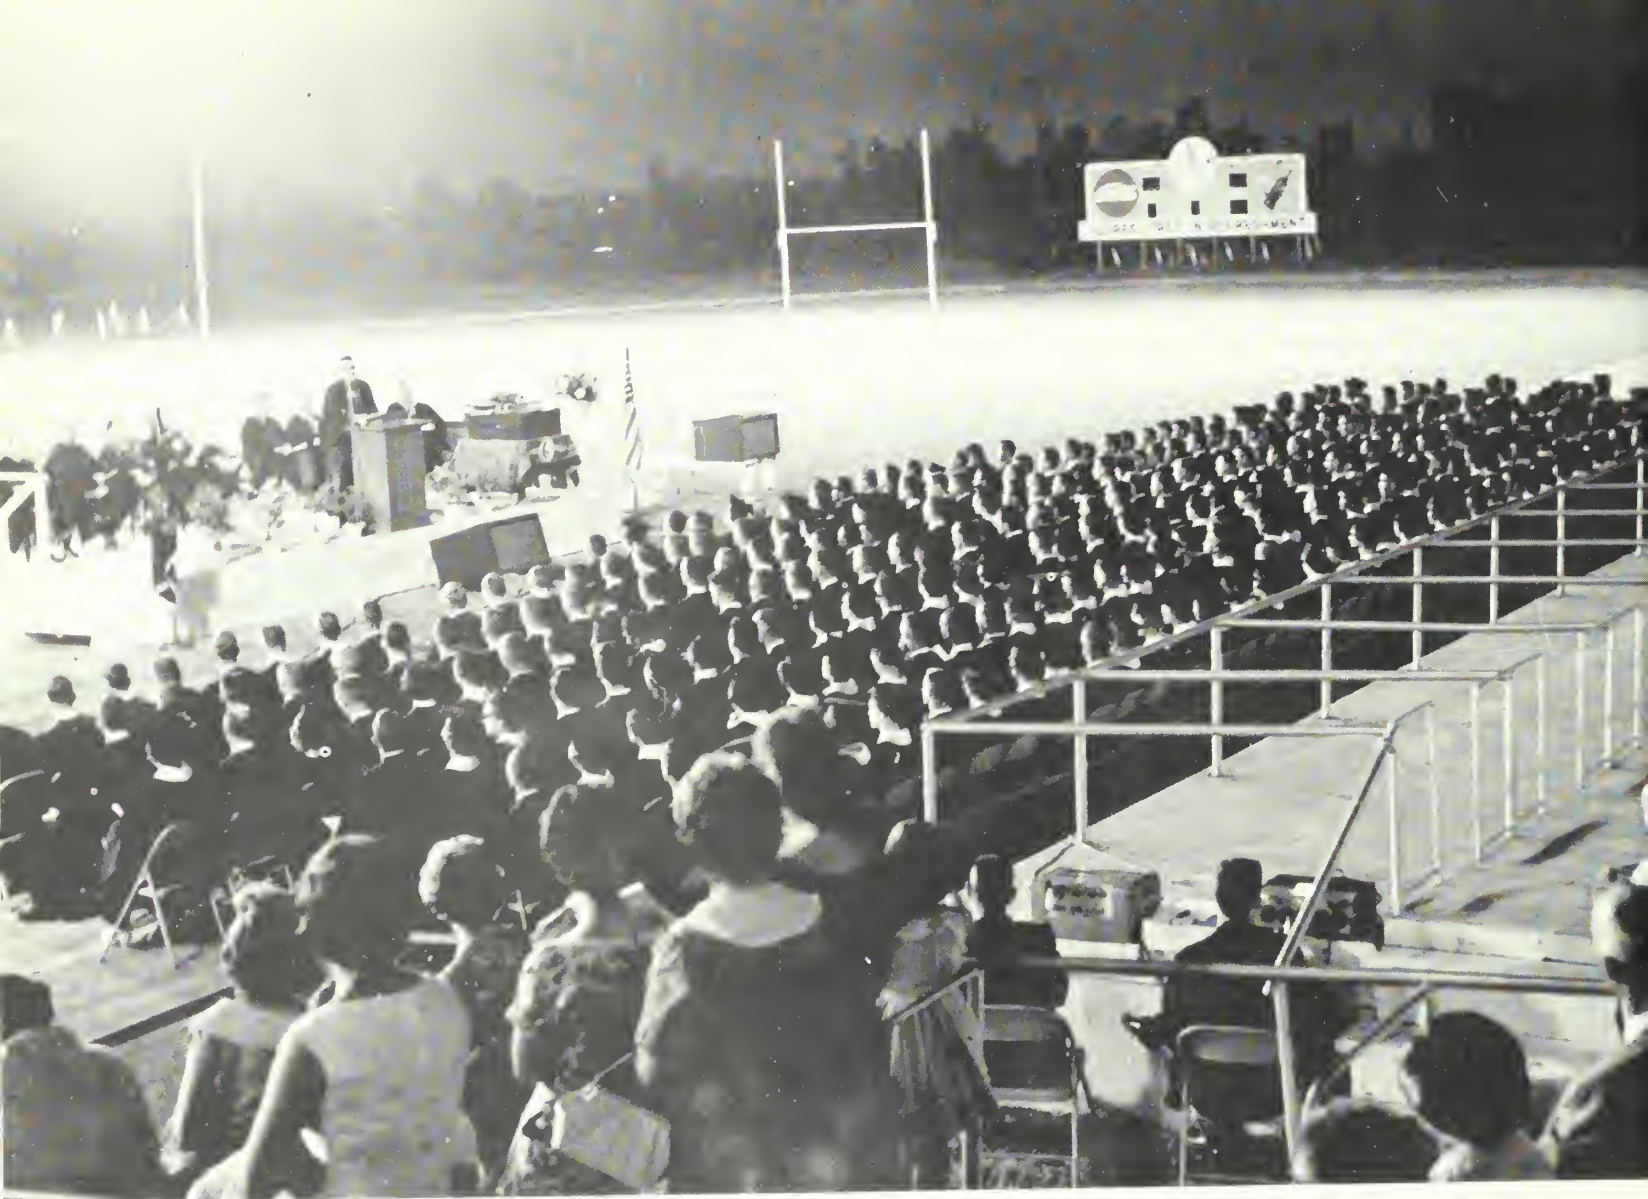

Competition was keen but spirit friendly as Jim McMurray and Jerry Lutz launched their rival campaigns with a hearty handshake.

As time for the voting drew nearer, free cold drinks served to influence undecided voters in the choosing of their candidate.

When all had been said and done, it was left to the discretion of the voters to decide the outcome.

Graduation spelled an end of studies for some — a terminal point to formal education.

Onward moved the scholars as they anxiously awaited the presentation of their long hoped for diplomas.

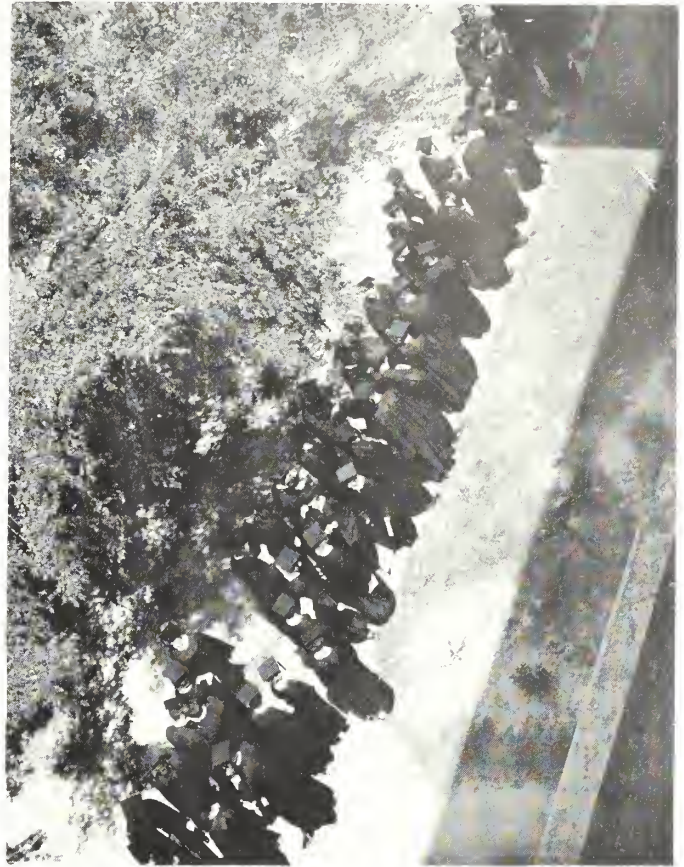

A warm handshake by President Reng and an overcoming sensation of accomplishment highlighted the evening for each graduate.

The Realization of a Goal--Graduation

At long last came the time of unspoken, joyful thanks when the end of the year was just a step away and books were to be closed for the summer, or for good. To the seniors it was the realization of a definite goal in life . . . a long awaited milestone of achievement and a propelling force to go ever onward to a richer, fuller tomorrow . . . a time of transition from the everyday ritual of undergraduate activity into the busy hustle and bustle of a world in which one must make his own way by pressing into action the knowledge and skills he has acquired. To the underclassman, graduation represented a bright ray of hope and anticipation of times to come, a stabilizer, testifying to the worth of long hours of toil spent in search for education's "gems", and an acknowledgment of a deep twinge of sadness for departing friends as they bade farewell to familiar faces and the pulsating tempo of college life. It was the wonder of knowing that in due time it would fall their lot, too, to take such a colossal step into the pages of the future, seeking to meet life's challenge, with only their fertile memories and starched diplomas.

The long black line moved onward then, carrying with it the memories of yesterday and the destiny of tomorrow.

Having already attained their college degree, other students were recognized and honored through the presentation of graduate de-

grees, still another step forward in the realm of educational achievement.

Leaders Convene For Third Annual Retreat

In the midst of the dazzling, almost poetic sunsets of the spring, when the campus and the town were streaked with alternate patches of sunlight and shadow, leaders of the various campus organizations and activities lay school and studies aside and journeyed to Walcott for the third annual leadership retreat. As is the custom, the retreat served to assemble these leaders of assorted backgrounds and give each a chance to voice questions, suggestions, and criticisms which were vital to their particular realm of endeavor. It was hoped that through the facts that were brought to light in the courses of the discussions that old problems might be reviewed and corrected and new crises might be "nipped in the bud," before they had a chance to reach full maturity.

The faculty joined in wholeheartedly and in an open-minded manner in seeking to give due consideration to the students viewpoints in their various proposals and criticisms. The students, too, made ample use of the panel discussions, which featured school administrative and departmental heads as members of the panel. Faculty and students alike joined in the informal recreation periods where good times and light hearts were the by-words, with better student-teacher relations being the goal. Amid such an atmosphere it was eminent that these hours spent in earnest preparation for coming days were not to be counted a loss. The retreat was closed through group participation in the Sunday morning devotional — a fitting close to a profitable weekend.

Students entered into the spirit of the occasion and readily voiced their opinions on questions at hand.

Heading the agenda of well planned programs for the retreat was a panel discussion featuring various department heads and school administrators.

In between training sessions, students took time out for periods of relaxation, discussion, or other forms of recreation.

The retreat was closed on a high plane as students participated in the Sunday morning devotional, dropping the curtain on a profitable weekend.

Pajamas were the style as the freshmen displayed a good natured spirit and participated wholeheartedly in the pep rally.

Beanie sales boomed as freshmen were fitted in the traditional symbols of freshmanhood.

Freshman officers included: (*Front Row*) Left to Right: Juliet Freedman, Harvey Word, Janna Helms. (*Back Row*) Left to Right: Orville Parsons, Mike Carter.

Orientation Week Indoctrinates Freshmen

Bill Anthony and Tina Santa directed activities at the annual Chamber of Commerce Freshman street dance.

Showers Slow Pushcart Derby' Rodeo

Torrents of rain slowed the track but failed to dampen the spirits of the "A"-State Greeks as they proceeded in fine style with the running of the annual Lambda Chi Alpha "Little 500" pushcart derby. Hundreds of well-wishing onlookers flocked to the scene of the colorful event to shout words of encouragement and approval to cart-pushing friends and to urge their particular favorites on to victory. As the waving of the checkered flag announced the end of the gala spectacle, the onlookers shifted their attention to another exciting event sharing the spotlight for the day. The Agri Day Rodeo, held in conjunction with the derby, gave the Agri boys a chance to show off their skill and daring — as bulls, broncos, flying mud, and bruised, but happy boys became the order of the day. The exciting and unique entertainment provided by the different events, kept the audience in a tight grip of interested suspense and produced thrills and chills throughout the course of the afternoon. With the conclusion of the rodeo, the curtain was dropped upon a day of enthusiastic participation for all concerned.

Stubborn bulls added to the problems of these wranglers but finally were coralled as the rodeo proceeded.

Sigma Phi Epsilon's pushcart entry streaks down the wet track toward the finish line.

The wild cow milking contest sent milkers hurrying to their task.

Action was fast and furious in the woman's division where the race was close and the competition was strong.

Mud made riding unusually tricky, but A-State cowboys proved their skill by performing well despite adverse conditions.

Work Goes Into Homecoming Prelims

Homecoming weekend finally arrived on the campus of Arkansas State, bringing with it a whole host of festivities and events. People traveled from far and near to come to the campus and take part in the gala celebration of the annual event. Highlights and featured attractions of the week included the hard-fought campaigns for positions among the homecoming royalty, donning of old clothes for a late night work session, returning alumni and the fun of renewing old acquaintances, colorful displays with clever theme presentations through surprisingly adept mechanization, and the thunderous roar of thousands of football fans as the mighty Indians took to the football field.

Further factors, contributing to the over-all success of the week, were provided through other media . . .

the fervor and zest of the homecoming pep rally, where excited voices blended together with one accord — a tremendous appeal for a homecoming victory . . . the warmth and friendliness displayed at each open house with hearty handshakes, and vocal recollections of strategic plays in the afternoon ballgame . . . the personal pride and satisfaction you felt as you guided the visiting friend around the campus . . . and the knowledge that you were a part of all of these transpiring events — events that not only helped to make up and portray the spirit of Arkansas State College, but also had a strong hand in the laying of the building stones upon which you would base your future hopes and aspirations. With these thoughts we pay tribute to Homecoming 1961.

Cooperation is the key to a successful display, and cooperation it is for the members and friends of Pi Kappa Alpha Fraternity.

Hard work was an important feature throughout the week as is evidenced by the concentrated efforts of the AOPi's as they attempt to finish their display.

Final touches are put on their display by representatives of the Cherokee Mens Council, eventual winners of the stationary with lights division.

The penetrating warmth of a scrap wood fire proved to be essential as a means of combating chilling October weather while putting in late working hours.

Homecoming--Queen Carolyn

As always, Chief Big Track was on hand to lend a watchful eye to all proceedings.

The homecoming spotlight focused its beam upon coronation of Miss Carolyn Cheek as she ascended to her role of homecoming queen. Flanking her and sharing the pomp and honor of being among the royal set, were: Miss Emma Lee Reed, of Campbell, Missouri, Miss Luann Dishinger, of Paragould, Miss Jeanie Bailey, of Leachville, and Miss Mary Mahfouz, of Stuttgart. Levy Brickell, Vice President of the Student Government Association and general chairman of all homecoming activities was in charge of the coronation and received the honor of crowning the queen. The Alumni luncheon provided a ready-made place of reunion for old schoolmates and gave them an opportunity to catch up on "A" State progress since their undergraduate days. The coach and members of the 1936 Indian football team were special guests at the luncheon. As is his custom, Chief Big Track, (alias Joe Brewer) was in full Indian regalia, and helped to carry on the gay mood of the occasion with his dashing rides and his colorful appearance.

The alumni banquet reassembled old friends and provided news of recent happenings in A-State circles.

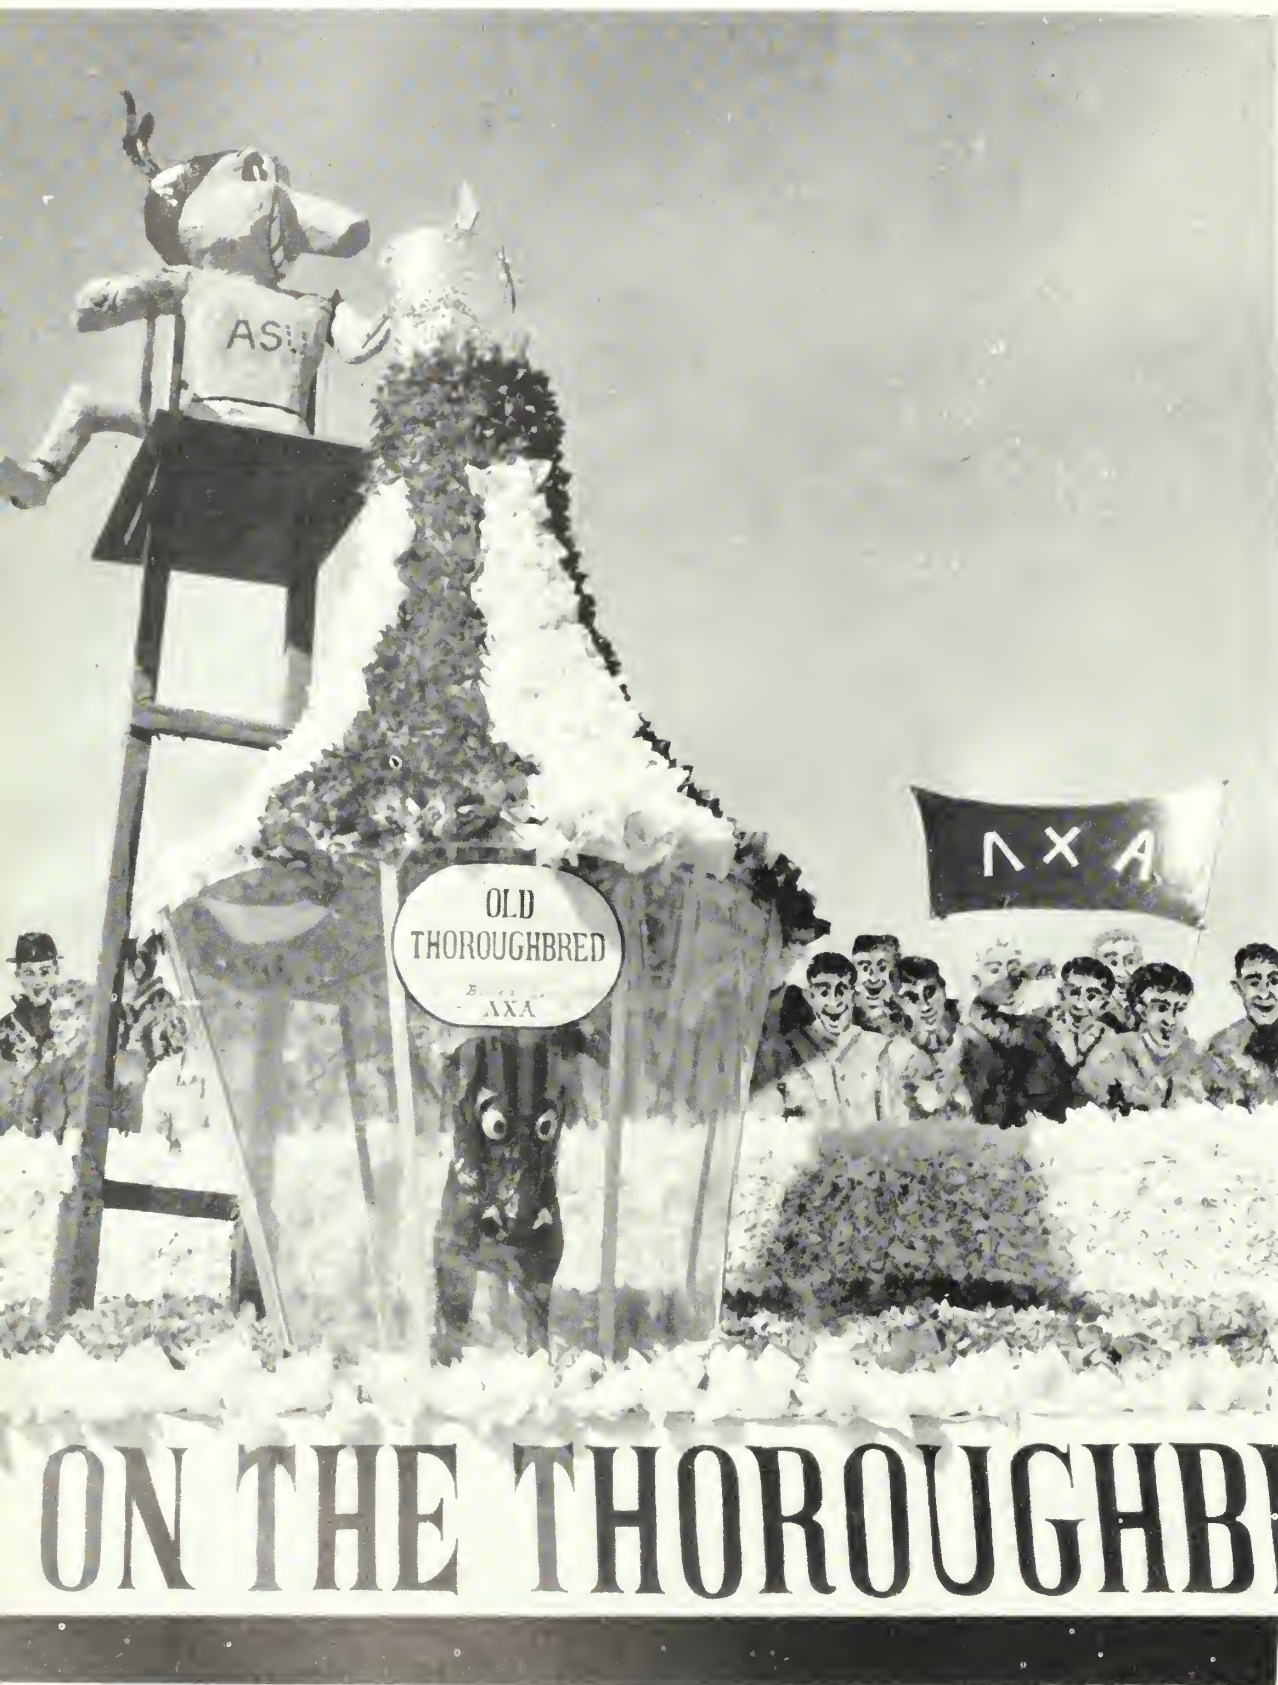

Miss Luann Dishinger waves her usual riding mate onward as he rides the track to a Homecoming victory.

The recognition of Queen Carolyn Cheek and her royal court highlighted pre-game activities.

Maid Jeanie Bailey waves to friends as she is escorted to the field for the coronation proceedings.

"Put the stopper on the Thoroughbreds" — Using this theme, the men of Lambda Chi Alpha pooled ideas and labor and constructed the winning display in the mechanical division.

Spooking the Thoroughbreds, as pictured by Alpha Omicron Pi, added a timely approach to Homecoming.

In display competition for the first time, the men of Commons Dorm worked long and hard in constructing their entry.

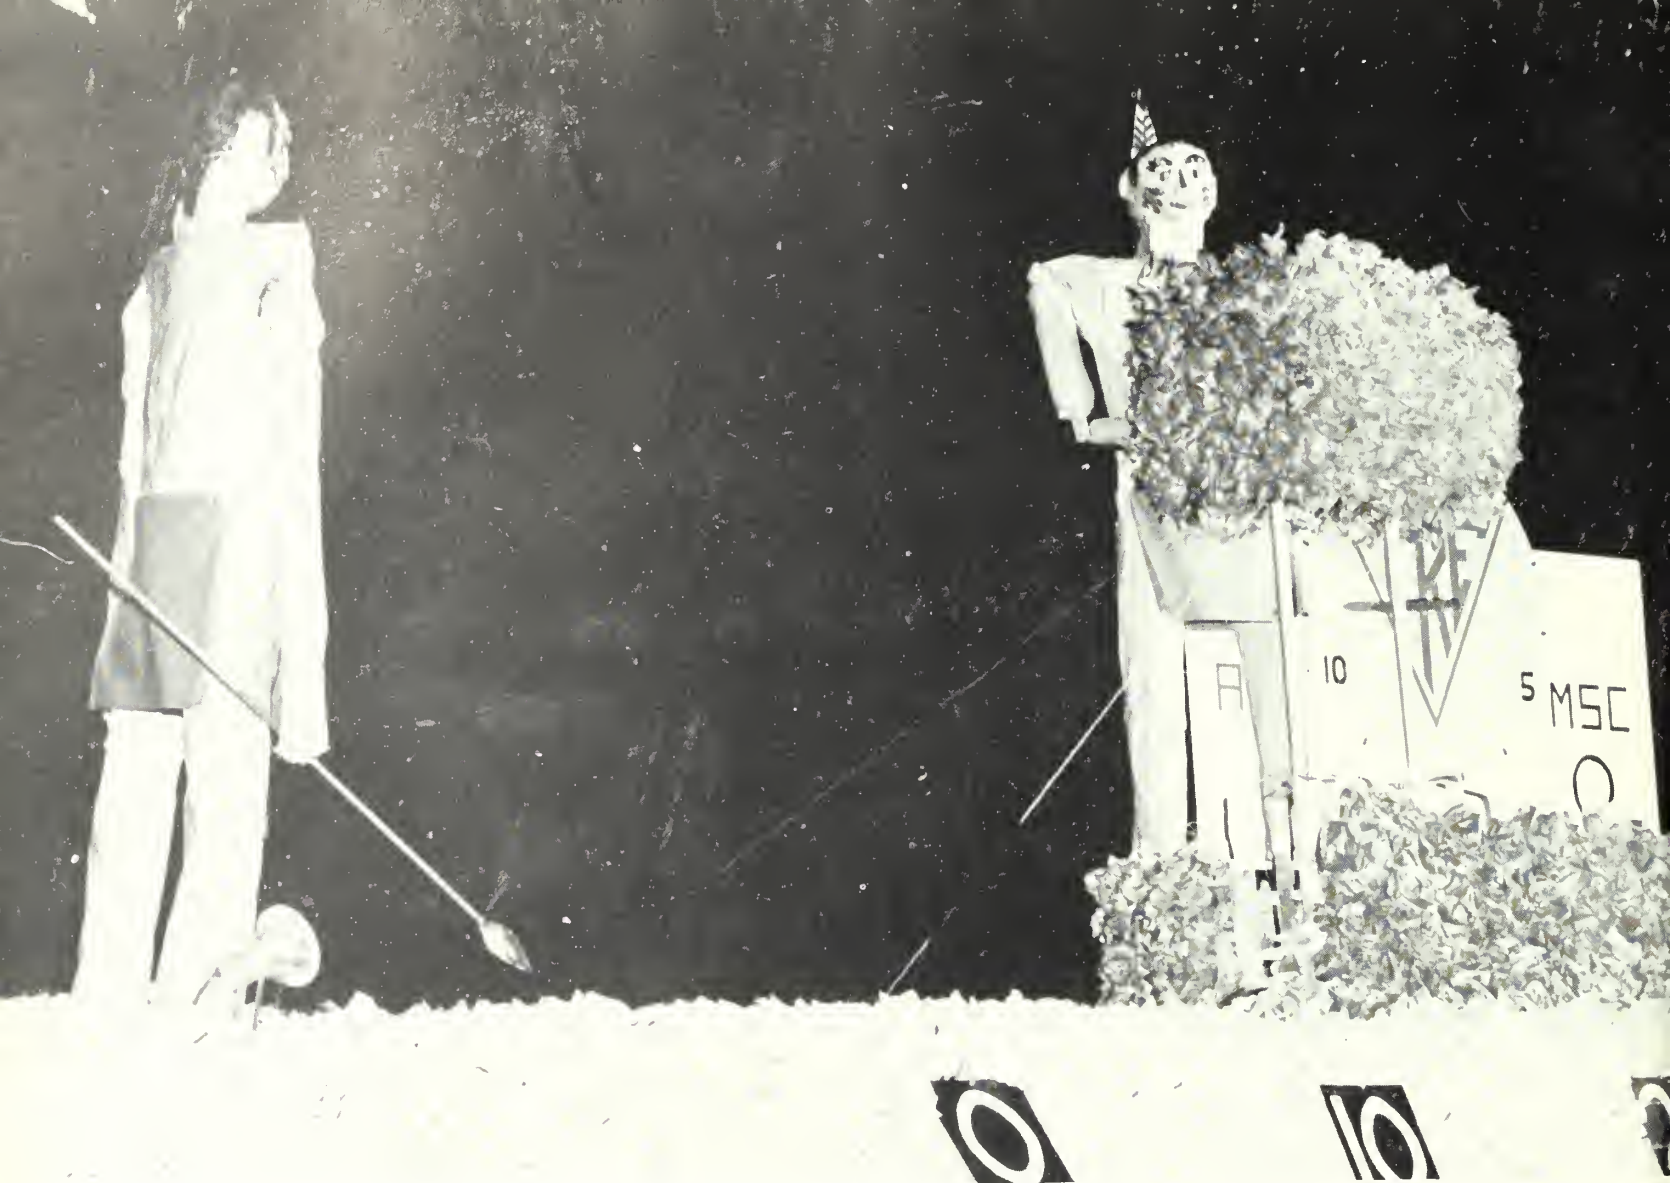

Lambda Chi Wins First

Always a crowd-pleaser, the homecoming displays this year were better than ever before. A keen spirit of competition among the groups in the various divisions served as a propelling force in urging the workers to new heights of accomplishment in these symbolic representatives of school spirit on the Arkansas State campus. The displays, products of artistic ability, mechanical know-how, inventive imagination, delightful wit and countless hours of hard work, have come to be well known to people of all ages in Northeast Arkansas. The winner this year in the mechanical division, climaxing a two-year, second-place jinx, was Lambda Chi Alpha Fraternity. Cherokee Men's Council copped first place honors in the stationary with lights division, and the P.E.M.M. Club was the winner in the stationary without lights group. These displays were only emblematic, however, of a record number of well planned and ably constructed entries — each of which added its part to the over-all purpose of homecoming — promoting school spirit, deep-seeded loyalty and closer, more lasting ties between the student and his school.

Chi Omega suggested a "cleaning up" session as a suitable Homecoming pastime.

Tau Kappa Epsilon copped the second place mechanical trophy with the suggestion that Indian footballers "mix up" the visitors from Murray State.

The Sig Ep display featured a modern method of sending an old Thoroughbred to the happy hunting grounds.

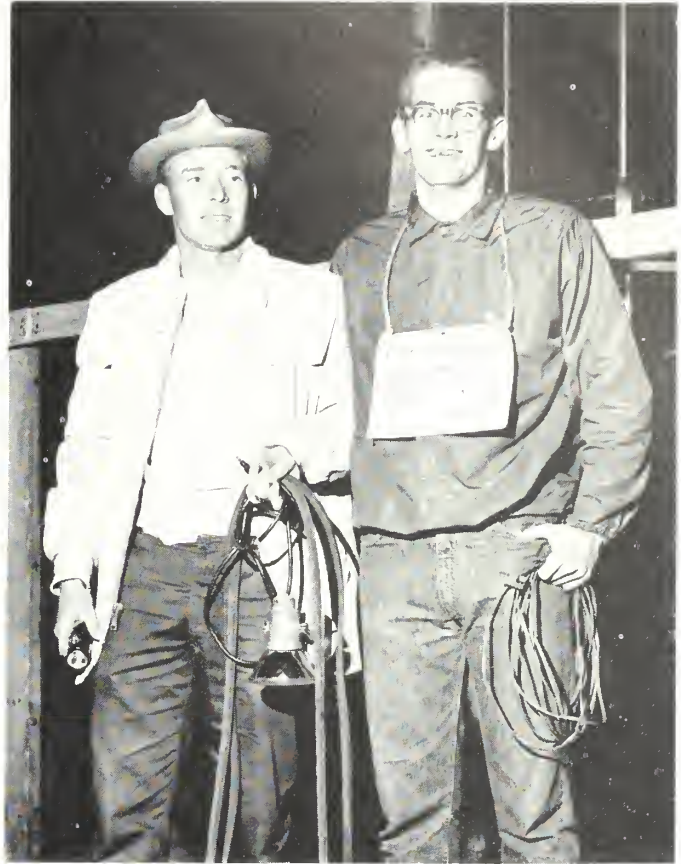

Homecoming mums dotted the stands as Indian backers packed in to root the team to a classic victory.

Spirit Soars to Heights at Homecoming

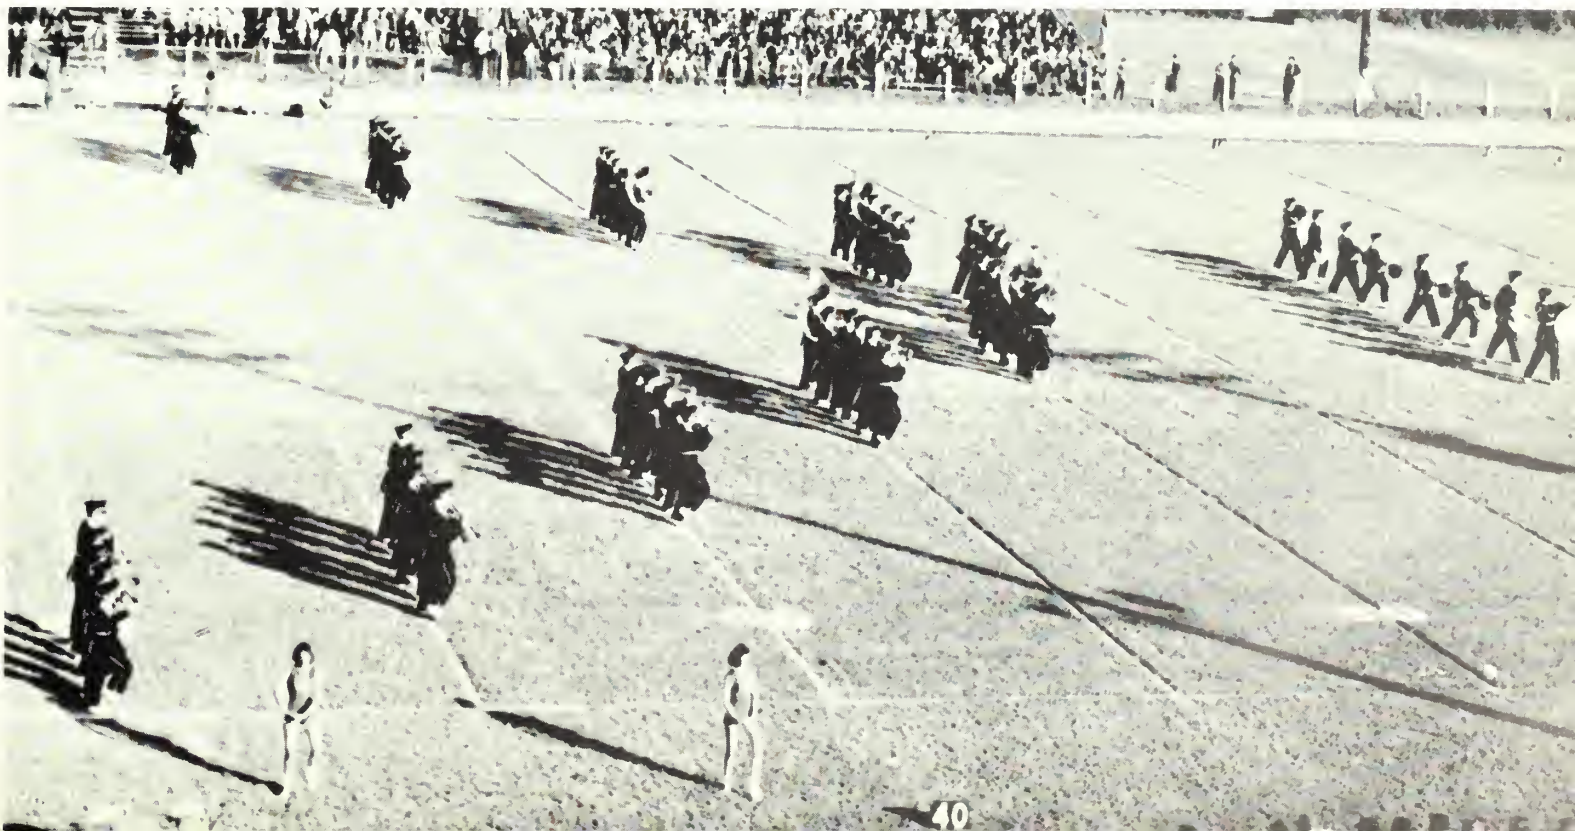

This was Homecoming, 1961 style. It was the time of the year when school spirit reached its zenith and the frigid blasts of an on-coming winter failed to chill the hearts or weaken the spirit of those who worked to make the week a success. Everyone — young and old, student, child, or teacher, football player, cheerleader, band member, alumni — each had a tie-in with the occasion, a definite linking force that merited his being a vital “cog” in the wheel of destiny of Arkansas State College. Each felt a deeper pride in his school as he saw the all-out enthusiasm and effort with which his fellowmen confronted the occasion, and the vast amount of good spirit that was retained as the week reached its finale. Each realized that — amidst this atmosphere of gaiety and young ideas, of teamwork and joint participation, of planning, cooperation, and plain, hard work — there was an oasis of learning for all who would but stop to partake of it. Learning, not to be confined to the written text, but lessons to be used over and over again throughout the course of life.

Consultant Engineer, that's the name adopted by this hard working duo, caught in-between consulting sessions.

Down the field, in precision form, go the marching Indians — widely acclaimed as one of the South's finest school bands. Under

the peerless guidance of Don Minx, the A-State marching music makers continue to delight fans with their colorful halftime antics.

Grade school children from surrounding areas are frequent visitors to the ever-growing Arkansas State Museum.

Displayed samples of various scientific specimens afford ready reference points for those who endeavor to acquire technical knowledge.

Assorted relics of yesteryear help to create historic points of interest within those who visit the museum.

Relics of the Past Enhance Science Field

The A-State Museum is recognized as one of the finest college museums in the South. Under the able and enthusiastic leadership of Dr. Eugene B. Wittlake, curator, the Museum has become widely known and acclaimed for its extensive, imaginatively exhibited collections.

The Museum boasts a Natural Science Room, a Gun Room, and a Pioneer Room. The largest of these, the Natural Science Room, houses a variety of exhibits ranging from French Baccarat glass to mastodon bones. In this room is also found a fine collection of Indian artifacts and the extremely popular Waterfowl of the Arkansas Flyway display.

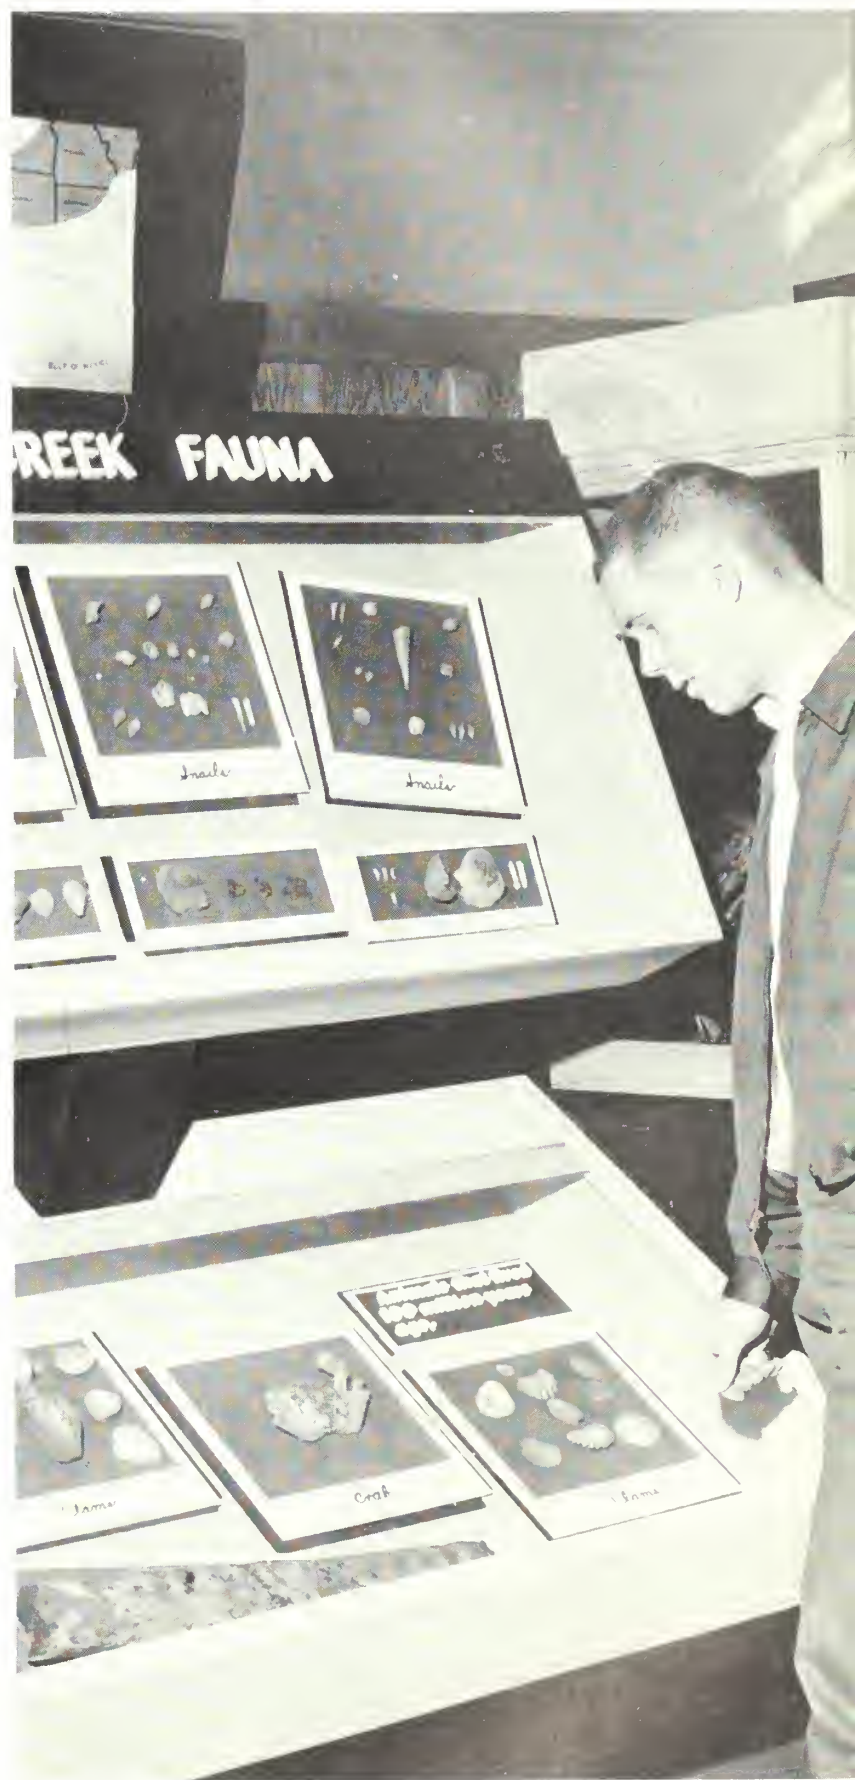

The Gun Room contains not only unusual firearms but also a collection of uniforms and other articles from the Civil War, the Spanish-American War, and World Wars I and II.

Contrast between the old and the new makes the Pioneer Room a place of particular interest. To see the ever-expanding collection of items from early American life is to take a trip into the past.

This student is looking at a display of Indian heads representing the seven tribes which once made their homes in Arkansas.

Carefully arranged displays help the students to better understand the phenomenon about which they have read.

Nighttime finds Ronnie and Pat Carmack relaxing in their trailer, visably entranced in a stirring T.V. drama.

Togetherness enters into the study picture for Jimmy and Norma Greer

Ronnie carefully ponders over his studies while Pat attempts to complete the daily chores.

Facilities "A-OK" for Married Students

Trailer City and Indian Village are the two housing units Arkansas State College offers its married students. Over 24% of the student population at ASC is married. Indian Village is composed of 50 housing units, and Trailer City provides 100 trailers. Due to the crowded situation in these two areas and the rising number of married students, many are finding their residence in nearby apartments.

Some experts believe college and marriage don't mix. The fact remains—more married students attend college today than ever before. Diapers and dishpans are quite common items to many of the married students working hand-in-hand for that desired degree.

Because of this rise in the number of married students who attend college, Arkansas State will continue to improve her facilities for those who let wedding bells peal in the midst of school bells, hoping to make their school life more enjoyable and considerably easier.

How she managed this trick, we'll never know, but Norma seems to know the technique of securing help with the dishes.

Attempting to discover "What's for supper," Ronnie conducts a very cautious investigation.

The Charles Hood family

Dorm Directors Play "Mom" For Hundreds

The Don Denny family

Mrs. Gladys McPike and son, Stan

Mrs. Mabel Hayes, Delta Hall

Mothers and fathers away from home could be an accurate description for the nine excellent dorm directors serving A-State's dormitories. The many duties meriting the careful consideration of the social director include assisting and advising dorm residents, encouraging students to keep their dorm rooms orderly and conducive to study, comforting and consoling students when school pressure mounts and spirits are low, and many other diversified duties that make dorm directors the most indispensable people on campus.

With these capable people as the heads of our dorms, parents need not worry about their children being in competent hands. Whether it's playing the part of a love-lorn adviser, or listening to a multitude of problems or being a fourth for bridge, the dorm directors are the favorites of the campus.

The Jessie Johnson family

Mrs. Hazel Orbison, Hattie W. Caraway Hall

Mr. and Mrs. Jimmy McClusky

Mrs. Blanche Rife

The Charles Yauger family

Campus Life At A Glance

This "Abe Lincoln" type study session was the result of a campus-wide black-out due to an untimely power failure occurring in the midst of final test week.

Life on a college campus is a wonderfully unique experience. It's hard, absorbing study—struggling with daily assignments, cramming for exams, rushing to complete term papers just before the deadline. Campus life is fun-filled days and nights—dates, dances, parties, picnics. It's participation in organizations—religious, social, departmental, and honorary. College life is weary but rewarding hours spent in practice—for musical presentations, plays, athletic contests, debates. It's the exchange of ideas—with professors, with peers, with anyone who will join in a discussion. It's laughter—in the dorm, in the Wigwam, in class, anywhere. It's tears—of homesickness, of disappointment, of discouragement. College life is an entire spectrum of emotion. It's challenging, exhilarating, often frightening, and always exciting. The facets of campus life are of an infinite variety. All play a vital role in the personal and social development of each student.

Checking their time, these participants in the intramural swim meet seek to determine whether or not they finished "in the money."

Music adds a note of enjoyment as students attempt to divert their attention momentarily from studies and classrooms.

Fun and fellowship were the bywords of these students as they are entertained by guitarist Jack Snipes.

"Under the Spreading Chestnut Tree" these boys find a pleasant spot for a mid-afternoon study session.

One, two, cha cha cha — this old adage gets a new "twist" Arkansas State style as demonstrated by these students.

Clean up, paint up, fix up day for Pi Kappa Alpha Fraternity included combined efforts in attempting to beautify a local church.

Afterclass hours often give way to the quickening tempo of the latest pop record or the carefree atmosphere of a friendly conversation.

Mealtune brings the students in droves to the cafeteria to attempt to put an end to the hunger pangs acquired in the course the day.

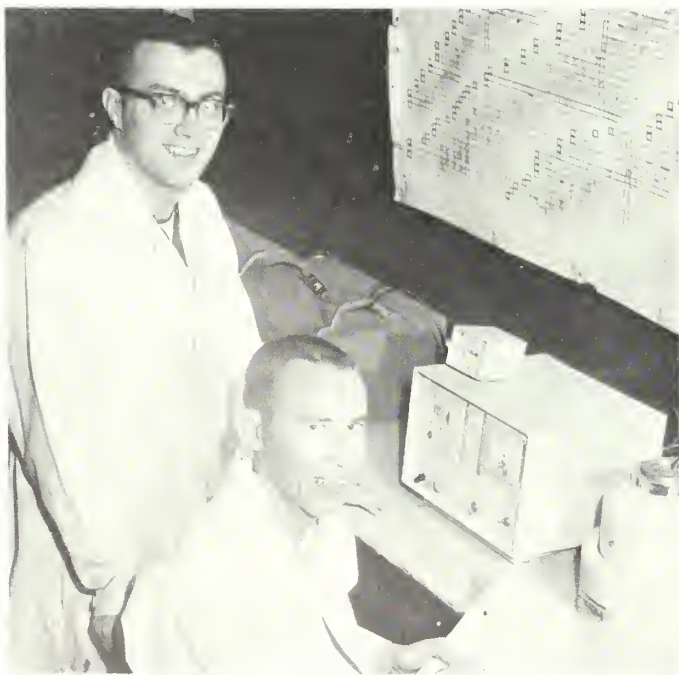

Picture making for the identification cards has been incorporated into the registration process so as to insure quick delivery to the students.

Time out is called in the midst of the dance to relax and refresh with cold drinks and idle chitchat.

Extracurricular departmental work often has a hand in filling hours not spent in the classroom, helping students to further their practical know-how.

Checking their marksmanship, this trio joined numerous others in the various activities afforded by the Baptist Student Union Carnival.

Interesting Activities For All

Heralding the coming start of school was the fall football practice and the signing out of new equipment to the players.

Quicker than the eye, this magician and his prodigy astounded many with their feats, as they seemingly "performed the impossible."

Attempting to "clock" as many Wigwam hours as possible, student flock to the "good time capital" of the school.

Variety Spices the "After Class" Period

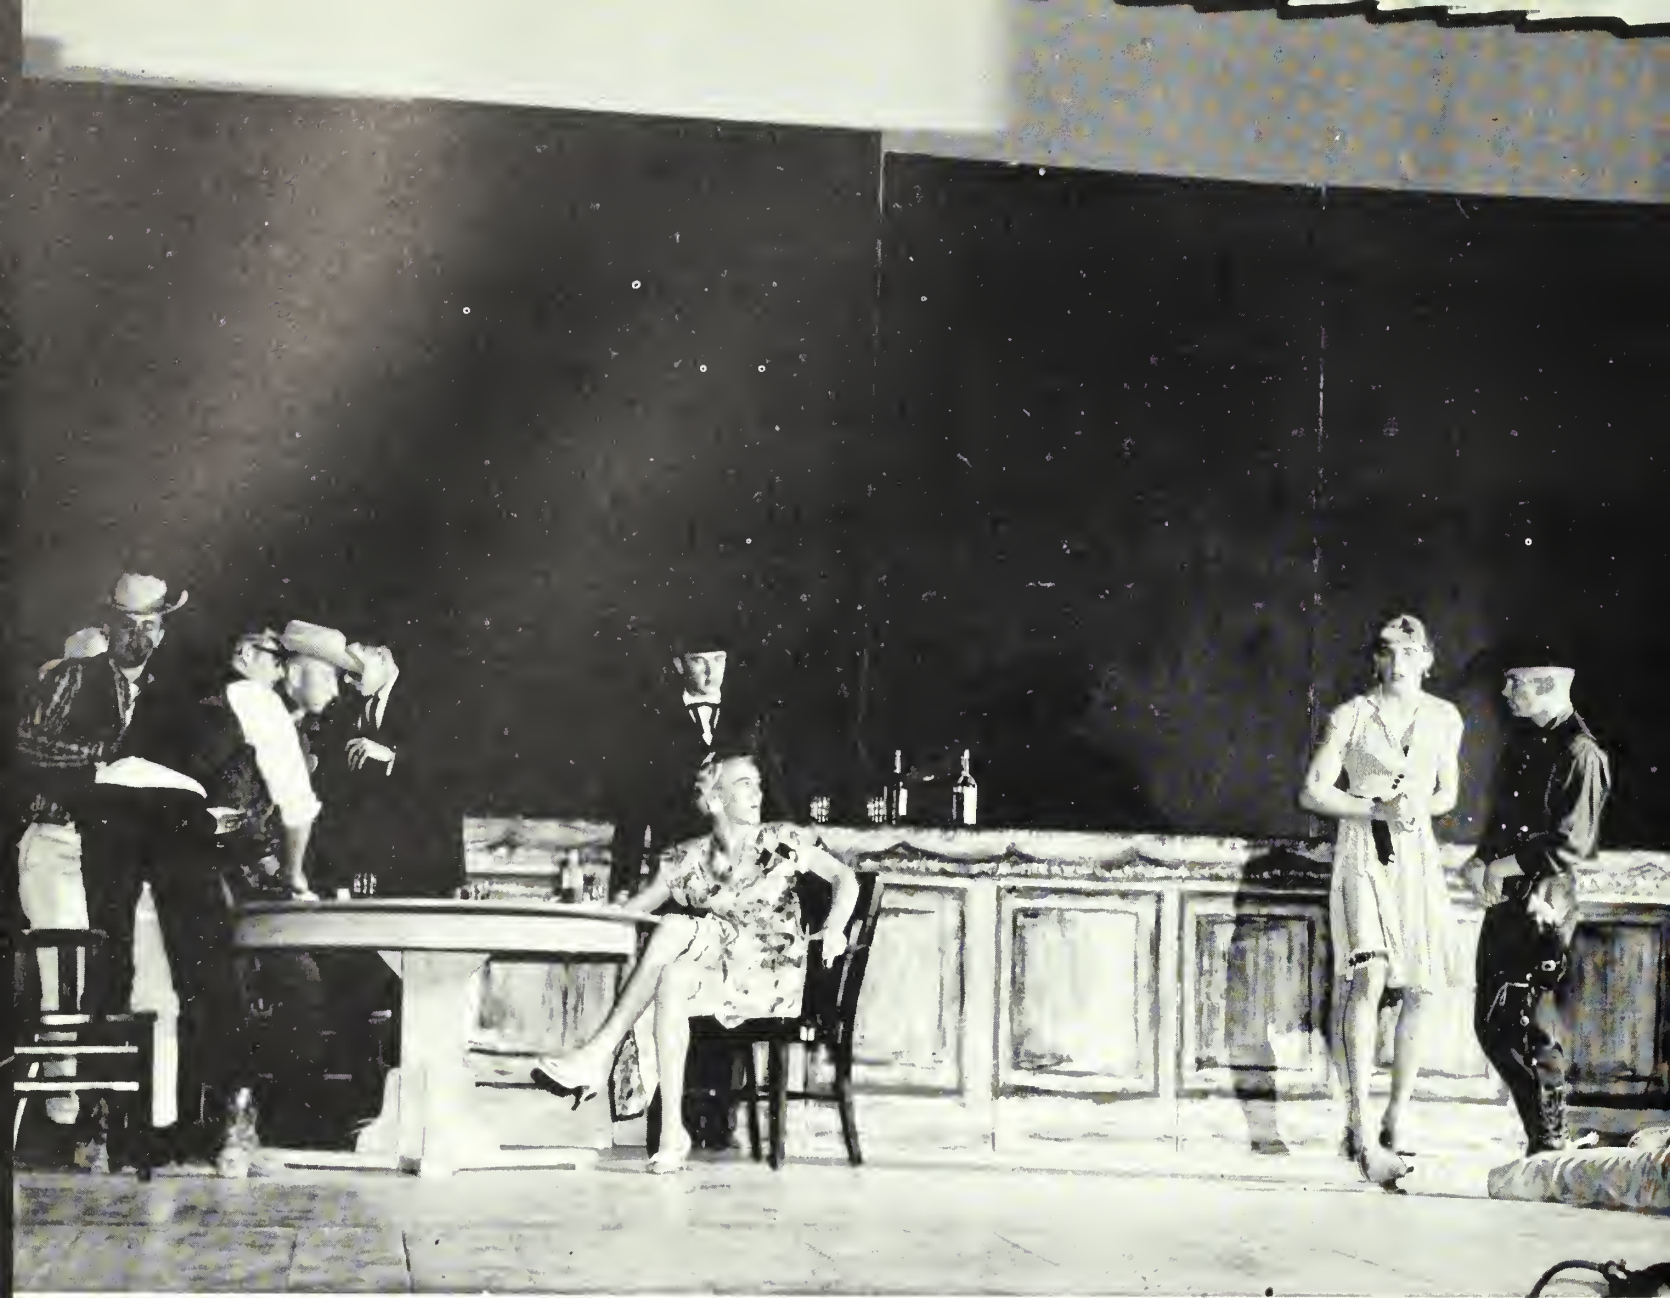

Intrigue took the stage in this tense drama, presented as a part of the Phi Mu Playhouse through the joint efforts of Alpha Omicron Pi and Sigma Pi.

Jim Hudson displays his skill at the keyboard as he vies for honors in the Alpha Gamma Delta Benefit Talent Show.

Into the talent spotlight stepped Miss Charlotte Haynes for her rendition of "A Good Man is Hard to Find."

Entertainment Excellent, Varied, on Stage

"Talent galore"—that's the only way to describe many of the talented groups popping up all around the Arkansas State campus. These students, in addition to their studies and social life, find time to perform for many various functions around campus. Emerson once said "Imitation is suicide" and these groups must agree wholeheartedly with this statement. For, you see, these groups are original and unique, using only their own clever creativity to produce the finished result. Some of the better-known talented student acts include Bill Bell and the

Tribe, The Tarantulas, the Redskin Ramblers, The Four of Clubs, The Pikeston Quartet, The Pacers, The El-Gardes, and many many more.

Professional groups entertaining at Arkansas State included Warren Covington for the homecoming dance and a popular concert given by blues singer Fats Domino. These groups, along with newly formed ones from the frosh family, are striving to provide all the campus with the best entertainment anywhere.

The freshman class always produces a bountiful crop of ambitious amateurs as evidenced by this musical threesome.

Action was fast and furious in this scene from Lambda Chi Alpha's playhouse entry.

The Baptist Student Union piano trio won an honorable mention with their arrangement of "Autumn Leaves."

Always a favorite, Rich McCann offers delightful entertainment as he presents his version of Shelley Berman.

Holidays – Students' Days to Remember

The true spirit of Christmas rang out over the campus for all the parties, get-togethers, holiday happenings and programs that Christmas inspires. At the annual White Christmas program, a program sponsored by Pi Gamma Mu for the needy families at Christmas time, more food, toys and clothes were given than ever before to aid the less-fortunate families at Christmas time.

A Christmas Eve treat was provided by the excellent choral presentation of Christmas carols sung in the best possible tradition by the ASC Singers on a Memphis television station.

Meanwhile, students enjoyed the music department's performance of Bach's Christmas Oratorio.

Back in the dorms, Christmas parties were the order of the day. Each dorm party was different and unique, thanks to the work and assistance from the various dorm dwellers who donated their time and talent for everyone's enjoyment.

The St. Nick Dance, sponsored by the Associated Women's Students, produced the new St. Nick, Sammy Weir, and petite Bettye Dee Keith as the new Miss Merry Christmas.

Mr. Jimmy McClusky, house director of New Men's dorm, opens the gift given him by the boys at the dorm Christmas party.

The Pikeston quartet, a group new to the campus this year proved to be quite a crowd pleaser in this intermission performance at the Saint Nick dance.

Santa Claus made an unexpected appearance in which he distributed the gifts given through the White Christmas program

Pictures were taken throughout the course of the evening, giving the couples a lasting memento of the event.

Sessions Are Fun-Packed

These students renew the age old custom of celebrating Christmas through the singing of carols.

The Christmas season brings a flurry of bright activity to the campus. Sights and sounds take on a ringing clarity in the cold winter air. Buildings are decorated with the vivid colors of the season and joyous music peals across the campus as singers rehearse for the Christmas Oratorio. The beginning of the holiday season is heralded by the St. Nick's Dance. Co-eds enthusiastically support their favorite candidates for St. Nick. They work long hours planning and decorating for the dance, then forget their weariness as glittering dresses, soft lights, and good music work their magic. Campus organizations hold Yuletide celebrations, crowding students' schedules with holiday fun. Dorm parties held in festively-decorated lounges combine sincere reverence with warm fellowship and spontaneous gaiety. Perhaps the truest expression of the Christmas spirit is evidenced in the White Christmas program. At this time, students gather not only to enjoy the entertainment but also to contribute food, toys, and money to a charitable organization.

Sammy Weir was elected Saint Nick and his date, Miss Betty Dee Keith was named Miss Merry Christmas.

Bill Bell and the Tribe ably handled the musical chores at the campus Christmas dance.

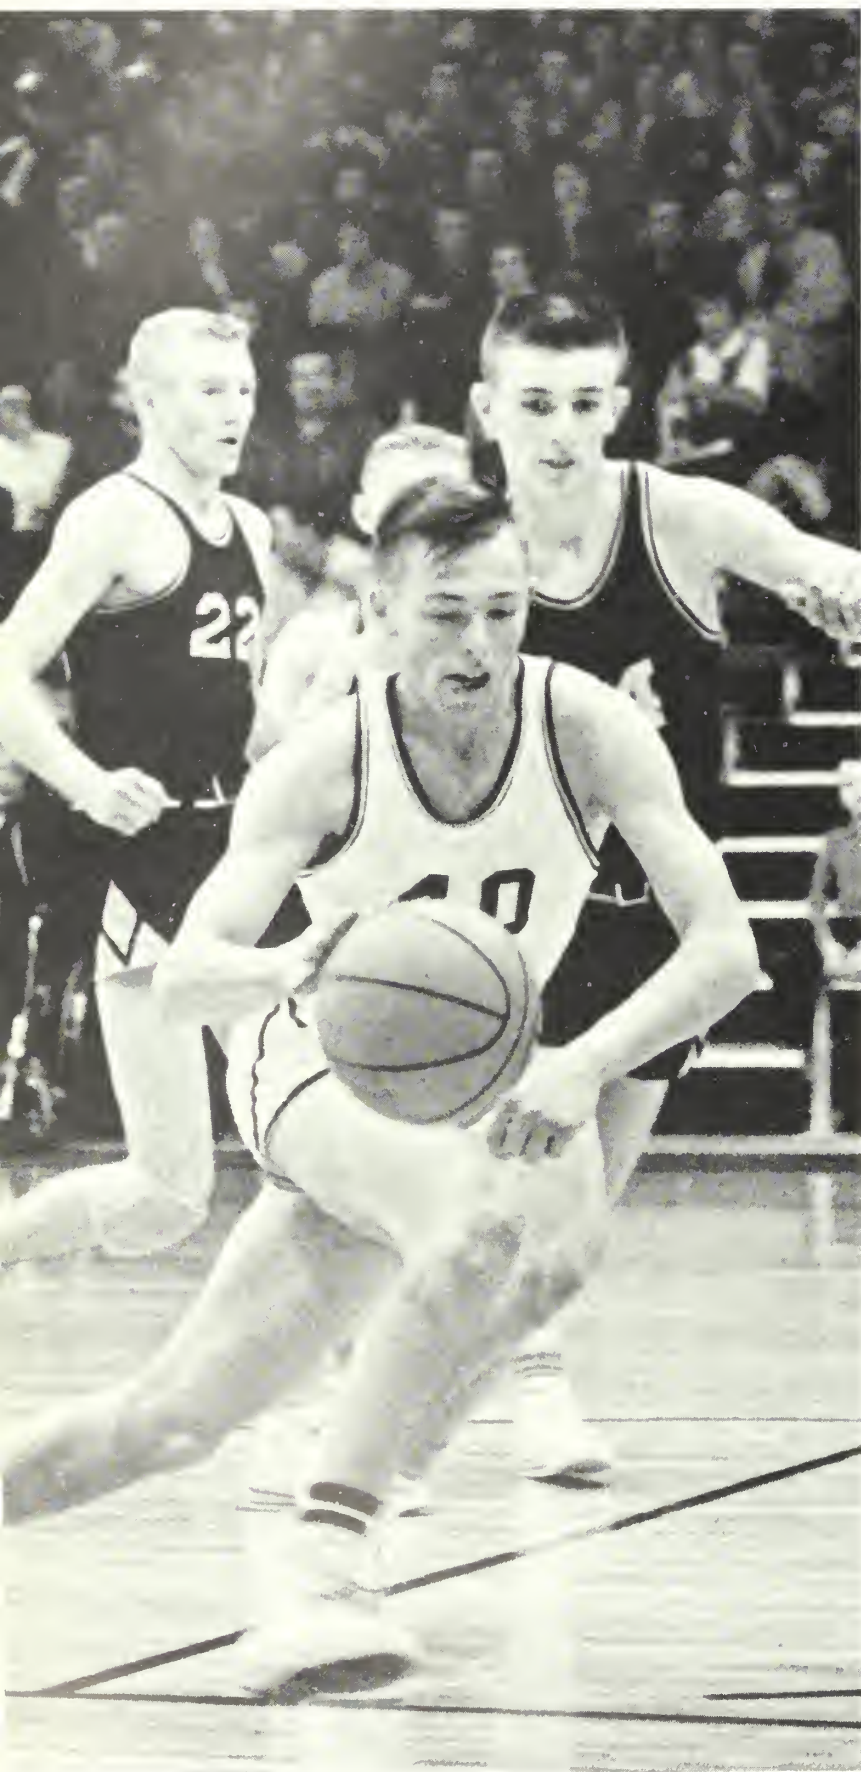

A-State beauties were a featured attraction in the annual Christmas parade.

In keeping with the spirit of giving, the Lambda Chis donated three turkeys to the old folks home.

Future Collegiates Visit the Campus

Seldom does a week pass on the campus of Arkansas State when there is not at least one group of high school students in attendance at some type of clinic, workshop, area meeting, or training session. These students receive numerous benefits from their instruction, and at the same time are exposed to the various factors making up the panorama of college life.

One of the top drawing cards to the college, insofar as high school visitors are concerned, is the annual Senior Day. The program for the day features departmental tours which enable prospective students to investigate the opportunities and facilities available at Arkansas State in their chosen fields.

As a fitting finale to a day of enlightenment and festivities, A-State entertainers pooled their efforts in presenting a mixture of talent and humor to delight the appreciative audience.

Students came from surrounding areas to receive instruction in scuba diving.

The Northeast Arkansas basketball tournament brings numerous high school students to the campus each year.

Cheerleaders are instructed and advised in the A.S.C. sponsored Cheerleading Clinic — an annual summer event.

Various combos representing respective chapters provide the entertainment in the joint Future Farmer meetings held yearly in Wilson Auditorium.

Students register before dispersing to view the various departmental facilities in the Senior Day program at Arkansas State.

Something For Everyone Here

Majorettes have a week of instruction, too, provided through the Arkansas State College twirling clinic.

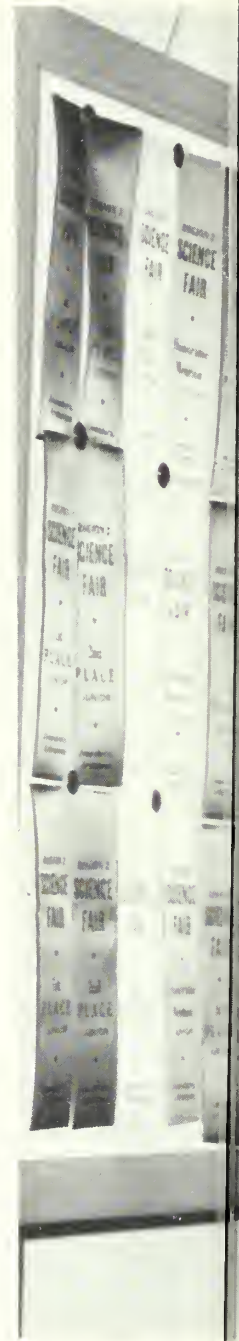

High school students—they come to the campus noisily and exuberantly by the busloads to participate in college-sponsored clinics, workshops, contests, and various other activities. They come quietly and inconspicuously by twos and threes to visit college friends, explore the campus, and discuss Arkansas State with Dean Moore or Miss Stroud.

They come to represent their high schools at such events as Agri Day, FFA practice judging contests, basketball tournaments, track meets, choral concerts, journalism days, science conferences, and cheerleading, twirling, and band clinics.

They come, splashing the campus with the reds, blues, maroons, and golds of their school colors, to Senior Day.

They come curiously to find out for themselves if what they have heard about the Wigwam is really true.

They come, reminding many A-Staters of the times not so long ago when, as high school students, they visited Arkansas State in much the same way.

The all-tournament team from the Northeast Arkansas tournament features some of the state's top school performers.

Winners in the annual journalism day contests for outstanding journalistic abilities are pictured here with their awards.

Mr. Mayes and Mr. Bogan display the ribbons to be distributed to winners in the Science Fair which is held each year on the A.S.C. campus.

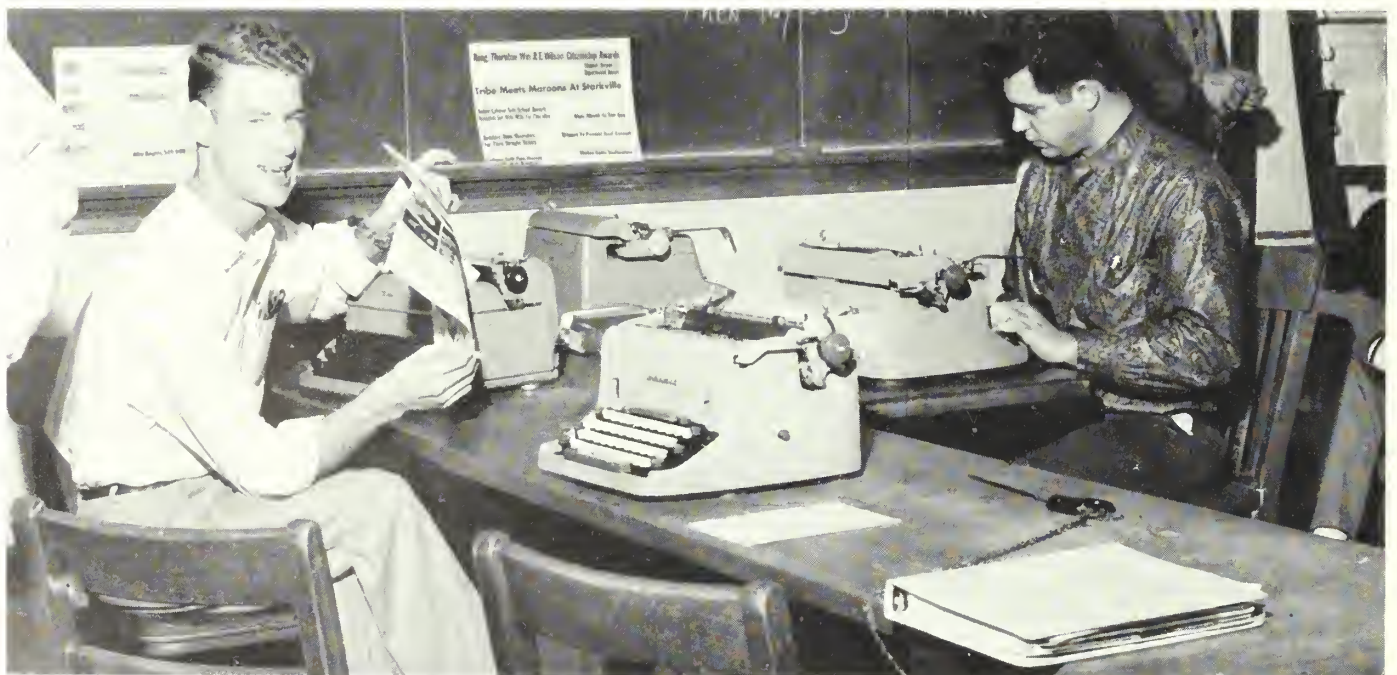

These young ladies, guests of the cheering clinic, take time to talk to their instructor between sessions.

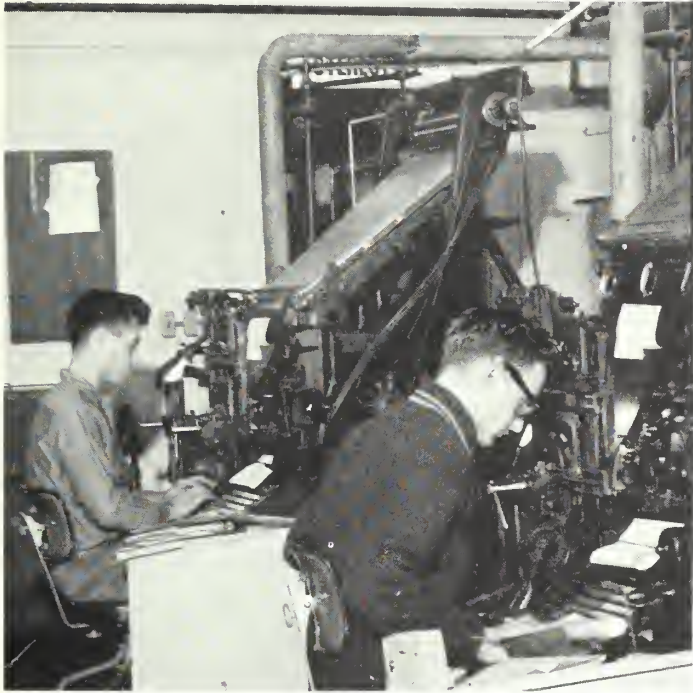

First step in the putting together process of the paper is the covering of a "news beat" by student reporters.

The news that has been garnered by the reporters is then compiled, proofread, corrected, and typed before it is ready to be sent to the print shop.

"Herald" Production is Unique Operation

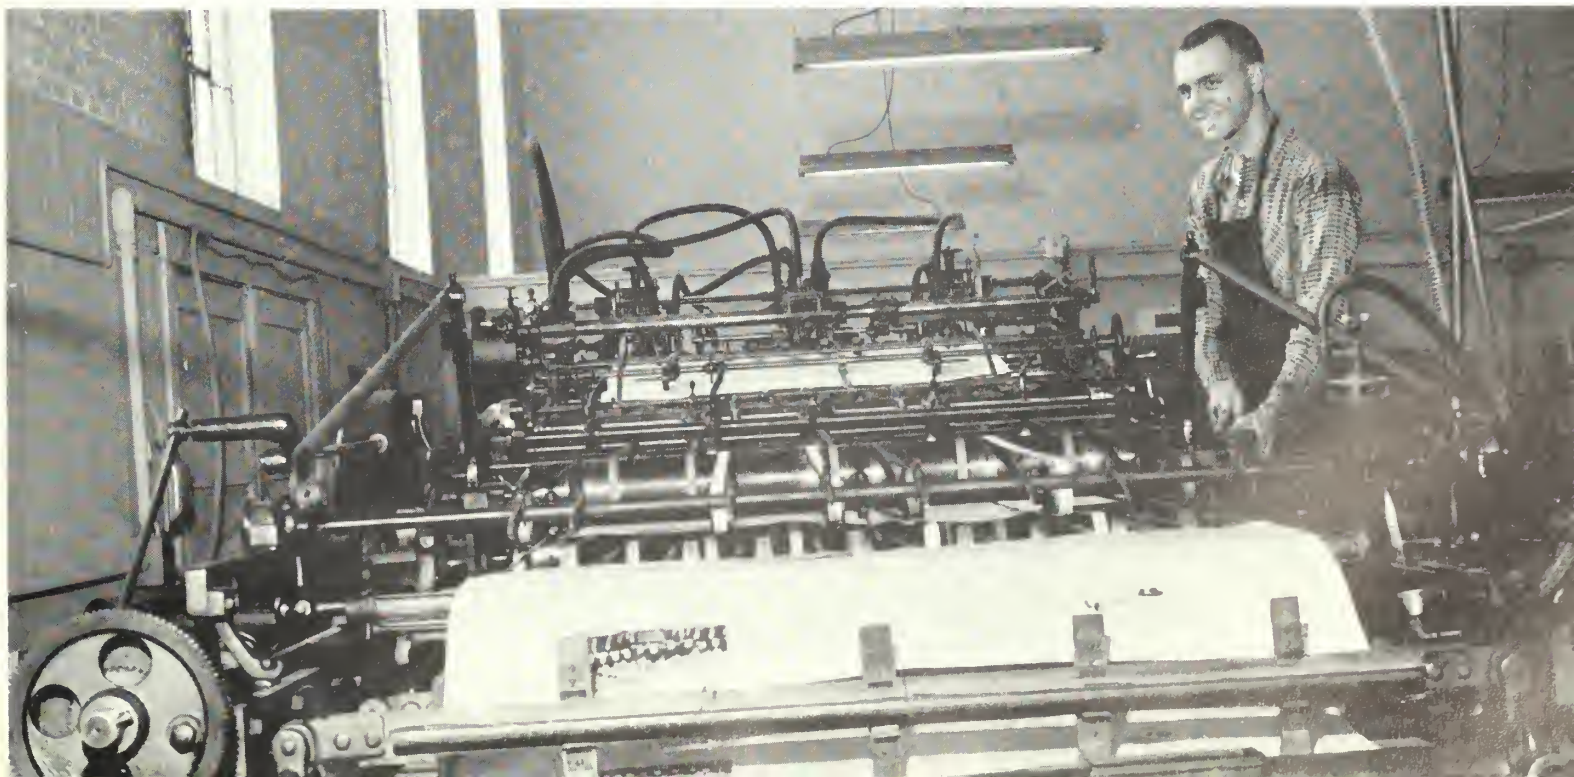

Careful pains are taken to insure a correct treatment of the news in preparation for the paper.

Student workers in the print shop must keep a close watch on the paper as the huge machines print it off.

Finally the finished product comes out the end of the press, ready to be delivered to the students on Friday.

Minx Feted At Game

Arkansas State's band director, Don Minx, was recognized as one of the best band directors A-State has ever had at the "Don Minx Day." Mr. Minx, director and molder of the Arkansas State's Marching Indians, has been here for eight years.

The Band Administration Class demonstrated their many talents at the "Don Minx Day" by creating and supervising the entire show. The show occurred between halves of the A-State-Wisconsin State football game. Also sharing honors and recognition with Mr. Minx was one of his top majorettes, Sally Ann Mickey. Sally, greeted by the band with the tune "All the Things You Are," is the reigning Miss Jonesboro and is alternate in the "Miss Arkansas" contest.

Dynamic Don Minx, possessor of great imagination and much creativeness, has built the A-State Marching Indians to be known as one of the finest bands anywhere in the South.

A plaque was presented to Mr. Minx with the following inscription: "This plaque is presented to Donald R. Minx, director of the Arkansas State College Band, on the occasion of "Don Minx Day", Saturday, November 11, 1961, in recognition of his service and accomplishments with this fine organization."

Mr. Minx has been instrumental in propelling the Indian band to the position of prominence which it now occupies in college band circles.

"Practice makes perfect", and perfection is the goal of Don Minx insofar as the Marching Indians are concerned.

Stepping high and smartly into formation, the Marching Indians show off the precision movement they have achieved under their able mentor.

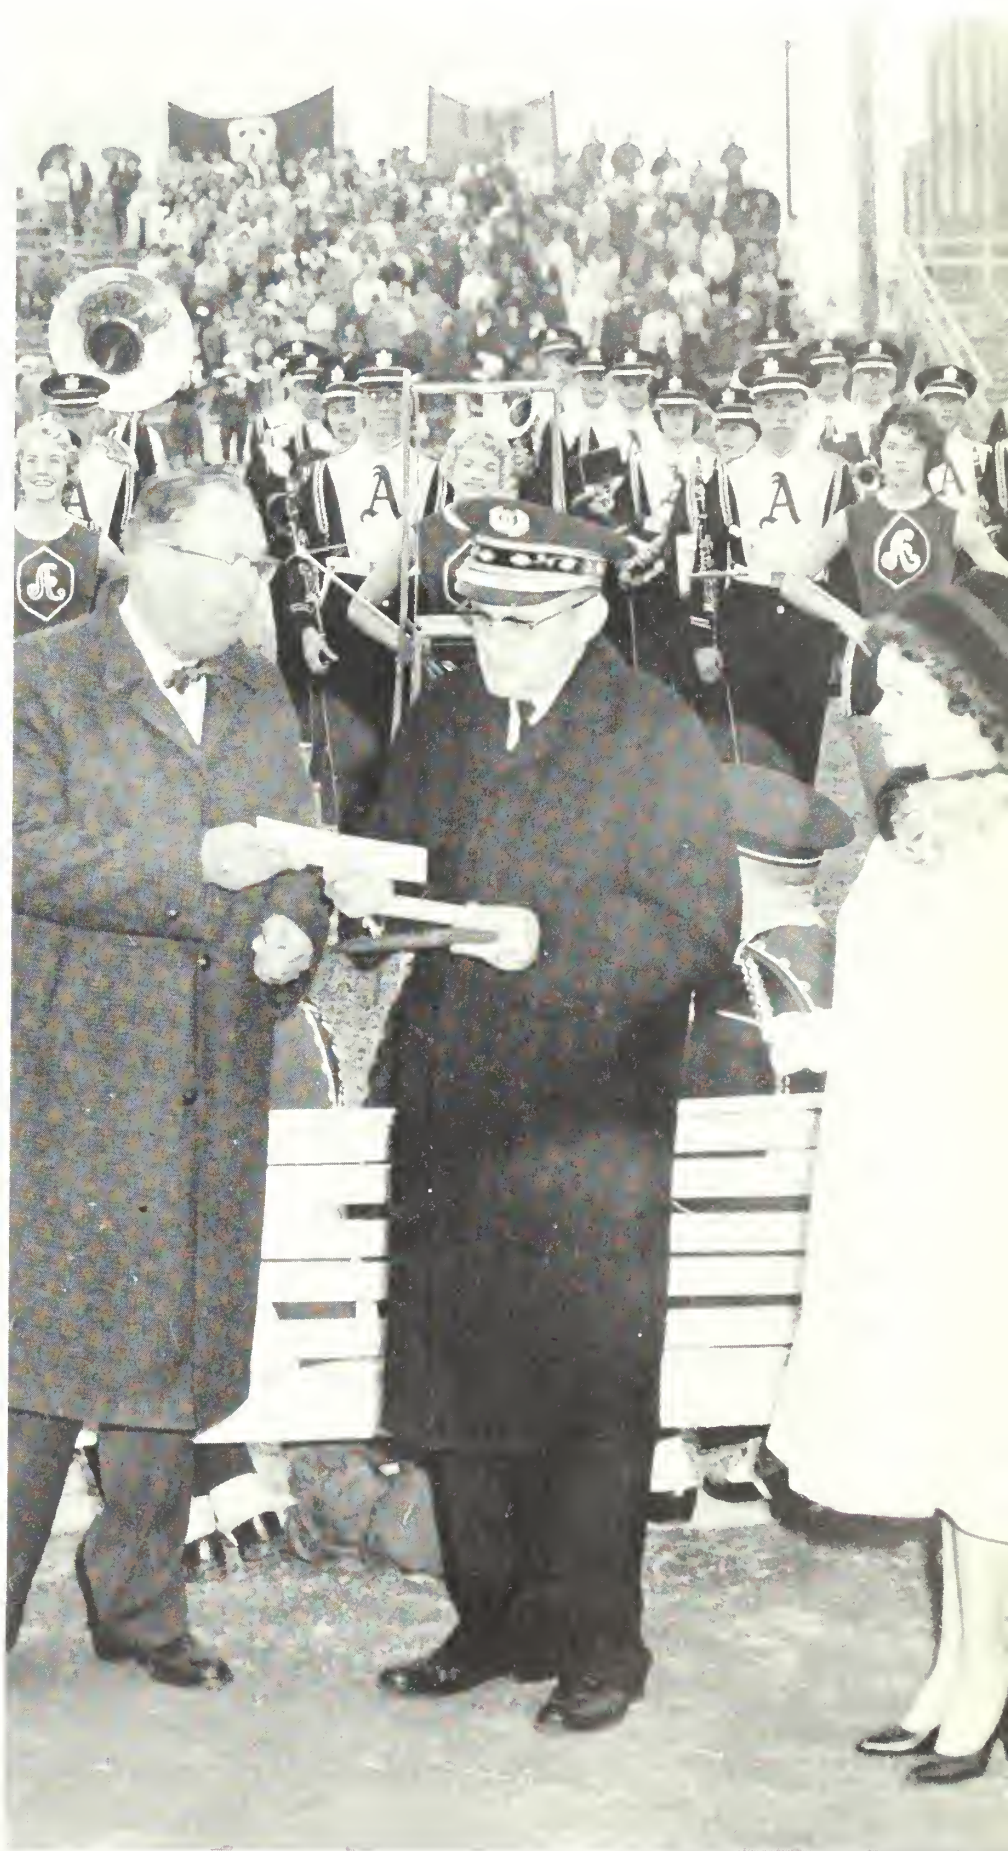

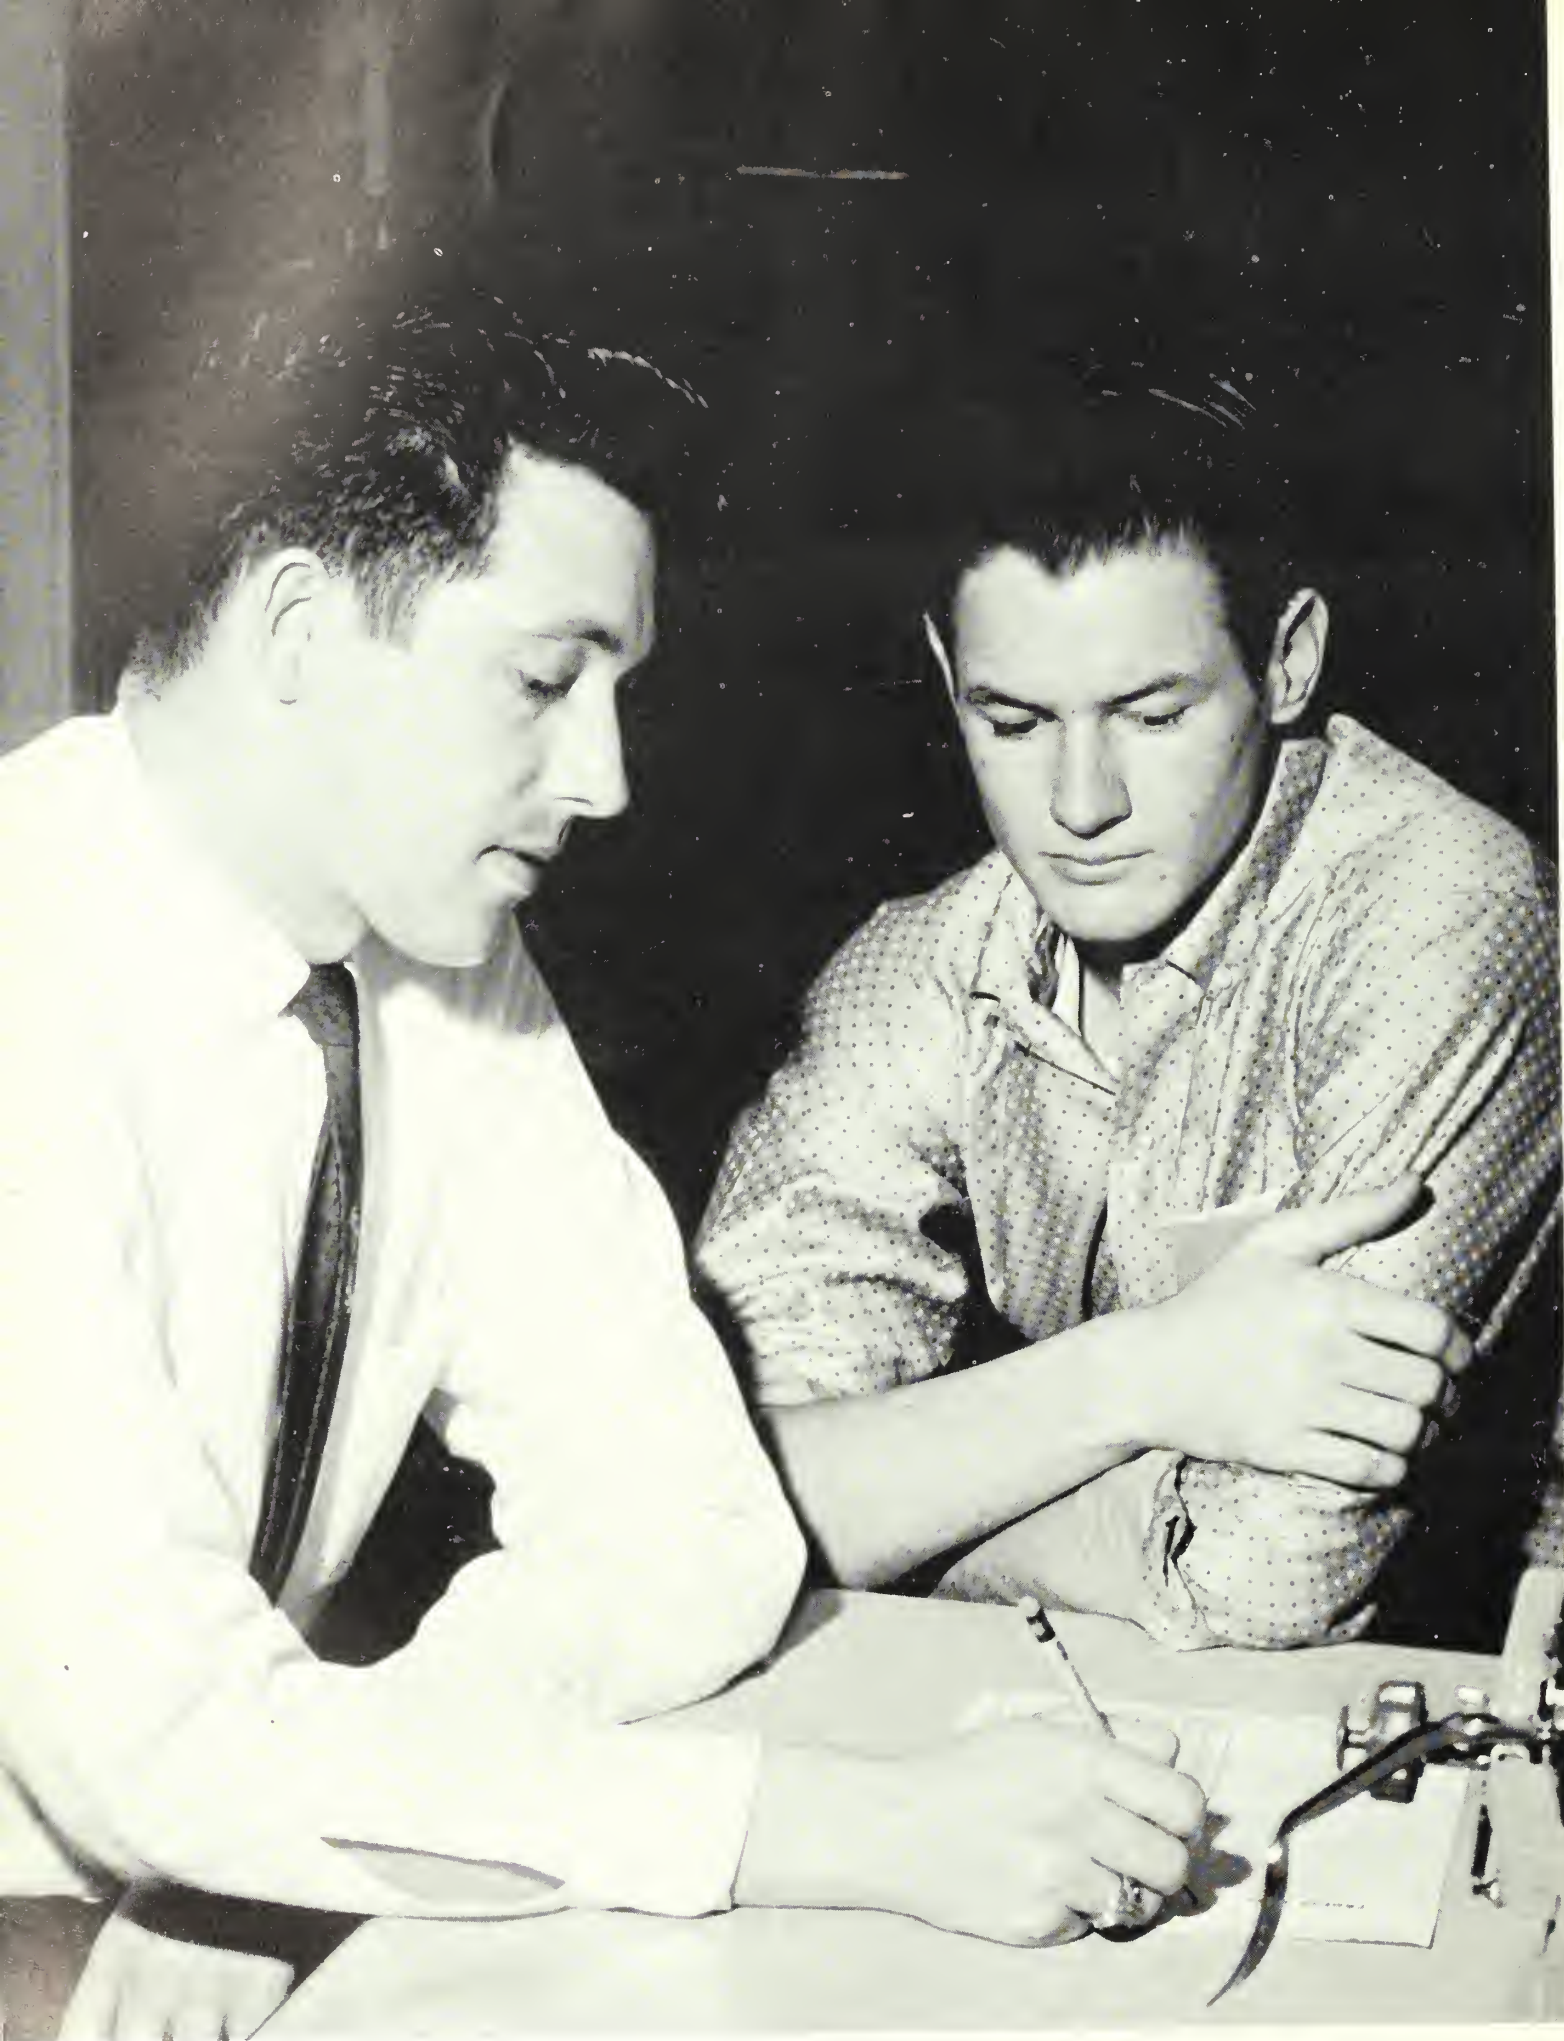

Band President John Maples and reigning Miss Jonesboro, Majorette Sally Ann Mickey assisted in making the halftime ceremonies a full success.

Don Minx receives one of the many gifts given to him by well wishing friends and admirers.

Second Semester Brings Books, Changes

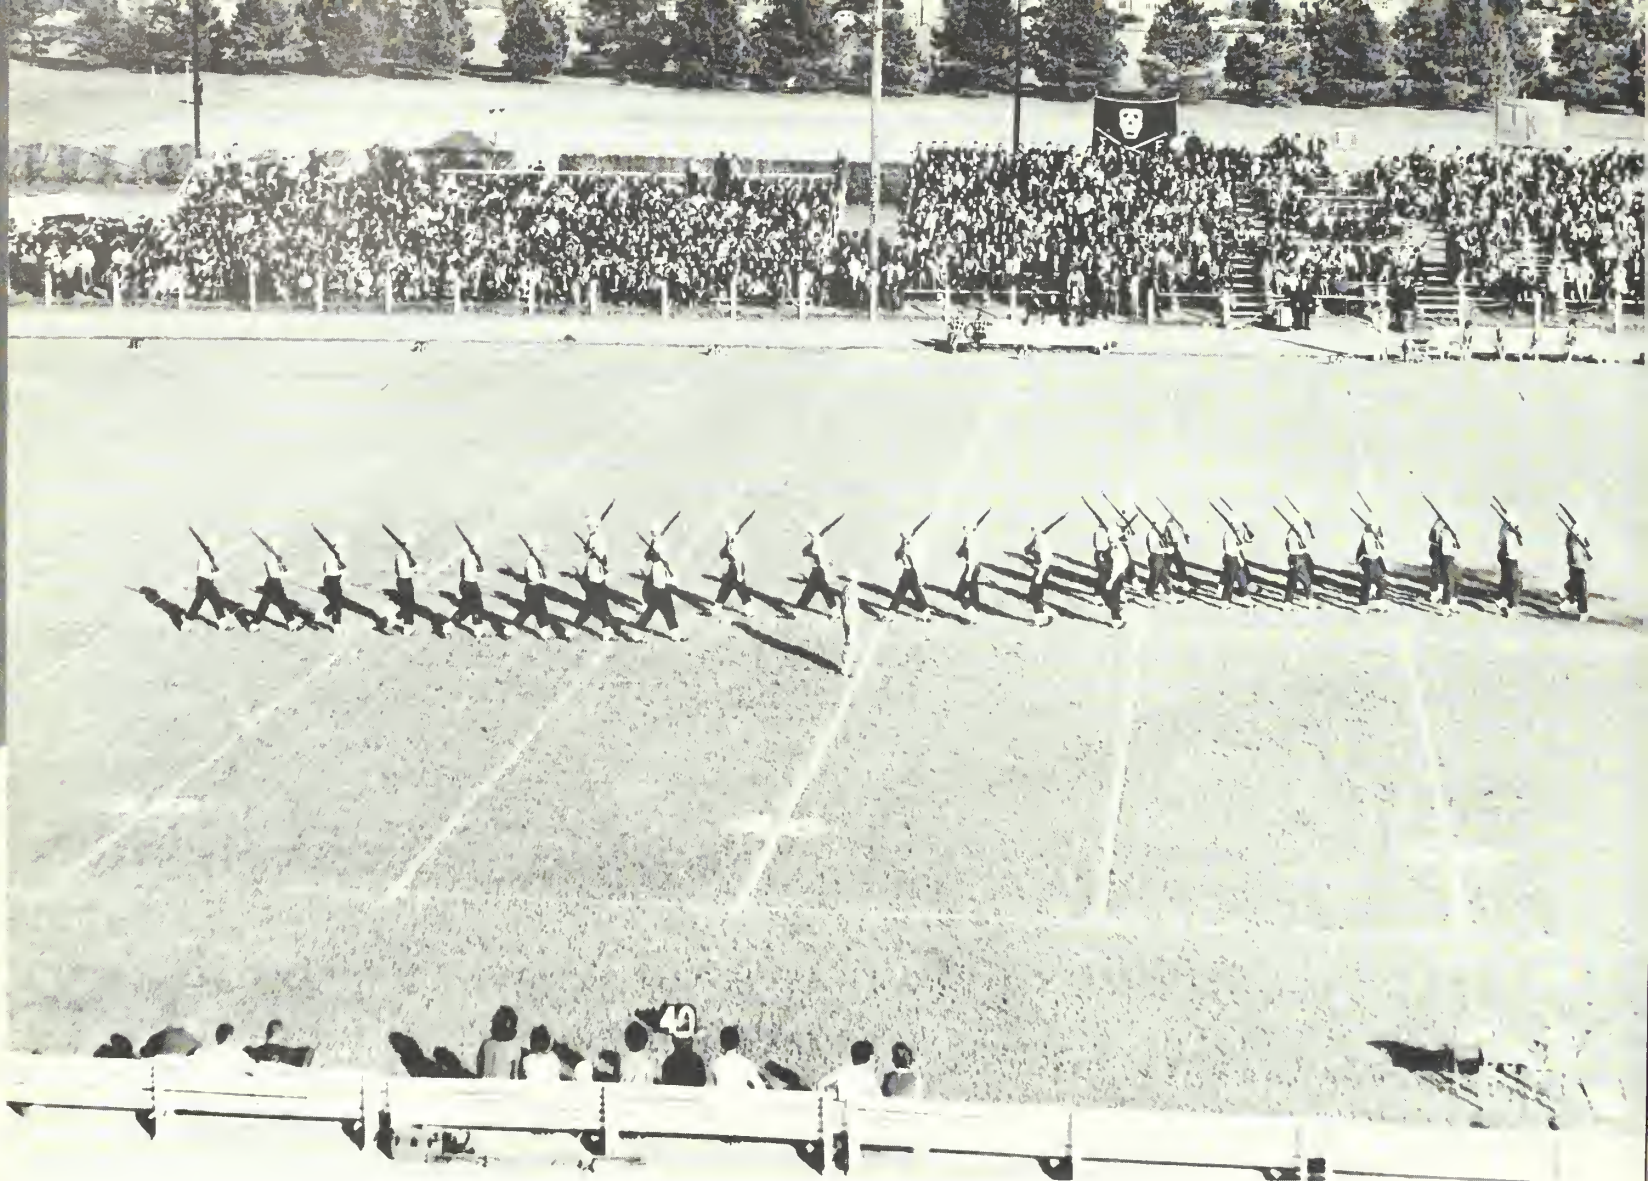

"But gee, Dean, I've gotta get that class changed."

This young lady fared a little better in the schedule changing process than did many others who had less valid reasons.

Student government workers worked fast and feverishly to serve the Student body through the used book store.

Homecoming provided a ready opportunity for Arkansas State's fine drill team to "strut their stuff."

This was a year when many new dances swept across the campus as evidenced by this expert rendition of the popular "hully gully."

Learning army leadership first hand, these advanced corps cadets ready their equipment for a student instruction period.

Christmas And The Pre-Holiday Activities

Soft lights, slow, dreamy music and an overall atmosphere of gaiety are highlights of the annual Saint Nick dance.

Nametags are in order at this sorority open house, offering a ready boost to the often-painful job of introduction.

With the Christmas season came the carolers who toured the dorms in grand style with their sparkling renditions of age-old carols.

ELL O ISHMAEL RANDY ISHMAEL

PRE

Political rallies served their purpose in the school elections, with avid student participation playing a large part.

Dr. Duane Haskell accepts a check from Miss Lily Peter of Marvell for the establishment of two new scholarships for young men in the music

Richard McCann talks to world famed musician Pete Fountain as Fountain prepares for his A-State concert.

"Race for Victory" was the theme used by the Sigma Pis in the campus-wide Homecoming display competition.

Fourth Annual Miss ASC Contest

Donnie Ruth Williams
Miss Arkansas State 1961

Excitement rises to a peak each year at A-State anticipating the Miss ASC contest. The contest, sponsored annually by the Circle K Club, drew 17 contestants vying for the title of Miss Arkansas State.

Brunette freshman beauty, Linda Worley of Hughes, stole the title of Miss ASC. An 18-year-old business major, Linda becomes the very first Circle K Sweetheart. She is also an Alpha Gamma Delta pledge.

Runner-ups in the Pageant were Phyllis Rowden of Pocahontas, Grovanell Gorham of Black Oak, Marilyn Fulbright of Thayer, Mo., and Lynda Hendrix of St. Louis, Mo.

Backstage with the beauties on the evening of February 19, a mass search for hoops, lipstick, bathing suits and mascara, sent each contestant scampering here and there. Talent was a new division added this year in addition to the qualifications of beauty.

Linda will represent A-State at Little Rock in July for the Miss Arkansas Pageant.

One contestant aptly summed up the Miss ASC contest by saying. "The pageant, is like a course in math, the outcome depends on the 'right figure'".

Candidates were entertained at an informal Pepsi party prior to the contest sponsored by Circle K International.

Backstage, the candidates anxiously await their turn in the formal division of the Miss Arkansas State Pageant.

These eighteen young ladies participated in the pageant, helping to make it a tremendous success.

Entertainment during intermission was provided by the Four Clubs, popular campus singing group.

Linda Worley Miss ASC of 1962

Finalists in the Miss ASC contest included Marilyn Fulbright of Thayer, Missouri, Lynda Hendrix of Jonesboro, Phyllis Rowden of Pocahontas, and Governell Gorham of Black Oak.

Miss ASC hopefuls competed in three divisions this year, swim suit, formal, and talent.

Eager Sororities Vie For Popular Rushees

Alpha Gams and rushees pause for a friendly chat in the midst of the fun-filled hustle and bustle of rush week.

Much planning must go into the preparation of each rush party if it is to truly be successful in producing a top notch pledge class.

The aptly-named "rush" weeks were harried, exciting times for both members and rushees as A-State's four national sororities competed for pledges.

It was a period of fevered gaiety, mounting suspense, and sometimes painful decision for those co-eds who were caught up in the whirl.

Alpha Omicron Pi entertained the rushees with a jungle party. Costumes, decorations, music, refreshments—all contributed to the exotic atmosphere.

The colors red, white, and blue prevailed at the Chi Omega parties, carrying out the theme of "Chi Omega, U.S.A."

Alpha Gamma Delta remembered a beloved story and came up with a unique and fitting theme based on "Alice in Wonderland."

The legend of gracious life in pre-Civil War Dixie was recalled as Phi Mu invited the rushees to join "Phi Mu Down South."

Rush passed quickly for the participants, but it will not be soon forgotten; for many it marked the beginning of a challenging new experience—sorority membership.

Displaying trophies and telling of past intra-sorority victories are essential parts in the rush techniques employed by each group.

In come the rushees, as the members anxiously await their chance to make new acquaintances and establish firm friendships with future pledges.

Each rushee is given a nametag as she continues her journey through sorority land.

Songbooks, nametags, and flags are all put to good use by the Phi Mu's as they attempt to influence the rushees.

Final preparations are made by the members of Chi Omega before the rushees begin to arrive.

Offered a chance to join the Alpha Gamma Delta Express, these rushees will think carefully before making a final decision.

Fraternity Rush

Sweeping across the campus like a sandstorm on the Sahara and bringing outside activities of fraternity men to a virtual standstill, rush week provided the unveiled results of semester-long efforts toward pledge recruiting.

Firmly enstated with the knowledge that today's pledges form the nucleus of tomorrow's chapters, members of each fraternity on campus set about the serious business of choosing new brothers, who will carry on chapter ideals in the coming years.

Rushees received the royal treatment throughout the week of parties, food, entertainment, information, and perhaps even a little harmless propaganda which confronted them.

Upon being exposed to achievements of each chapter and having met many of the members therein, it fell the lot of the rushee to carefully ponder his observations and attempt to make a choice of the group with which he would best fit in.

At the close of the week, preference cards were signed and pledges were selected, bringing an end to rush efforts of the past semester and serving as an impetus to those of the next.

Through the chow line they go as the Sig Eps attempt to influence their guests through the age-old media of food.

Sigma Pi members proudly display their trophies and readily answer questions offered by inquiring rushees.

Guest speakers often highlight fraternity rush parties as in this case with Johnny Browning of Pi Kappa Alpha.

Clippings and scrapbooks are very useful in showing rushees the value of fraternities to the man and the opportunities available to him within the group.

Faculty advisors often lend a word of support to their respective chapters and offer advice and information to rushees.

Rushees Receive Red Carpet Treatment

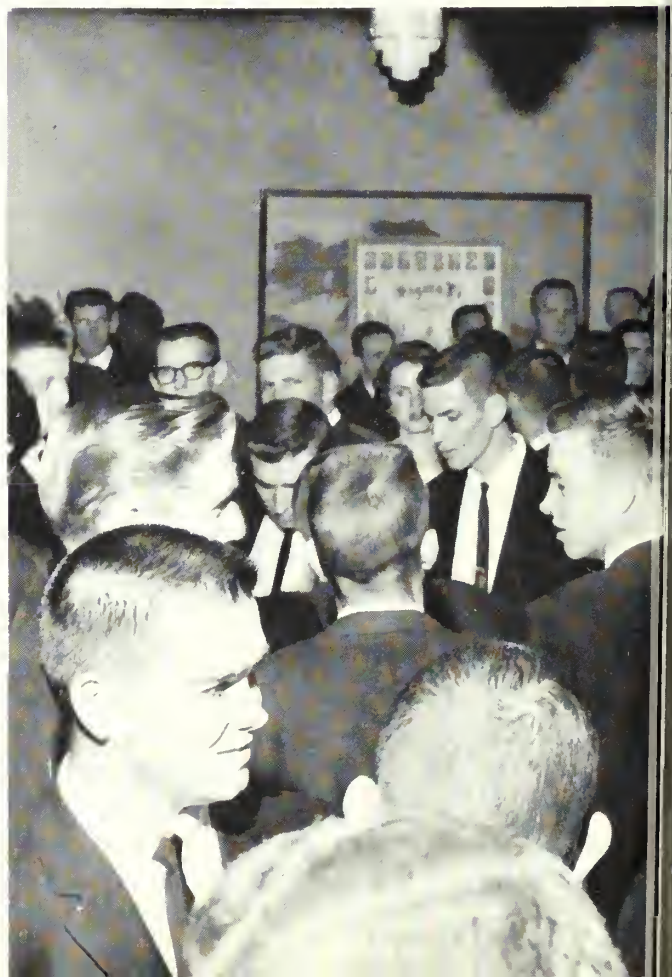

Colorful entertainment was provided for the Sig Ep party by the El-gards, a popular new group on campus.

A friendly smile and a cheery greeting by TKE sweetheart, Linda Huckabee welcomes these two rushees as guests of Tau Kappa Epsilon.

Conversation and hand-shaking took the spotlight at this stage in the Sigma Pi rush party, offering an informal note to the festivities.

Picken' and grinnin' all at one time seem to be too much for this young Duane Eddy prodigy.

Candid camera strikes again, catching these two in the midst of a friendly joke-telling spree.

Bearing witness to the fact that "crime does not pay," these students attempt to settle an account incurred through a parking violation.

An Inside Look At Those Leisure Hours

Square-dancing has its place, too, as these students learn the proper methods of doing the "dosie doe."

Mrs. Alta Burns demonstrates the techniques of a new dance to two fascinated students in one of the dance classes offered by the Physical Education department.

Basketball fans were delighted by the frantic halftime spectacular provided in this basketball game between the A-State coaches and the Jonesboro Jaycees.

The Cafeteria-- A Topic of Conversation

Mrs. W. W. Nedrow spearheads the operations of the cafeteria, serving Arkansas State as cafeteria manager.

The supply detail sees to it that all tables are equipped with necessary sugar, salt, vinegar and other essentials.

Cleanliness is of utmost importance in the cafeteria, assuring the student of an all-out effort for his protection.

One special feature provided by the cafeteria staff is an excellent service for banquets and smorgasbords.

Large scale cooking requires a competent kitchen staff equipped with spacious, up to date facilities.

After the meal, the dishes must be cleared, washed, and then put away in preparation for the next meal.

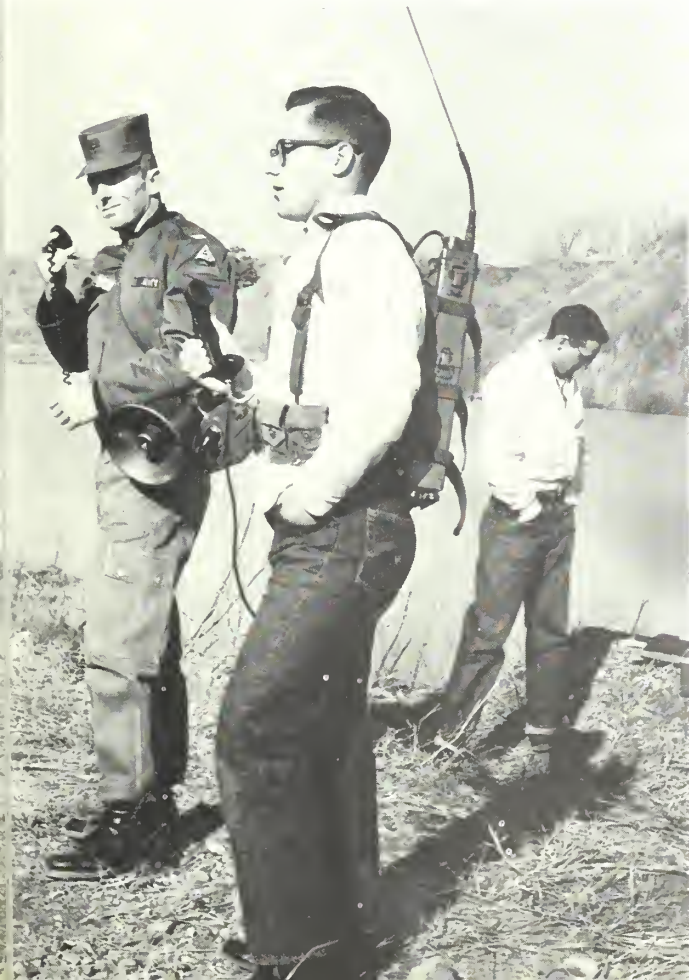

ROTC Cadets Prep For Summer Camp

Arkansas State Cadets this year were privileged with a flight program, open to those interested in learning control of light aircraft.

Underclassman cadets learned important fundamentals of communications in their roles as co-ordinators during the gravel pit fire maneuvers.

Teamwork played a vital roll in firing exercise as one man on each team acted as a coach to his partner, correcting mistakes and offering advice.

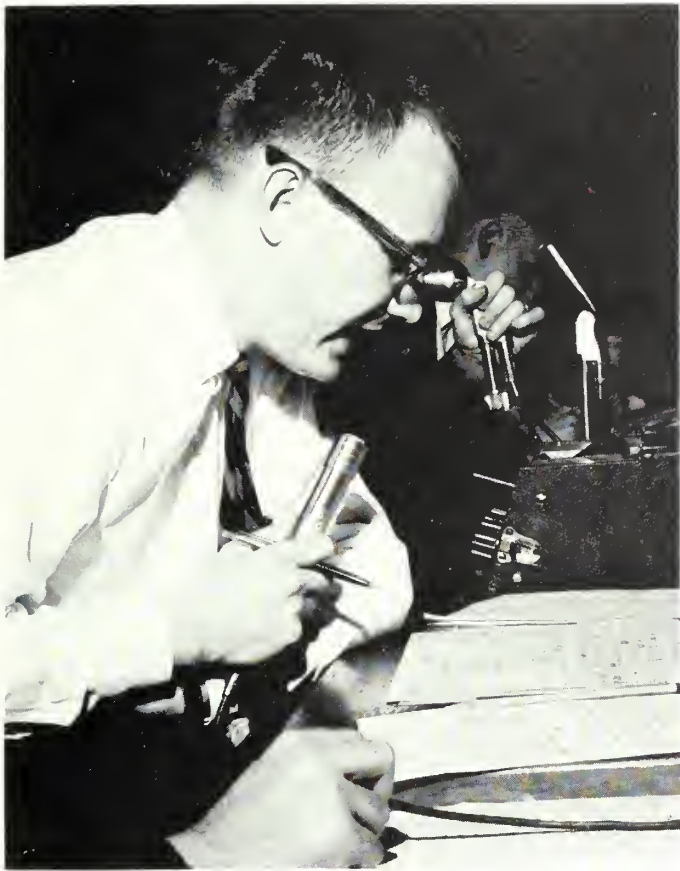

As a community service, the Sig Eps set up their annual roadblock to get donations for the Heart Fund drive.

Nightwatchmen Lonnie Paxton and Joe Crews check the back door of the Administration Building on their nightly round of the campus.

These members of the Physical Plant crew and their able cohorts provide maintenance support for campus operations.

Robert Moore, Dean of Students, shows he's a good sport by donning a beanie in an effort to set an example for freshman during the orientation period.

Radio head Charles Rasberry "practices what he preaches" by broadcasting Indian home basketball games over the college network.

Whiling away the off hours in the Wigwam with a carefree game of cards is the favorite pastime of this foursome.

Campus Activities Added Color, Excitement

Onward goes the procession in the spirited parade prior to the TKE finger bowl.

Mrs. Hazel Orbison enjoys a coffee break with some of the girls under her care in Caraway Hall.

Gay McCormick of England and Larry Smith of Osceola were crowned sweethearts of the Baptist Student Union at the valentine party this year.

Serious business headed the agenda at this important meeting of the president's roundtable, called to discuss the revised Student Government Constitution.

These three Arkansas State lads prove the age-old theory that "he who smokes will be a little feller."

This Baptist Student Union banquet provided fine food and pleasant fellowship for all those attending.

"Filled balloons or bust," rewording of an old motto raises the question as to which will win out in the long run in this instance.

Greeks Hold Their Annual Formal Dances

Following the grand march, members and their dates formed a line around the floor, waiting for the music to begin.

Crepe paper stringers are hung around the edges of the dance floor, creating a more favorable background to the gym.

"Reach for the sky", this is the watch word as workers stretch to raise paper for a side wall mural.

COLLEGE

A college, as defined by Webster, is "an institution of higher education that grants degrees at the completion of courses of study." Certainly this is a too-simplified description of the highly complex organization that is Arkansas State. The college is an institution composed of individuals—thousands of separate personalities performing their peculiar functions as integral parts of the college machine. Guiding the machine is a staff of competent administrators who cooperate in the day-to-day tasks of management and in the improvement of the school. The more than 100 faculty members are also devoted to a common ideal, whether their field of specialization be physical education or the fine arts. The students have different backgrounds, beliefs, and goals. Yet they live, study, work, and play together, each contributing to and absorbing from the college environment. These are but a few examples of the many and varied units which cooperate within themselves and work together as a whole to form the vast and intricate organization we know as Arkansas State College.

A-State President Leads Progressive Surge

A fine public speaker, Arkansas State President Carl Reng is called upon to speak on many occasions.

In his eleventh year at the helm of Arkansas State College, Dr. Carl Reng has provided expert guidance and direction in realms of administration. Laying groundwork vital to the process of expansion, Dr. Reng has repeatedly proved that he has the knowledge, strength of character, and depth of vision needed to lead a rapidly growing college. He has performed his task with vigor and dignity. Under his leadership, Arkansas State has advanced from a lowly college to a booming institution in serious contention for university status. His ability, his untiring efforts and his devotion to duty have won him wide acclaim for his administrative achievements. In addition to his time-consuming task as college president, Dr. Reng is a popular figure at various civic and educational meetings and conventions. Dr. Carl Reng will long be remembered for his outstanding work at Arkansas State.

As head administrator of the college, Dr. Reng receives many gifts each year in behalf of the school.

Faculty luncheons, Alumni banquets, and other important events fill much of the president's time.

Dr. Carl Reng, President of Arkansas State, has led the college in its push for progress.

Administrative Duties In Capable Hands

Dr. N. D. Hazelbaker
Vice President in Charge of Instruction

Lloyd C. Howell
Registrar

From the time a student comes to Arkansas State until the proud day when he accepts his diploma, he depends heavily upon each member of the College administrative staff. Some members of this staff can depend on a long line of students trooping to their offices with problems large and small, while others work in the background, their accomplishments not obvious. Nevertheless, each has his niche in the overall plan.

Heading the two main categories in the job of running the College are:

In the Business Division, Mr. L. Cameron, vice president in charge of Business and Purchasing, whose jurisdiction covers everything dealing with college finances.

The Academic Division, which has Dr. N. D. Hazelbaker as vice president in charge of Instruction, takes care of all problems relating to the various departments and the studies in those areas.

Another division of far-reaching importance to the College is that of Field Services, headed by Mr. Ray H. Hall. This office carries publicity concerning Arkansas State all over the territory served by the College.

To detail all the work and planning which go into the School's operation by these staffs would fill books. Suffice it to say that year after year they reach out to cover the rapid expansion and bring it into line smoothly.

Cooperation Was The Key To Good Year

Robert Moore
Dean of Students

Peggy Stroud
Associate Dean of Students

Fred Paxton
Associate Director of Field Services

Ray Hall
Director of Field Services

Dean Moore, dean of students, and Peggy Stroud, associate dean of students, have the enormous task of advising and solving the problems of all the A-State students. Always filled with throngs of students, the dean of students' office is continually helping the students and parents with problems galore and a multitude of questions. The Field Services, containing the Placement Bureau, is under the able supervision of Ray Hall. Desired jobs and positions for graduating seniors and graduates are filled in the Placement Bureau. The A-State Library boasts a well-rounded collection of 50,000 volumes. These instructional materials are carefully selected to meet the educational objectives of the various departments of instruction. The library operates for the faculty and student alike on a three-point basis: research, general study, and recreational reading. Efficient service and help is given to all by head librarian, William Whitehead, and his able assistants. Up-to-date library equipment such as the microfilm reader and the electric charging machine help keep A-State's library one of the finest.

William Whitehead
Head Librarian

Mildred Montgomery, Eleanor Kirks and Ella Mac Thompson, Assistant Librarians.

"Physical Fitness Program" Old Hat Here

Under the expert direction and supervision of Dr. Linus J. Dowell, the Arkansas State College Physical Education program provides healthy recreational activities and provides courses for college requirements.

"Intramurals" install in every campus man and coed the spark of keen competition. The Physical Education department is responsible for the outstanding intramural program offered by Arkansas State. Students participate in such various intramural sports as football, basketball, bowling, bridge, tennis, volleyball, softball, track, swimming and many more.

The state of Arkansas and surrounding areas also profit from our efficient department by the excellent cheerleading and twirling clinics offered. Our "yell leaders" are excellent examples of the spirit and enthusiasm of the physical education department.

Clubs in the physical education department include the "A" Club, composed of A-State lettermen with an athletic spirit and attitude. Meanwhile, the girls who participate in the intramurals have formed the Women's Athletic Association, well-known for their superb work on campus. The Square Dance Club and the PEMM Club round up the marvelous clubs anyone interested in this department may take part in.

Dr. Linus Dowell
Head of the Department of
Physical Education

Members of the staff in the Physical Education Department are;
(Seated) Mr. King Block, Dr. Linus Dowell, Mr. J. A. Tomlinson.
(Standing) Miss Evelyn Prescott, Mr. Bill Caldwell, Mr. Jesse John-

son, Mrs. Gladys McPike, Mr. Larry Lacewell, Mr. Jimmy Jackson, Mrs. Alto Burns.

Rough and tumble blocking and unending hustle were salient features of the intramural football program.

Freshman boys get a chance to show their skills in basketball as a part of their physical education classes.

Indian gridders try their hand at track in an effort to attain a top notch physical condition.

This guest of the Business and Accounting club, is fitted with a nametag so he may be more easily accepted into the activities of the club.

Registration gives many business students a chance to use their practical skills to good advantage.

"All work and no play" would make Dr. Carrothets a dull instructor. Here he takes time out of his busy day for a glance at the paper.

Business Careers Have A Bookish Beginning

Capable, well-trained men and women are in constant demand in today's business world. In response to this need, the Department of Business and Economics has instituted a program based on two objectives. First, the department offers students a broad basic education in anticipation of graduate study. Second, it strives to send skilled, enthusiastic men and women into the business and economic occupations of their choice, including the teaching of business subjects.

The department offers majors in accounting, business administration, business education, and economics. A special two-year course leading to a secretarial certificate is also included in the program.

The economics curriculum is in the liberal arts tradition. The study of society as a whole and the relationship of economics as a major world-directing discipline are emphasized. Both the theoretical and the practical sides of business are explored.

Pi Omega Pi is A-State's national honorary business fraternity.

Dr. K. E. Lucas
Head of the Department of
Business and Accounting

Members of the staff in the Business and Accounting department are: (clockwise) Mrs. Katherine Green, Mr. Charles Hood, Mr. Charles Yaeger, Mr. Fred Robinson, Dr. Sterling McLean, Dr. Robert

Ferralasco, Miss Rebecca Collins, Mr. Marshall Dinsmore, Dr. Chester Carrothers, Mr. James Douthit, Mr. Pat Ellebracht, Dr. K. E. Lucas.

Decision, Action, Obedience Learned Here

Under the expert leadership of Colonel Robert A. Treneman, the A-State Military Science Department ranks among the top in the nation. A-State's fine ROTC Department, staffed with top Army career men, attempts to train cadets in such military knowledge as marksmanship, organization, leadership, military history, map reading, and weapons maintenance; all essential information for a soldier's education. Drilling once a week, and attending two class lectures hardly affords enough time to produce a smoothly running unit, yet according to Federal Inspection, State has produced a top-notch group. A-State ROTC's main objective is to give every student military training and to provide qualified leaders for Uncle Sam's army. The ROTC makes its presence known on campus by sponsoring the more gala social event of the year—the Military Ball; ushering for assemblies and games, honoring outstanding cadets, and by showing off their fine drilling knowledge and precision on the drill field each Thursday afternoon of the year.

Col. Robert A. Treneman
Head of the Department of
Military Science

Members of the staff of the Military Science Department are: *Front Row, left to right:* Captain John Espey, Lt. Col. Donald Putman, Col. Robert Treneman, Captain Ken McClain, Captain Marshall

Skidmore. *Second Row:* Sgt. Nick Hunt, M/Sgt. James White, SFS Julius Wenzel, SFC Charles Daniels, SFC Bill Hill.

These students are being issued rifles for use in the weekly Thursday drill.

Well fitted uniforms are important, too, if the cadet is to withstand the rigid inspection.

"Just like cowboys and Indians," that's what these aggressor forces are thinking as they ambush the friendly troops in the Military Science field problem.

Dr. Calloway helps the Social Science majors make out their contracts as they look toward graduation.

Visiting speakers and well planned programs add interest to the meetings of the Social Science Club.

These students display hats they have made in the Home Economics class, a sub-division of the Social Science Department.

Studying Yesterday To Plan For Tomorrow

The Department of Social Science offers courses designed to prepare the student for citizenship in our modern society and to give the students an understanding of his neighbors and their problems. Other objectives expressed for the Social Science students are explaining today's world problems, teaching critical thinking and tolerance of spirit and attitude, training for citizenship in our own country, preparing for vocational social work, the ministry, governmental work, and the teaching angle. Majors offered in this increasingly popular field include history, geography, political science, sociology and a minor in Home Economics. Active departmental clubs are an important asset to any department, and the Social Science Dept. boasts of such excellent organizations as International Relations Club, Home Economics Club, Sociology Club, and the Social Science Club. Under the expert guidance of Dr. James E. Calloway, head of the Social Science Department, a total of 148 majoring students have chosen social science as their field.

Dr. James Calloway
Head of the Department of
Social Science

James Robbins, Mr. William Witzel, Dr. James Calloway, Dr. Jay Butler, Mr. Edgan Kirk, Dr. John Galloway.

Communication Goes Electronic At ASC

The study of languages and literature is an ancient one; but the outlook of the Arkansas State Department of Languages and Literature is up-to-date, and facilities are distinctly modern.

Because a command of our language is a tool basic to all phases of learning, the department has set up a liberal education program to provide comprehensive training in this fundamental skill.

This program is designed to increase ability in oral and written communication, and to promote an appreciation of the various phases of literature in all students enrolled in the basic education program. A practical basis for professional careers, as well as a better understanding of the fine arts, is afforded by majors in English, theater, and foreign languages.

Alpha Psi Omega, a national honorary dramatic fraternity, has a chapter on the A-State campus. Departmental clubs are Featherpens, Arrowhead Players, and Modern Language Club. A student literary publication, "The Belles Lettres," is sponsored by the Featherpens.

Dr. O. F. White
Head of the Department of
Language and Literature

Members of the staff of the Language and Literature Department:
(First Row, left to right) Mrs. Bill Carter, Mrs. Carl Stewman, Mrs. Brad Walker, Mrs. Elizabeth Neeley, Miss Carolyn Landon, Miss

Eleanor Lane. (Second Row) Arthur Matthews, Mr. Thomas Sawyers, Mr. Delbert Culver. (Third Row) Mr. Johnny Benton, Mr. Robert Phillips, Mr. Earl Check, Mr. Arthur Wolk.

The Arrowhead players presented "Antigone" as their Fall dramatic production.

The central control panel and individual ear phones have done much to aid those studying a foreign language.

The library proves to be a valuable friend by aiding the English student in his research and extra curricular reading.

Student teachers learn to teach their students by effective methods of class participation.

This aquarium lets the pupils learn about water life through simple observation.

Mrs. Barton counsels with some young teachers-to-be, attempting to give them some useful suggestions.

Students Teachers Prepare for the Future

The objectives of the Department of Education and Psychology are based on the belief that teaching is a profession.

The teacher-training program at Arkansas State is organized to give education a professional emphasis. This emphasis is obtained by providing experiences that will enable the prospective teacher to develop a practical, sensitive philosophy of education and to assume the responsibilities of leadership.

The department seeks to promote an understanding of the culture in which we live; to develop sound scholarship and professional skill; and to foster an appreciation of the contributions of American public education to our society.

Kappa Delta Pi is the national honorary education fraternity on the campus. Student National Education Association is an organization for all education students.

Each of the various programs offered by the department insures comprehensive general education specialized scholarship, and professional competence.

Professor of Education and Psychology and Head of the Education department, Dr. Paul Couch attempts to train tomorrow's teachers in the latest methods and thus prepare them for future responsibilities.

EDUCATION DEPARTMENT FACULTY: (front row, left to right): Lillian Barton, Dr. Paul Couch, Dr. Mildred Vance Dr.

Vance Sales. (back row): Lloyd Goff, Dr. Ray Simpson, W. L. Smith, Joe Taylor, A. G. Shannon, Dr. Robert Kluge.

Agriculture For Today's Farming Methods

Arkansas State was originally established as an agricultural school; it is appropriate that the college still boasts a fine Department of Agriculture.

Located in one of the nation's richest agricultural areas, the college farm is well equipped with the buildings, facilities, livestock, and machinery which are so essential for practical instructional purposes. An extensive curriculum enables the student to specialize in the phase of agriculture in which he is most interested. The department offers majors in agricultural education, animal husbandry, agricultural business and economics, general agriculture, horticulture, agronomy, and agricultural engineering. Arkansas State is fully approved by the United States Office of Education and by the State Board for Vocational Education of Arkansas as a teacher-training institution for instruction of vocational agriculture.

The department is geared to provide a liberal and general education, as well as thorough preparation in the fundamental science and practices of agriculture.

Dr. Olen P. Nail, professor of Agriculture Education and Head of the Agriculture Department, has satisfaction in knowing his students come to him with a definite goal in mind — to master the problems akin to the soil.

AGRICULTURE DEPARTMENT FACULTY (front row, left to right): Dr. L. N. Hochstetler, Dr. Amos B. Rougeau, Herman F.

Williams, Dr. Dewey McNiece, Dr. Russell H. Austin, (second row): James L. Davenport, Freddie J. Peterson, Dr. Olen P. Nail, and J. W. Murphey.

Top hands make up the Agriculture Department's Livestock Judging Team. These fellows are trained to know good cattle — a quality that can make money for a farm operator.

The question isn't who's on first, but who's on longest, as daredevils liven the annual Agri Day Rodeo. Here, spirited animals are herded toward the chutes.

A muddy track slowed the action this spring, but in some cases — this one in particular, accuracy was more important than speed. This A-Stater is eyeing a calf which is already as good as roped.

A new 1000-watt FM transmitter graces the Radio Department now. Operating on 91.9 megacycles, it provides power for the only non-commercial FM radio station in Arkansas.

“Just Takin’ it Easy, It’s My Lazy Day” might be the tune these disc jockies are playing. The College radio station, KASU-FM, is operated completely by Journalism students.

Beating the clock has become a daily habit for these State College Herald staffers. They’re preparing copy for the weekly college newspaper.

Modern Journalism For Communications

Arkansas State is recognized over a wide area as a producer of top-notch young people trained in journalism and its allied fields.

This reputation is a direct result of the goal of the Department of Radio, Journalism and Printing: to send skilled men and women with alert, disciplined minds into newspaper editorial rooms, radio stations, printing plants, and into research and teaching.

Students gain active on-the-air experience as they use the facilities of KASU-FM, Arkansas' only non-commercial, educational radio station. Valuable experience in newspaper journalism is provided through work on the "Herald" staff. The "Herald" is recognized as one of the leading college newspapers in the nation. Arkansas State is the only institution of higher learning in Arkansas which offers work leading to a degree in printing. The well-equipped printing plant provides practical experience in the different phases of printing.

Departmental organizations are Press Club, Graphic Arts Club, and KASU Broadcasters.

Head of the Department of Radio, Newspaper, and Printing, is L. W. "Tex" Plunkett, whose hearty laugh is his trademark. If you don't know "Tex," you don't know Arkansas State.

JOURNALISM DEPARTMENT FACULTY: (front row, left to right): Bob Kern, L. W. "Tex" Plunkett, Charles Rasberry. (back

row): Bob Roberts, Rob Ruff, and Bill Thornton.

Science Stirs Imagination Upward, Outward

Perhaps no field of learning is more exciting and challenging than that of science. Science plays an increasingly vital role in the world of today and will continue to do so in the world of tomorrow. At Arkansas State, the scientific studies assume a properly significant place in the curriculum. The program of the Science Department develops the skill and use of fundamental and scientific concepts. The faculty of the Science Department, headed by Dr. W. W. Nedrow, is the largest of any department at Ark. State — an indication of the emphasis A-State places on this important area of study.

Pre-professional courses offered by the department are physics, engineering, medicine, dentistry, pharmacy, nursing, and medical technology. The Science and Math Dept. has many excellent clubs affording various activities in which majoring students may participate and further their scientific prowess and search for knowledge. Examples of these many clubs include the Meter-Liter Club, open to any majoring student. Top students in the field are eligible for membership to Beta Beta Beta, a national honorary biological fraternity.

Dr. W. W. Nedrow, professor of Biology and head of the Science Department, attempts to guide his students in their search for the secrets of nature and the elements therein.

SCIENCE DEPARTMENT FACULTY (front row, left to right): Dr. Dewey H. Sifford, John Clark, Dr. W. W. Nedrow, Mrs. Melendia Bennett, Miss Flodell Appleton, Baird V. Keister, Daniel O. Felts, Roy F. Dawson. (second row): Dr. Howard Moore, Dr. Joe M. Anderson, Herman L. Bogan, Dean B. Ellis, Troy Blue, Vernon

Gifford, William Byrd, Dr. Shelton P. Applegate. (third row): Dr. Donald W. Hight, Earl Hanebrink, Dr. William B. McCrady, Dr. Eugene B. Wittlake, Michael B. Johnnedes, Marshall Matthews, and Elmer C. Mayes.

Many Science courses require long hours spent in the lab in order to master the scientific method.

Displays of scientific families and phylums are often very useful in helping the students learn and associate the various members one with another.

Long hours of study and careful analysis are necessary if one is to truly be orientated to the Sciences.

Practice makes perfect — that's the policy followed by Don Minx in regards to his marching Indians.

Art exhibits display the talents of young artists as they seek to develop latent skills and master accepted techniques.

Not to be excluded, vocal presentations played the equally important role of providing a cultural approach to music.

Fine Arts to Aid Creativity, Appreciation

Encouraging students to develop a more sensitive consciousness of design and beauty in the ordinary things of nature and daily life is one of the chief purposes of the Department of Fine Arts.

The department believes an emphasis should be placed upon man's aesthetic responses to his environment. The basic philosophy of the college stresses opportunity for students to develop natural capacities and talents. The Department of Fine Arts seeks to realize these goals through general classes for all students in addition to the specialized curricula for majors in the fine arts.

Students are encouraged to participate in the various activities sponsored by the department as a further means of giving dynamic meaning to their developing aesthetic perceptions. Art exhibits, musical organizations, and departmental clubs are included in the department's program. One of the most popular musical organizations of the department is the widely-acclaimed Indian Marching Band.

Dr. Duane H. Haskell, Professor of Music and Head of the Fine Arts Department, spearheads the drive to increase the appreciation for art and music among his students and stands ready to assist them in their learning process.

FINE ARTS DEPARTMENT FACULTY: (front row, left to right): Harold Worman, Miss Harriet Byrd, Mrs. Dorothy Clarke, Miss Mary Elizabeth Beck. (back row): Allen P. Lehl, Donald R.

Minx, David Niederbrach, Jan E. Seifert, A. Leonard Farley, Dan F. Howard.

Seniors

Class of 1962

The flying demon from Lambda Chi Alpha roars down the stretch in the fun-filled running of the pushcart derby.

Row 1: Glen D. Adams, Bono; Mary T. Adams, Jonesboro; Mary Adams, Caraway; Donald Alexander, Mountain Home; Carita Anderson, Lepanto; Howard Alsey, Jonesboro.

Row 2: Gilbert Arnold, Little Rock; Kareem Asal, Walnut Ridge; Joanna Ashley, Jonesboro; John Babb,

Portageville, Mo.; Loretta J. Bailey, Leachville; Roger W. Baldwin, Poplar Bluff, Mo.

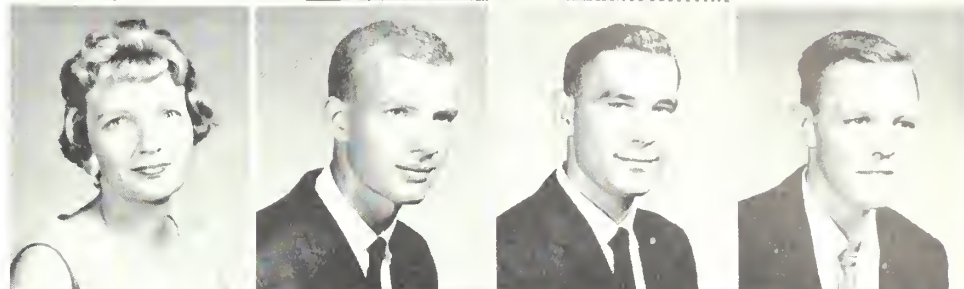

Row 3: Jerry L. Ballinger, Senath, Mo.; Linda Barnes, Jonesboro; Harvey E. Barton, Jonesboro; John Barton, Pine Bluff; Joe L. Bass, Lepanto; Doyne Frank Bateman, Paragould.

Row 1: Carolyn Bednar, Jonesboro; Richard Beeson, Parkin; Rebecca Belew, North Little Rock; Jimmie Sue Benton, Salem.

Row 2: Wilma W. Benton, Trumann; Robert Bigger, Pocahontas; Bobby Bivens, North Little Rock; Jimmy Blackburn, Paragould.

Row 3: Harold Blocker, Leachville; Dorothy Book, Bono; Robert Brakensick, Marked Tree; Rick Bramlett, Cardwell, Mo.

Row 4: Elaine Brann, Swifton; Mathilda Brasher, Laclede; Don Breyspraak, Mountain Home; Charles Brooks, Maynard.

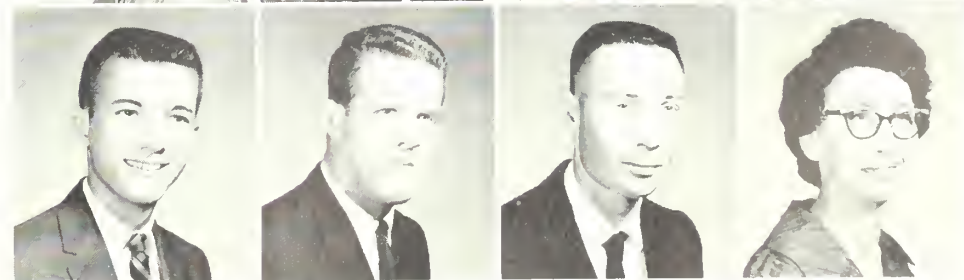

Row 5: James Brownstein, Newport; Bernice Bruner, Jonesboro; Dorothy Bruner, Bay; Charles Buchanan, Jonesboro.

Row 6: Jane Tribble, Blytheville; Barbara Trimble, Clarendon; A. J. Vangiler, Rector; Jerrell Vann, Matthews, Mo.; Donnie Wagner, Manila.

Row 7: Willard Walker, Jonesboro; Harold Webb, Union Hill; Billie Weedman, Blytheville; Bobby Wells, Alicia; Dale Wells, Detroit, Mich.

Row 8: Donald West, Arbyrd, Mo.; John Whitney, Malvern; Van Whittle, Blytheville; Cletus Williams, Tyronza; Clifford Williams, Lamar.

Row 9: James Williams, Jonesboro; Jerry Williams, Pocahontas; Norman Williams, Brinkley; Marilyn Willoughby, Marked Tree; Robert Wilson, Marianna.

Row 10: Rosemary Wilson, Williford; Andrew Wise, Neosha, Mo.; Maurice Wixon, Jonesboro; William Wyatt, Paragould; Ethel Jean Wyatt, Blytheville.

Not to be out-done by the men, the girls, too, have a well rounded intramural program.

Scotty East goes high and wide on his first broad jump try in the intramural track meet held in the spring.

Will he make it? Only time will tell for this high jump participant in the intramural track meet.

It's story time on the sidelines as these intramural swimmers await their event.

ORGANIZATIONS

Active membership in a balanced selection of campus organizations is a significant aspect of college life, second only, perhaps, to the curricular program with which the groups are so closely allied.

These organizations are usually categorized as social, departmental, religious, governmental, service, professional, or honorary. Such classification, however, is possibly misleading and somewhat inaccurate. No group is exclusively social or religious or governmental in nature—the functions and characteristics of each overlap and intermingle. The differences lie chiefly in points of emphasis.

Freshmen are often bewildered by the array of organizations to which they are invited to belong. Some join indiscriminately, only to find themselves too involved to benefit from or contribute to any of the groups. Others veer to the extreme of non-membership. With experience and the crystallization of interests, however, comes the ability to choose a program which is highly rewarding and satisfying.

The Student Government
chased a sign making machine
to aid faculty and student
preparing needed signs.

Highlighting the Student Government entertainment program for the year was the appearance of Pete Fountain and his combo in the Arkansas State fieldhouse.

Red tape prevails in the check and balance system employed during Student Government elections each year.

Providing a financial impetus for the Student Government activity, the store gives the students double service.

"To the victor belongs the spoils," and in this case the victor was new student body president Leavie Brickell.

Co-Editors

Monday morning spells typewriter time
as these Herald staff members race to
meet their deadline.

Arkansas State College Herald

The production of a successful college newspaper is a complex operation involving careful planning, journalistic know-how, and technical skill. Each week, the A-State HERALD is published by journalism and printing students under the watchful eyes and skillful direction of the department's faculty.

The process formally begins on Friday, when reporters are assigned a "beat," and progresses step by step until a new issue of the paper is distributed the following Friday.

Monday is a harrying day for the entire staff, as reporters and feature and editorial writers rush to meet the deadline. The editors' task begins after the stories have been turned in, and the paper starts to take shape as copy is edited, headlines are written, and layouts are planned. The copy goes next to the printers, where it is set in type, proofed, and finally sent to press.

But even as the latest issue is completed, work has begun on the next, and the cycle continues.

The 1961-1962 Marching Indian Band

Mr. Harold Warman takes the band through their paces as they tune up for a coming halftime show.

Band Director Don Minx suggests some changes in maneuver to be enacted at the close of the rest break.

Music Is For Real At A-State's Minxland

The old cliché "practice makes perfect" obviously holds true when applied to Arkansas State's Marching Indian Band, for practice they do—and perfection has been the result.

Guided by the tireless energies and nimble imagination of Director of Bands Don Minx, the Marching Indians are noted for precise, crowd-pleasing performances.

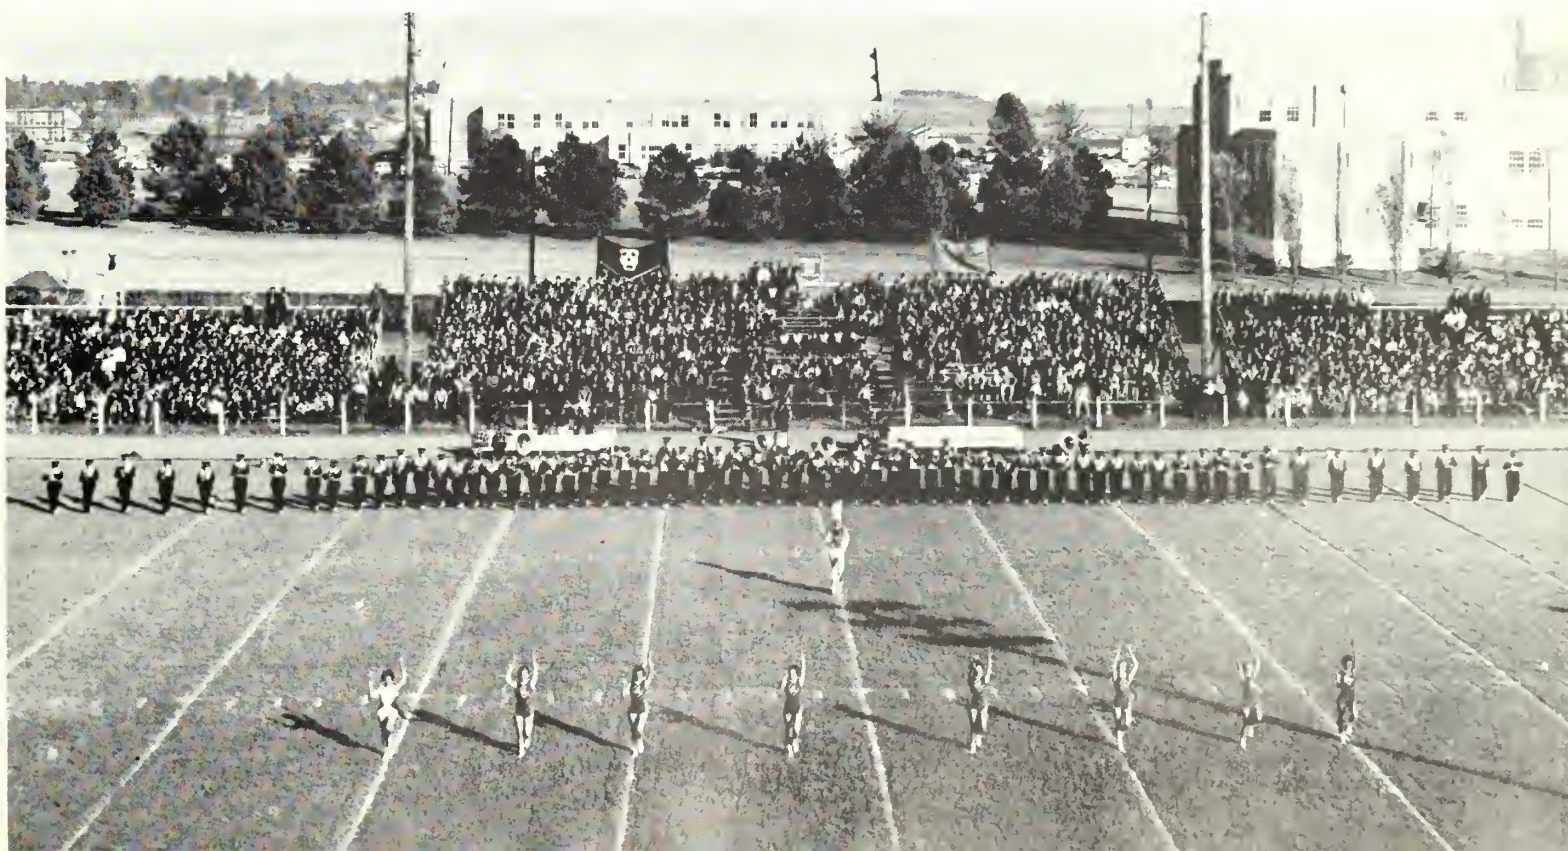

The sight and sound of the Marching Indians as they diligently rehearse have become familiar to A-Stat-ers. Nearly every afternoon during the football season, the band takes to the practice field to perfect its performance. Music can be heard all across the campus as the more than eighty members go through their paces. The band is led by nine majorettes, who practice their routines with equal application. Students gather to enjoy the music at close range and to preview Minx's showmanship for upcoming performances.

The results of this intensive training are demonstrated graphically whenever the Marching Indians perform.

The drummers must provide a steady tempo to serve as a coordinator in all movements.

And here they come! The marching band entertains in one of their many sterling halftime performances.

1962 INDIAN Staff

Bob Harrelson
Editor in Chief

1961-62—a school year to be recorded for an anxious student body through the compiling of an authentic account of events that shaped the year.

Falling heir to the mammoth job of presenting such a report, members of the 1962 Indian staff pooled their talents and settled down to the business at hand.

Let it not be said that the annual office was a den of idleness; on the contrary, it was a flurry of pounding typewriters, drawing layouts, arranging pictures, and the many other duties necessary in production of the yearbook. Long hours were spent in striving toward the ultimate—an annual which would be pleasing to each person who contributed to the complex overall pattern of the year.

The Indian of 1962 carries as its central theme student life as experienced by every student at Arkansas State. All pictures and copy incorporated into the book have been chosen and written in an attempt to portray the year as you knew it, lived it, and in years to come will remember it.

Community Service By The Circle "K"

Donnie Ruth Williams crowns Linda Worley Miss ASC and new Circle K sweetheart.

1961-1962 was a busy year for A-State members of Circle K International.

Among the projects of the club this year was the selling of hotdogs, first in the dorms and later to the R.O.T.C. cadets on drill days.

During the homecoming election, Circle K members aided the student government in running the polls and counting the ballots after they were cast.

Through assisting the Jonesboro mothers in the March of Dimes porch light campaign and lending a hand to the Kiwanis Club in their pancake day, members were able to serve others . . . thus fulfilling the ideal of their organization, "Service to one's fellowman."

The local chapter will send a delegation to the Circle K district convention at Little Rock and later will be represented at the international convention at San Diego.

Highlight of the year for the Circle K clubbers is the annual Miss A.S.C. contest. The winner of the contest automatically becomes the new chapter sweetheart and is entered in the Miss Arkansas pageant.

Miss ASC candidates were entertained with an afternoon pepsi party given by the Circle K.

Selling hotdogs and soft drinks to student cadets on drill day was one project of the Circle K this year.

Alpha Gamma Delta

Alpha Gamma Delta has the first Miss ASC to be sponsored in the Miss Arkansas Contest. At the Miss ASC review she also captured the trophies in the swim suit and formal competition. Scabbard and Blade Sweetheart and Circle K Sweetheart titles are also held by Alpha Gams. Alpha Gamma Delta has a cheerleader, majorette, and Homecoming maid. She has four girls in Arkettes, two girls named to Who's Who, and many girls in honorary fraternities.

Alpha Gams also hold offices in two of the girls' dormitories and take an active part in campus life.

The annual Benefit Talent Show was a highlight of the first semester as the Alpha Gams were able to make a large contribution to the Sorority's National Altruistic Project of helping Cerebral Palsied children.

The spring semester was busy as ever as the Anniversary Ball came in March. International Reunion Day, Parents Day, and a spring picnic were also events of this semester.

Alpha Gamma Delta had the highest grade point among the Greek organizations for the fall semester.

The Alpha Gams present a talent show each year with all proceeds going to charity.

Alpha Omicron Pi

Alpha Omicron Pi is once again proud of another year.

The first semester was highlighted with the annual Rose Ball, the only formal dance of the semester, which was truly "Wonderland by Night."

Honors were predominant in AOPi. Kay Hassel, Sandra Merguie, Hettye Sue Craver, and Sue Bowen served as Honorary Cadets with Sally Mickey as Honorary Cadet Colonel and Linda Huckabee serving as Pershing Rifle Sweetheart. Kay Benham, Hettye Sue Carver, Sandra Merguie, Sally Mickey, and Nancy Snipes were members of the majorette line for the Marching Indians. Three fraternities chose AOPi's as their sweethearts. These were Charlene Hughes Volkman, Pike Dreamgirl; Linda Huckabee, TKE Sweetheart; Emma Lee Reed Bass, LXA Crescent Girl; Charlotte Barkley, Sigma Pi Pledge Sweetheart of the fall semester. Emma Lee was also chosen as Homecoming maid. AOPi cheerleaders are Charlotte Barkley and Charlotte Smith. We had six entrants in the Miss A.S.C. Contest with Grovernell Gorham being chosen first alternate, Martha Burnside, Frances Farabee, Donna Calvert, and Frances Sanders are new members of Alpha Sigma Upsilon. Arkette members are Iva Ann Parker, Sandra Hart, Emma Lee Reed Bass, Diane Thompson, Charlotte Haynes, and Jackie Kimberlin.

Center of attention is this mishee as she is surrounded by members at the AOPi spring mish party.

First row, left to right: Brenda Boyd, Donna Calvert, Carol Cash, Hettye Sue Craver, Janice Garrett, Grovernell Gorham, Sandra Hart, Kay Hassel. *Second row:* Sandra Merguie, Carolyn McCarty, Linda McCarty, Bertha Nash, Carol Nash, Ann

Parker, Iva Ann Parker, Joyce Parker. *Third row:* Charlene Volkman, Judy Welch, Carol Werne, Donnie Ruth Williams, Laura Dean Williams, Susan Wolfe, Nancy Yarbrough, Earline Young.

Last minute preparations are made before rushees are admitted to the Chi Omega Suite for their spring rush party.

Chi Omega

Highlighting Chi Omega's spring semester is the annual spring dance. This year's theme was "Peppermint Lounge". The counts of Memphis provided music for the evening. A banquet preceded the dance at which time new officers were announced.

"Chi Omega USA" was the theme of this year's rush season. Two members of Chi Omega will attend the National Convention this summer.

Chi Omega captured many honors this year. Mary Eckler was elected to SGA; Rosemary Taggart was chosen as society editor of the *State College Herald*; LuAnn Dishinger was Homecoming Maid; Linda Hendrix and Mary Gay Hutcherson were chosen as cheerleaders; Sandra Blagg and Rosemary Taggart received roles in the spring play "Dear Ruth"; Linda Hendrix was an alternate in the Miss ASC Contest; LuAnn Dishinger was chosen Agri Queen; Paty Lee Smith won second place in the Talent Show.

Chi Omega participated in the Greek Songfest, speechfest, Talent Show, "Little 500", and all intramurals. The first place trophy was won in the TKE Finger Bowl Parade.

Other highlights of the year for Chi Omega were the pledge picnic, alumnus dinner parties, Founder's Day, the White Symphony Dinner, and Christmas Parties.

Chi Omega's dance theme "Peppermint Lounge" was well carried out in their annual spring dance.

First row, left to right: Melba Dixon, Vivian Dugan, Jean Hodges. Second row: Carol Hudson, Ann Parks, Carol Ryan. Third row: Ginger Schmidt, Rosemary Taggart.

Phi Mu

One of Phi Mu's outstanding honors of the fall semester was the election of Carolyn Cheek as Homecoming Queen. This is the ninth consecutive year that a member of Phi Mu has had this honor. Jeannie Bailey served as a Homecoming Maid.

Phi Mus were well represented in other areas on campus with Lynda Heath and Paula Adams serving as Majorettes for the Marching Indians Band; Jeannie Bailey, and Jackie Shelby serving as Cheerleaders; and Judy Hendrix, Connie Whitehead, and Jeannie Bailey being elected as ROTC Honorary Cadets. Charlotte Gamble was elected to SGA as Second Vice-President, and Patsy Jo Chaney and Jo Etta Shelby were class representatives.

Two Phi Mus, Bobette Buster and Charlotte Gamble, were chosen for Who's Who. Phi Mus serving as organizational presidents are Susan Taylor, Freshman Women's Scholastic Honorary; Bobette Buster, AWS; and Judy Hendrix, Modern Language Club. Patsy Jo Chaney was class editor of the INDIAN.

Betty Dee Keith reigned as Miss Merry Christmas, an honor held by a Phi Mu for six consecutive years. Phyllis Rowden was second runner-up to Miss ASC. Jeannie Bailey is the first Miss KASU.

Fraternity Sweethearts from Phi Mu are Carolyn Cheek, Sigma Phi Epsilon; and Lynda Heath, Sigma Pi.

Phi Mu sponsored the annual Phi Mu Playhouse and participated in Songfest, Speechfest, and Intramurals.

Active in all school activities, the Phi Mus were ably represented at the annual leadership retreat.

Service is important, too, as these Phi Mus illustrate by taking their turn in working at the polls in a student election.

Lambda Chi Alpha

For the seventh consecutive semester, Lambda Chi Alpha was on top in scholarship among the men's Greek organizations. Each semester since its founding in 1958, Iota Theta has made and broken campus scholarship records. The chapter was listed as Magna Cum Laude by the National Interfraternity Conference; it was in 12th place among the 2,330 national fraternity chapters which reported to the NIC.

The members and pledges of Iota-Theta were active in all A-State student competitions, participating in the Phi Mu Playhouse, Alpha Gamma Delta Talent Show, Alpha Omicron Pi Songfest, Homecoming Display competition, intramurals, and many others. First place trophies are in their possession for Phi Mu Playhouse, Alpha Omicron Pi Songfest, and Homecoming Display, along with Third place in the Alpha Gam Talent Show.

Lambda Chis in Campus Leadership Positions include: In S. G. A. — Representatives Marvin Buerkle, Charlie Crow, Mike Phillips, and Richard McCann. Organization Presidents — Wayne Stevens, Kappa Pi; Jim Hill, Beta Beta Beta; Warren Dupwe, Newman Club. Horace Hinshaw and Richard McCann were Co-editors of the State College Herald, and Bob Harrelson was Editor-in-chief of the Indian. Jim Hill, Charlie Crow, Don Morgan, and Bill Camp were named to Who's Who in American Colleges and Universities.

Miss Emma Lee Reed, Alpha Omicron Pi, and Lambda Chi Alpha Crescent Girl, was elected Homecoming Maid.

The chapter was awarded national trophies for outstanding scholarship and for publishing the best alumni Newsletter in the national fraternity.

The annual Crescent Ball ended the year's activities.

Pi Kappa Alpha

When the Pikes returned to A-State campus, the first task was to paint the St. Andrew Mission Church as their community project. This project was followed by many long hours of hard work on the Homecoming Display, "Around the Thoroughbreds in 80 Plays."

For the second straight year Pi Kappa Alpha received first place in Alpha Gamma Delta Talent Show. A second place was gained by the football team among fraternities.

The many travels of the Pikes this year include a trip to Mississippi State, to the District meeting in Memphis, and a planned trip to the National Convention in Kentucky this summer.

The Annual Parent's Day, Dream Girl Dance, rush parties, and numerous informal parties provided entertainment throughout the year.

A total of 25 pledges was initiated by Delta Theta this year.

Sigma Phi Epsilon

Miss Carolyn Check, who was the 1961-62 Sig Ep Sweetheart and a member of the Phi Mu Fraternity was elected Homecoming Queen during the fall semester. Queen Carolyn or "Checker," as she is known by her friends, reigned over the homecoming week and festivities.

The Sig Eps set up road-blocks in and around Jonesboro one Sunday afternoon and collected over \$505 for the Heart Fund Drive. The Sig Eps have participated in the heart fund drive for the last five years and have collected over \$1,900.

Elected to Student Government Positions were: Leavie Brickell, First Vice-President; James Clingsmith, Junior Class President; Mike Carter and Orville Parsons, Freshmen Representatives; and Corky Ennis, Sophomore Representatives.

The Sig Eps published their annual newsletter, "The Sig Escapade," during the spring semester and a copy was sent to the other 181 chapters and all the alumni of the Arkansas Gamma Chapter.

The "Mar-Keys," the nations number one instrumental band, provided the entertainment for the Sigma Phi Epsilon Queen of Hearts Ball held during the spring semester.

Sigma Phi Epsilon participated in the Phi Mu Playhouse, Alpha Omicron Pi Songfest, Alpha Gamma Delta Talent Show, Homecoming Display competition, Intramural Sports, and many others. The Sig Eps also sponsored the second and third place winners in the Miss ASC Contest.

A total of 43 men were pledged by Arkansas Gamma this year.

First row, left to right: Homer Gardner, Jack Goodman, Vance Guffey, Elbert Hawkins. Second row: Allen Hawley, Doyne Haynes, Bill Hughes, Jerry James. Third row: Charles Johnson, Robert Jones, Conrad Kerst, Leroy Kerst. Fourth row: Kenny Landrum, Jim Lentz, Steve Moncrief, Herman Moore.

Sigma Pi

Alpha Pi Chapter of Sigma Pi Fraternity was granted its charter March 4, 1918 to become the first national fraternity on the ASC campus.

The fraternity participated in all campus activities and received the ASC intramurals sweepstakes trophy for 1960-61 during the fall.

Several Sigma Pi's held important positions in other campus organizations and clubs. Bob Tucker served as co-editor of the State College Herald, Glynn Poe was president of Circle K, Jerry Malone served as president of the ASC Business & Accounting Club, and Bill Smith was appointed assistant basketball coach of the Indian Varsity.

Three members of Alpha Pi chapter, Warren Moore, Glynn Poe, and Dave Wertz, were named to Who's Who in American Colleges and Universities.

The fraternity was represented on all athletic teams and the starting five players in the 61-62 Indian basketball squad were all members or pledges of Sigma Pi.

A total of 44 men pledged Sigma Pi during the 1961-62 year.

The fraternities spring formal, the Orchid Ball, was a huge success, as well as many other informal parties.

First row, left to right: Tommy Allen, Frank Benedick, Bill Bethel, Rick Blanton. Second row: Don Brawley, Terry Butler, Harold Callahan, David Chandler. Third row: Richard Compton, Jim Cruce, Gerald Cunningham, James Dawson. Fourth row: Richard Dishinger, Roger Desganges, Robert Everett, Stanley Forrester.

Tau Kappa Epsilon

Tau Kappa Epsilon participated in all social and intramural events such as the Phi Mu Playhouse, AOPi Songfest, Alpha Gam Talent Show, football, basketball and all other sports this year.

The Tekes lost only one game during the season but beat all the other fraternities in football.

Five Tekes are members of the SGA including the freshman and sophomore and senior class presidents. The presidents of Alpha Kappa Psi, Alpha Psi Omega, Arrowhead Players were all Tekes and many other lower offices were filled by Tekes. Four Fraters were selected for Who's Who in American Colleges and Universities.

Larry Peebles was named as Battle Group Commander for the 61-62 school year. Larry is a Cadet Colonel.

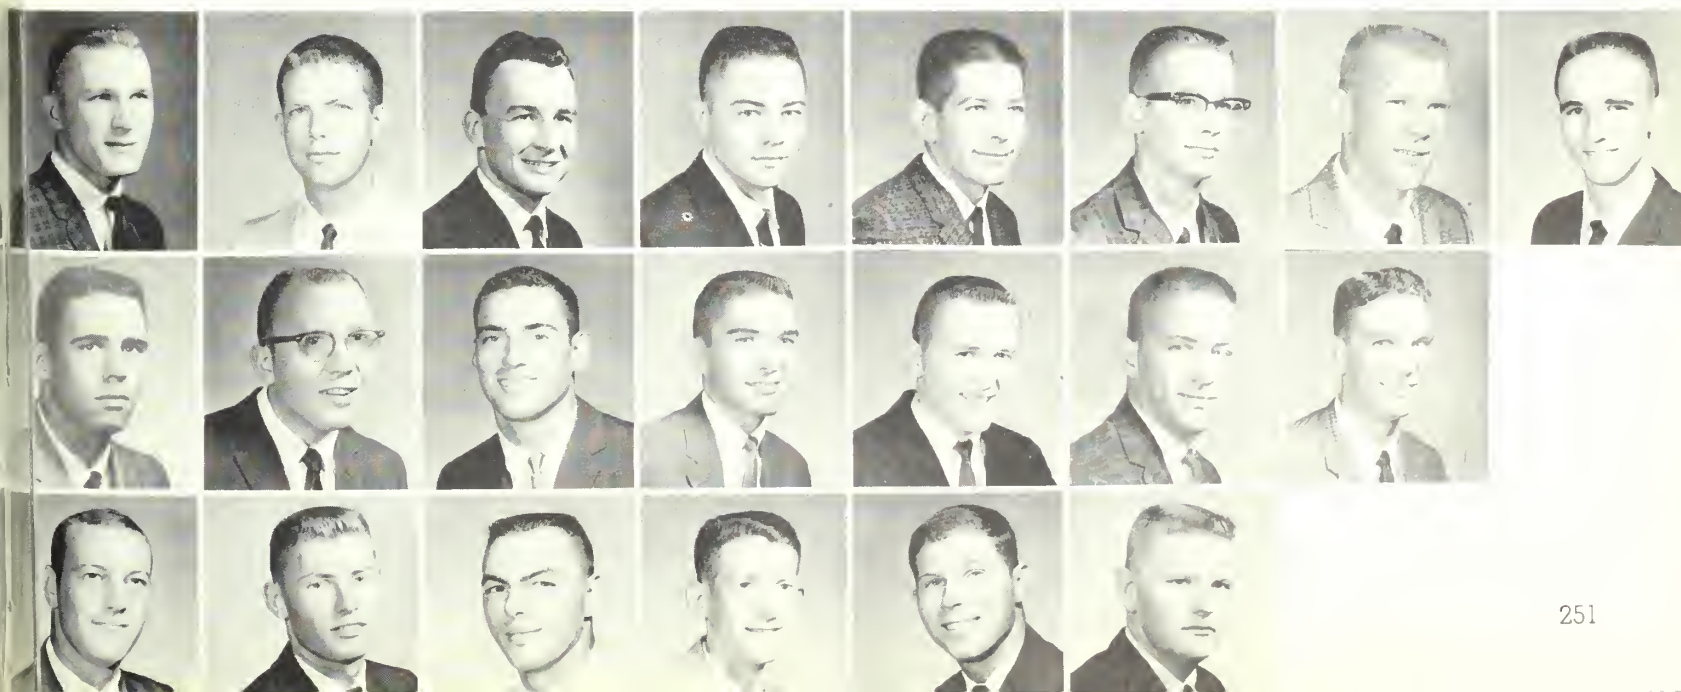

Some of the charitable projects helped by TKE were the Goodfellow Christmas Drive, Salvation Army and the Craighead County rest home.

ATHLETICS

The story of athletics at Arkansas State for 1961-62 ranges from pathos and heartache to intense excitement and frenzied empathetic joy. We remember "feeling with" our athletic teams when they fought valiantly against overwhelming odds. We also remember with deep satisfaction such high moments as the Homecoming victory over Murray State in football and the basketball team's electrifying wins over Southeast Missouri State and The Citadel. It was a year of remarkable success and tragic failure. We shall always remember the 1961-62 Indian football eleven, the basketball quintet, the baseball nine and the track squad. We will long remember names like Sammy Weir, Frank Smith, Hasselle McCain, Larry Peebles, Jerry Rook, Gaylon Ward, Warren Moore, Don Shatley, Jim McMurray, David Gunn, Marvin Hagaman, Jack Goodman, Jerry Huffstetler, Bill Smith, Jim McKay, Fred Mitchell, Harold Callahan, Jerry Hudgins, Gary Holland, J. W. Seymour, and Bill Berry. In the following pages we have attempted to tell the story of the 1961-62 athletic teams.

"Ike" Directs Athletics For Sixteenth Year

In his sixteenth year as athletic director at Arkansas State, J. A. "Ike" Tomlinson has proved again why he is one of the most respected and widely-known men in college athletic circles. Last spring, a major portion of his athletic facilities were viciously wrecked by a small tornado. With an unconquerable spirit, Ike and his staff garnered records and equipment from the wreckage, and the A-State athletic program limped on. Now, a year later, the disaster has been turned into progress. A-State sports the finest athletic facilities in its history. During his stay at A-State he has coached football, basketball, and baseball. He now confines his extra-director activities to baseball. His Indian nines have annually held their own against one of the most rugged college baseball schedules in the nation.

The personality and character of Coach Ike are major reasons for the steady progress in the level of athletics at Arkansas State. During Ike's tenure A-State has risen from a perennial AIC power to an independent too strong for AIC competition. We believe that Indian athletic teams, by competing favorably against rugged schedules set up by Ike and his staff, have proved that Arkansas State is ready for conference competition comparable to the Missouri Valley Conference.

Coach Ike came to State in 1913. He assumed full-time directorship in 1916. Ike has held such honorary positions as president of the American Colleges Baseball Association.

John Rauth
Basketball Coach

J. A. "Ike" Tomlinson
Athletic Director

John Rauth, colorful, dynamic Indian basketball coach, ended his 13th season at Arkansas State. It was another year of intense excitement as his hustling cagers time and again pulled victory from the fires in the last tense seconds of the game. Coach Rauth has had few losing teams during his tenure at Arkansas State and his won-loss record for 13 seasons stands well above the .500 mark. Even in "off seasons" his teams have almost won half their games. This is a remarkable achievement considering that Rauth's teams always play an ambitious schedule.

Beginning his 26th year as a coach Rauth looked for no more than an "average" season. He had only two starters returning from last year's team, and the remainder of his squad was composed of freshmen and sophomores. Before the end of the season, however, Coach Rauth had scrapped together from his list of a few returning lettermen, several junior college transfers, and an excellent group of freshmen one of the best units ever to play on the A-State hardwood.

Coach Rauth came to Arkansas State in 1947 after several successful seasons of coaching high school basketball in Illinois. He is a popular speaker at banquets, civic meetings, coaches clinics and sports officials meetings. He has served on the research committee of National Basketball Coaches Association, examining rule changes.

Ending his second year as head football coach is King Block. He is no new figure at A-State having previously served five years as backfield coach. Fans will long remember Block's first year as head mentor. That year he led a depth-thin Indian eleven to several stunning upsets of powerful, nationally ranked football machines. Such teams as Mississippi Southern and Louisiana Tech were victims of the struggling, stouthearted Tribe. This year Block and his staff worked just as hard. The Indians played just as valiantly. But the enemies, having learned the hard way to respect the Tribe, were not to be surprised again.

King Block is one of the most dedicated men to ever be Indian head football coach. He presents a tough exterior and commands his player's respect. Underneath the rugged exterior lies a deep-seated sympathy with and concern for humanity.

Coach Block attended Idaho University where he was a great fullback. He came to Arkansas State as a backfield coach when Gene Harlow was head football mentor. Block also served as backfield coach under head coach Hugh Taylor, and when Taylor left was promoted to head coach.

Coach Block is ably assisted by J. L. Johnson, end and center coach; Jimmy Jackson, line coach; Larry Lacewell, freshman coach; and Bill Caldwell, backfield coach. This was Caldwell's first year as an Indian coach. As an All-American at A-State he set 16 new school records.

Improved Indians Find Foes Waiting

At the beginning of the 1961 season Arkansas State fans were optimistic. Last year's underdog Tribe had stunned several powerful foes, and it was virtually the same crew of Indians returning this year. The Redmen began the season well enough with a convincing win over the University of North Dakota. At this point everyone thought the Indians were off to a great season. But the great season never came. The Indians did not give up. They played their hearts out every game, but the teams which had been dramatically upset last year were lying in ambush for this year's Tribe. Such teams as Mississippi Southern and Louisiana Tech revenged themselves against the Indians.

Despite the 3-6 record, Arkansas State still played some great football. We shall long remember the heroic efforts of our football players, efforts sometimes made in futility against overwhelming odds. We shall always remember the 1961 Indians because they never quit fighting, and because they are a part of us. Football serves many purposes here at Arkansas State. It gives students and players an outlet for pent-up emotions; it promotes school spirit and public relations; it provides opportunities for cultural exchange.

Tribe in Convincing Rout of Coyotes

The Arkansas State Indians began the season by soundly thrashing the University of South Dakota Coyotes 21-9 at Vermillion. The two teams battled evenly for the first three quarters with A-State holding a narrow 7-6 lead at the end of the third quarter. Then, in the opening moments of the fourth quarter the Tribe's great little Sammy Weir climaxed a 66-yard drive by racing 30 yards for the touchdown. Later in the quarter the Redmen added unnecessary insurance. Sammy Weir set up the score by returning an intercepted pass to the South Dakota 10 yard line. After a penalty moved the ball to the five, Jack Sugg smashed into the end zone on his second attempt at the stout Dakota line. Meanwhile, the Coyotes added a field goal, but it was all in vain. Allen Stolt scored the Indians' first touchdown on a one-yard plunge in the second quarter. Offensively for the Tribe it was mostly Sammy Weir who racked up 101 yards on the ground and 43 yards on pass receptions and Jim McMurray who completed four of eight passes for 85 yards. Marvin Hagaman and Sammy Weir were the defensive stars. A quick Redskin defensive secondary allowed South Dakota to complete only three of 21 passes, and the rugged Indian line led by such stalwarts as Frank Smith, Jack Burns, Jack Goodman, Hasselle McCain, Jack Everett, and Gilbert Arnold gave little ground to the Coyotes' forward wall.

THE REFEREES don't catch 'em all. An opponent uses a handy gadget to get an Indian out of the way.

GOOD BLOCKING cleared the way for A-State halfback Donnie Dunston. Jim McMurray got his man, and so did a few other Indians.

Bitter from last year's stunning upset, the powerful, nationally ranked Louisiana Tech Bulldogs wreaked revenge on a crew of Arkansas State Indians who seemed unable to do anything right. It was one of those nights that coaches, team and fans like to forget. When the final gun sounded it was Arkansas State 8, Louisiana Tech 47. In a night marred by seven Tribe fumbles, the Redmen managed to muster one scoring drive culminated by a 17-yard pass from freshman Gary Everett to Sammy Weir. The tenacious Bulldog defense allowed the Indians a net of only three yards rushing, but three Arkansas State quarterbacks, Jim McMurray, Everett, and Sammy Weir combined to complete 12 of 23 passes for 128 yards. Amassing a total offense of 414 yards, the Tech Dogs needed little help from the Redmen. However, alert Bayou Canines pounced on five of State's seven fumbles converting several into quick scores. The Indians played honorably enough. In fact, the game might have been close except for that spasmodic human element, the tendency to make mistakes, which sometimes nullifies heroic effort and destroys that essential unity necessary for the proper functioning of a football machine. Arkansas State's football players must have felt something like the little man who kept trying to push a huge rock up a cliff but never got anywhere; all the force of his striving served only to keep the rock from sliding down the hill.

Champions of the Alabama Collegiate and NATA conferences, the Florence State Lions brought powerful single-wing football to Kays Field. But the Indians of Arkansas State, smoldering with wrath after their humiliation at Ruston, Louisiana, were not to be denied victory this afternoon. The Tribe's forward wall conquered one of the finest Florence State lines in history. In this lies the story of the game. Aided by the savage line-play, fullback Dick Martillo smashed out 94 yards and halfback-quarterback Sammy Weir squirmed for 90 more to lead a Redman ground attack which chewed-up 305 yards. Much credit is due to the Arkansas State defense which adjusted brilliantly to the Lions' single-wing attack. Final score was the Indians 14, Florence State 6. The first Tribe score came midway in the second period on a three-yard plunge by Martillo. Long runs by quarterback Jim McMurray and Martillo highlighted the 60-yard drive to paydirt. Late in the third quarter, runs by Martillo, Weir, and Earl Michles ate up major portions of a drive which brought the ball to the Florence nine-yard line. From there, halfback Donnie Dunston sprinted into the end zone for the final Arkansas State tally. It was a day that we shall long remember. The Redmen worked together with relentless precision making an impressive victory.

Field-Goal Drops Struggling Indians

The Montana State Bobcats visited Indian land for the first time in the Bobcat-Indian series and brought with them an improved ball club. With nine starters returning from last year's squad which massacred the Redskins 26-7 at Bozeman, the Rocky Mountain boys expected an easy victory. This, they were not to get. Although the Cats moved the ball easily enough, piling up 342 yards total offense, the Redman defense allowed the mountain crew to cross the Tribe goal line only once. Finally, when a Montana State drive fizzled out on the Arkansas State 15-yard line, the Bobcats' Phil Schneider kicked a field goal to break a 6-6 tie. The Indian offense never got rolling as indicated by a total offense of 109 yards. The lone State touchdown was scored by Dick Marillo on a one-yard run. One of the bright spots of the night was the proficient punting of Jake Darby. He booted four times for a 46.5 yard average. Jim McMurray and Sammy Weir, although not having a particularly good night, led the Indian offense with 38 and 33 yards, respectively. Two big Bobcat ends are largely responsible for A-State's offensive showing. Time and again, the big ends swatted down the little halfbacks trying to block them and stopped our wide stuff cold.

SEVERAL INDIANS gang up to stop this ball carrier. Gone wards off a blocker.

Bulldog Depth Takes Toll on Redmen

Arkansas State's battling Indians held the mighty Southeast Conference Mississippi State Bulldogs to a meager 3-0 lead through the first quarter before superior personnel and greater over-all depth took their toll. In the second quarter the Maroons burst loose with two touchdowns, increasing their lead to 17-0 at the half. The Redmen were never to dent the scoring column, and the Bulldogs went on to win 38-0. It is perhaps some consolation to Arkansas State fans to remember that Tribe reserve units made just as good a showing as the regulars. The Indian offense washeld to a scimpy 98 yards while Mississippi State rolled up 424. It was a long, lonely ride from Starkville to Jonesboro for the weary Redmen. But strong competition makes a football team better. Earlier in the season the Tribe was shellacked by Louisiana Tech. The next week the Redskins bounced back to defeat the rugged Florence State Lions. The Indian record now stood at 2-3 and Tribe fans wondered if the Redmen could bounce back against Mississippi Southern in the next outing. Sunday following the Mississippi State game the Big Red hit the practice field to begin preparations for the contest with the Southerners. As they had done all season long, the Indians practiced every afternoon and watched game movies at night. They were ready when they went to Mississippi Southern.

ALL GOOD THINGS must come to an end, and the end is in sight for Clinton Gore.

A *TRIBE* BLOCKER plows into two opponents, Sammy Weir has already been tripped up.

Although Mississippi Southern won 20-0, this game was a moral victory for the big Red. The Indians were high and played inspired football. Any one near Faulkner Field in Hattiesburg could have heard the leather popping as both teams blocked and tackled savagely. The fierce play of both teams called back memories of last year's great Homecoming battle at Kays Field in which the heroic Redmen dazed the nationally ranked Southerners 15-14. We feel no remorse about this loss. In fact, we feel an exalted empathy with our Indians because they played better than their best and still came up loser. This game was an excellent preliminary for the dramatic Homecoming clash with Murray State. Statistically, the Southerners piled up 292 yards while the Indian offense accumulated 131. Jim McMurray led the Tribe offense with 37 yards on the ground and 68 yards through the airways as he completed five of eight passes. Richard Martillo got off two tremendous quick-kicks averaging 60 yards a boot. This year, the Southerners, like other Indian opponents, prepared for the Redskin tilt with a hard-earned respect in the back of their minds, and were not to be again surprised by Arkansas State. This respect had come about after last year's upset had brought them tumbling down from the sneering heights of their ivory towers. The A-State record has not improved much in the last two years, but we have seen a definite improvement in the quality of football being played.

Big Red Powers to 22-14 Homecoming

Elaborate preparations were made by student body, faculty, football team, and coaches to make this game the pinnacle of the 1961 season. And pinnacle it was as the Arkansas State Indians put on one of the best shows in Tribe football history by smashing to a hard-fought 22-14 Homecoming victory before a packed stadium of screaming fans. Murray State's Thoroughbreds won the battle as far as statistics were concerned, but Arkansas State was equal to the task when the chips were down. The contest featured everything in the way of football

dramatics—freak plays, long pass plays, pass interceptions, great individual efforts, extraordinary team play. It was a great day for win-starved players and fans.

The Redmen's first score came two plays after Hassell McCain intercepted a Racer pass on the Murray State 20-yard line and returned it to the six. A pass from Jim McMurray to Allan Stolt was good for the six-pointer. The Tribe's second touchdown was set up by a freak play. Sammy Weir fired a pass down the middle intended for McCain. The aerial bounced off McCain

TOO LATE are the two gentlemen in white. Weir scores again.

SAMMY WEIR looks for running room as two Murray State tacklers close in. There was none.

into the waiting arms of freshman halfback Bill Berry who raced to the Thoroughbred one-yard line. The play covered 64 yards. Allan Stolt scored his second touchdown of the day on a one-yard plunge. The final Arkansas State tally came late in the game breaking a 14-14 tie and giving the Indians the win. Fabulous little Sammy Weir put on a one-man show in engineering this last scoring drive. The Redmen marched 67 yards in 11 plays. Faking, side-stepping, zigging, zagging, out-running defenders, Weir gained 38 of those yards in five carries. Finally, the unstoppable little quarterback rolled out and sprinted the last five yards to the end-zone while 5,000 hoarse fans stood and yelled "Run! Sammy, Run!" As a perfect climax, Sammy added his second two-pointer of the day on an end sweep. For Weir it was another day of personal triumph. Time after time it looked like Sammy was trapped behind the line of scrimmage; but sometimes with a flip of the hip, sometimes with a sharp cut, or sometimes with a burst of speed little Sam managed to break loose for sizeable gains.

WHERE TO NOW asks Jim McMurray as unfriendly bruises close in. To earth, to earth, and quick.

Wisconsin State Defeats Indians

Richard Martillo
fullback

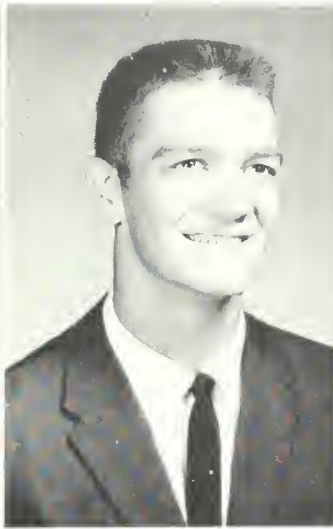

Donald Perkins
end

The Indians' chances for a winning season hinged on this game and it was a heartbroken, despondent crew of Redmen that left the field after the unbearable 9-7 loss to the Warhawks of Wisconsin State. Although Wisconsin had a slight edge in statistics, it appeared that the Warhawks would never cross the Tribe goal line. But, when another Wisconsin drive was running out of gas just inside Redskin territory, the Warhawk quarterback heaved a long aerial toward the A-State goal line, and a great Wisconsin State end leaped between two defenders, grabbed the pass and fell into the end zone. Later, the lads from Wisconsin added a field goal to ice the victory. The Indians' futile six-pointer came on perhaps the most beautiful play of the season. A Wisconsin State punt was gathered in by Sammy Weir on the Arkansas State 20-yard line. Weir handed off to freshman halfback Bill Berry and executed a brilliant fake. Indian blockers chopped down Warhawks like a McCormick reaper, and the fleetfooted halfback streaked down the sidelines unscathed for 80 yards and the touchdown. This was the only time during the long afternoon that Tribe fans yelled with any degree of enthusiasm. Kays Field sounded almost empty that day except for a tiny, boisterous group of Wisconsin State students whose loud cheering offset the silent pathos of Redskin fans.

Citadel Tops Redmen in Last Game

Starving for victory in this last game of the season, the Arkansas State Indians battled their hearts out against The Citadel Bulldogs at Charleston, South Carolina. The Bulldogs won the game 21-6, but the Indians can well be proud of the way they played. The Tribe held the great Early Eastburn, fantastic Citadel halfback, to a net of five yards rushing. The Indian offense, led by Richard Martillo, Allan Stolt, and Clinton Gore, racked up 212 yards on the ground, 53 yards passing and a total offense of 265 yards. Although winning by two touchdowns, the Cadets were able to gain only 146 yards rushing, 133 yards passing, and a total offense of 279 yards. A vital factor in the loss was 50 yards of penalties marked off against the Tribe as compared with none against the Citadel. Joe Turner scored State's touchdown by snaring an errant Cadet pass and returning it 31 yards for the score. It was the last Indian game forever for these stalwart Redmen: Gilbert Arnold, Frank Smith, David Gunn, Jack Burns, Jack Everett, Larry Peebles, Jim McMurray, Allan Stolt, Earl Ray Michles, and Bill Gray. It was not a great year for football at Arkansas State, but it was a year in which some of the greatest football that can be remembered at A-State was played. The Indians did not win so many games, but they gave us a football team that would go out and trade licks with the best of them. The Redmen were sometimes out-manned, they sometimes made mistakes, but they were never outplayed.

YOU ARE RIGHT, Jim did not get out of this one, but he did gain some yardage for the Redskins.

Green Unit Jells into Red-Hot Team

DON SHATLEY fires from 15 feet out. Mark up two more points for the Indians. Shatley's unique jump-shot has been important to the Tribe.

Coach John Rauth was not very optimistic before this basketball season. He had expected an average season. He had good reason to be slightly pessimistic, for he had lost three starters from last season's quintet. Several outstanding high school players had been signed, but he thought he would have to wait for his freshmen to develop. To his, and everyone's, surprise, a unit composed of a few returning lettermen, some junior college transfers, and Jerry Rook, the fabulous freshman, jelled and Arkansas State had one of its best basketball seasons in years. With Don Shatley, Jerry Rook, Warren Moore, Gaylon Ward, Gary Holland, and Harold Callahan leading the way the Indians got off to a red-hot start. They won nine out of the first 13 games.

Basketball had a new face at A-State due to last year's tornado which ripped through the former Red-skin fieldhouse. This year the Tribe five played in a magnificent new gymnasium. Scoring records fell by the wayside as the Redmen bombed the nets before larger crowds made possible by the new facilities. The outlook for years to come is very bright, since the only starter the Indians will lose by graduation is Warren Moore. It should be more than interesting to watch the progress of Rook, Ward, Thurman, Callahan, Hudgins, Shatley, Holland, and others.

JOHN RAUTH, completing his 26th year of basketball coaching, had another good year at Arkansas State as was to be expected

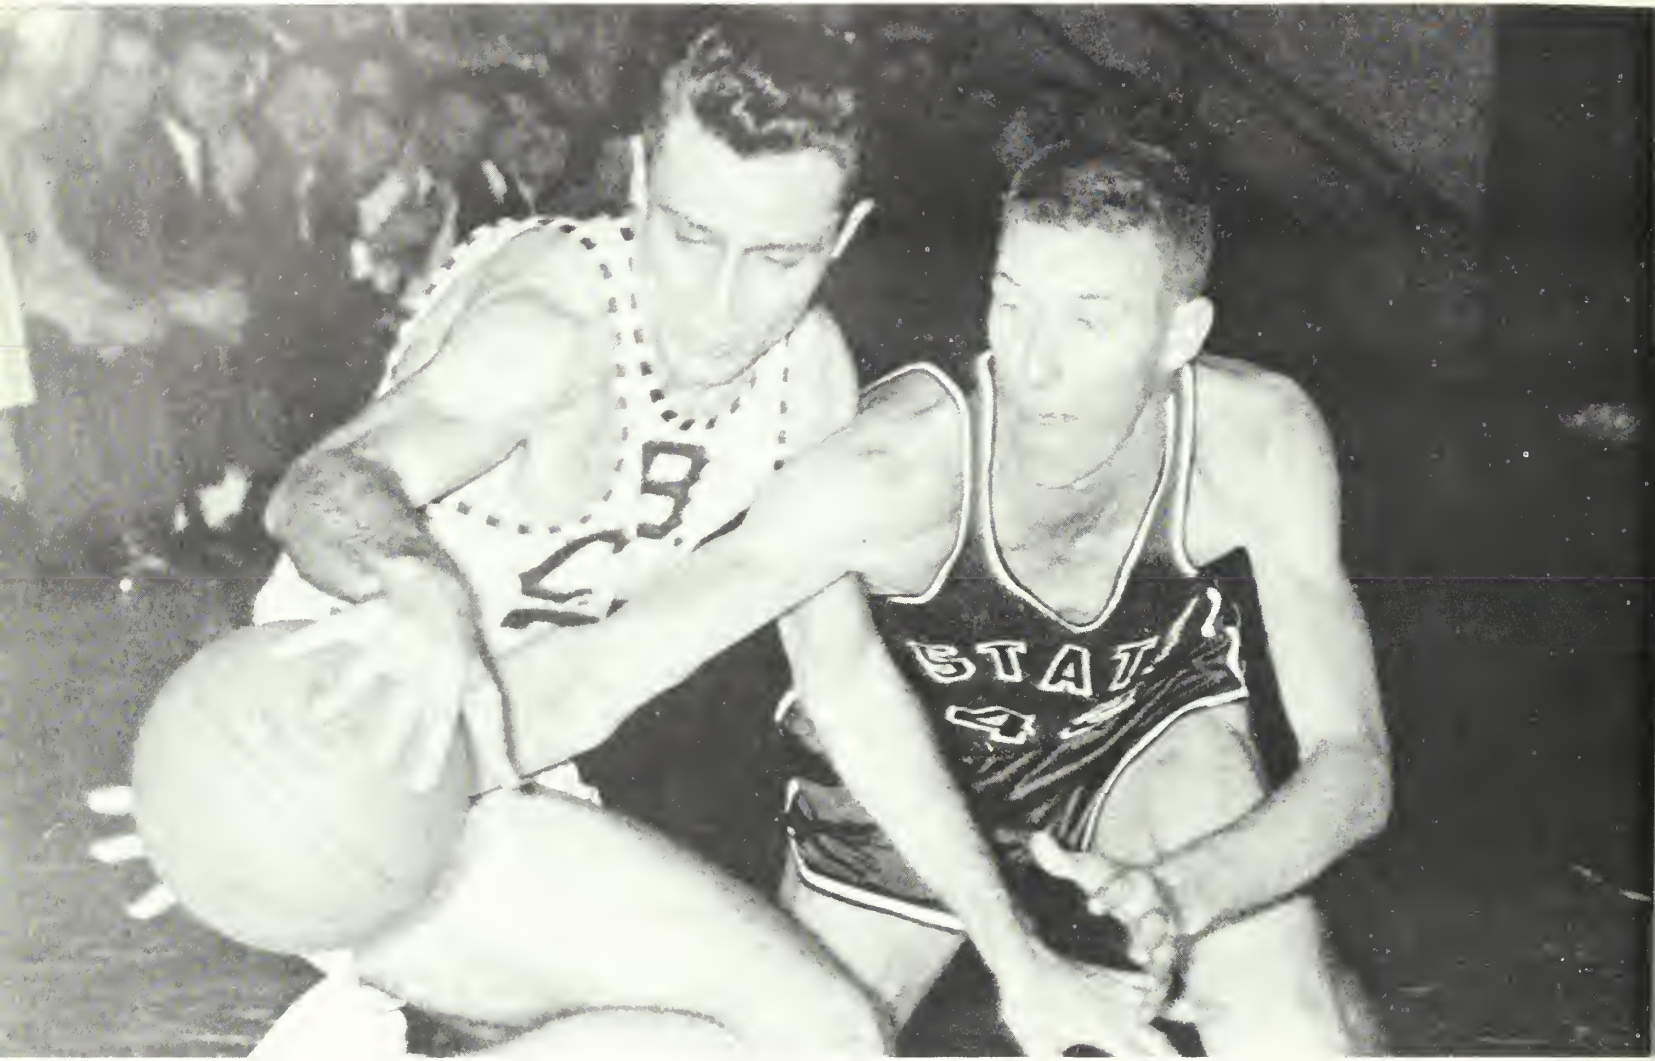

THE 1961-62 INDIANS — *Front Row, from left:* Harold Callahan, Don Shatley, Gaylon Ward, Jerry Hudgins, Warren Moore, Jerry Roak, Gary Holland. *Second Row:* Jim Keller, Ron Volkman, Hugh James, Roger Armbrust, Dave Markovich, Stanley Takas. *Third Row:* Dave Crosley, Ronnie Bridges, Steve Crews, James Dawson, and George Nelson.

HAROLD CALLAHAN puts on a dribbling show for the fans and gets out of trouble.

JERRY ROOK goes high to add two more points to the Indian's score.

The competitive spirit of the Redskins is shown by Jerry Hudgins as he scraps for possession of the ball.

Tribe Victorious Over Texas Five

The Indians began their ambitious schedule by edging powerful Texas Wesleyan 87-83 in the first game played in the marvelous new fieldhouse. Texas led 75-74 with 5:19 left. Gaylor Ward sank a two-pointer for Arkansas State, and the Tribe led the rest of the way. Don Shatley was high point man for the Indians as he fired for 22 points. Gaylon Ward notched 18 points and Jerry Rook, whose nine rebounds was high for both teams, added 17. Warren Moore and Jerry Hudges had 16 and 10 respectively to put five Redskins in double figures. Pete Brown of Texas Wesleyan carried away high point honors with a stupendous 31-point scoring spree.

It was a great team victory for the young Redmen as the mostly green Indians worked together marvelously. The scoring, the rebounding, the shooting, was almost evenly split up! In this game the Tribe quintet began to weld together, and the seeds of a great team spirit burst forth and began to grow. Before not too many more games had passed into history Arkansas State fans and players had worked into a red hot basketball fever.

Cape beaten for first time in three years.

Amid the crashing thunder of a wild, screaming hometown crowd, the Arkansas State Indians pulled from behind in the waning seconds of the Southeast Missouri clash to win by one slim, beautiful, wonderful, marvelous point, 66-65. It was the first time that an Arkansas State team had defeated Southeast in three years. Those who saw the game will always remember how it happened. With 2:33 remaining the Cape Indians led 64-57. Then, in the breathtaking, scintillating moments left the A-State cagers pulled a major miracle. The surging Redskins held Southeast to one point for the rest of the game. With a meager seven seconds showing on the clock the Missouri Redmen still led by one point. It was then that Don Shatley dropped in a two-pointer from two feet out to put A-State in the lead to stay. Warren Moore stole the ball from Southeast's Bill Reiche to sew up the victory. Shatley led State scoring and rebounding with 15 points and 10 rebounds.

Close behind were Ward with 11, Holland with 13 and Hudgins with 11. Bill Giesing of Cape was high point man of the game, pumping in 23 points, but the balanced attack of the Tribe spelled defeat for Southeast.

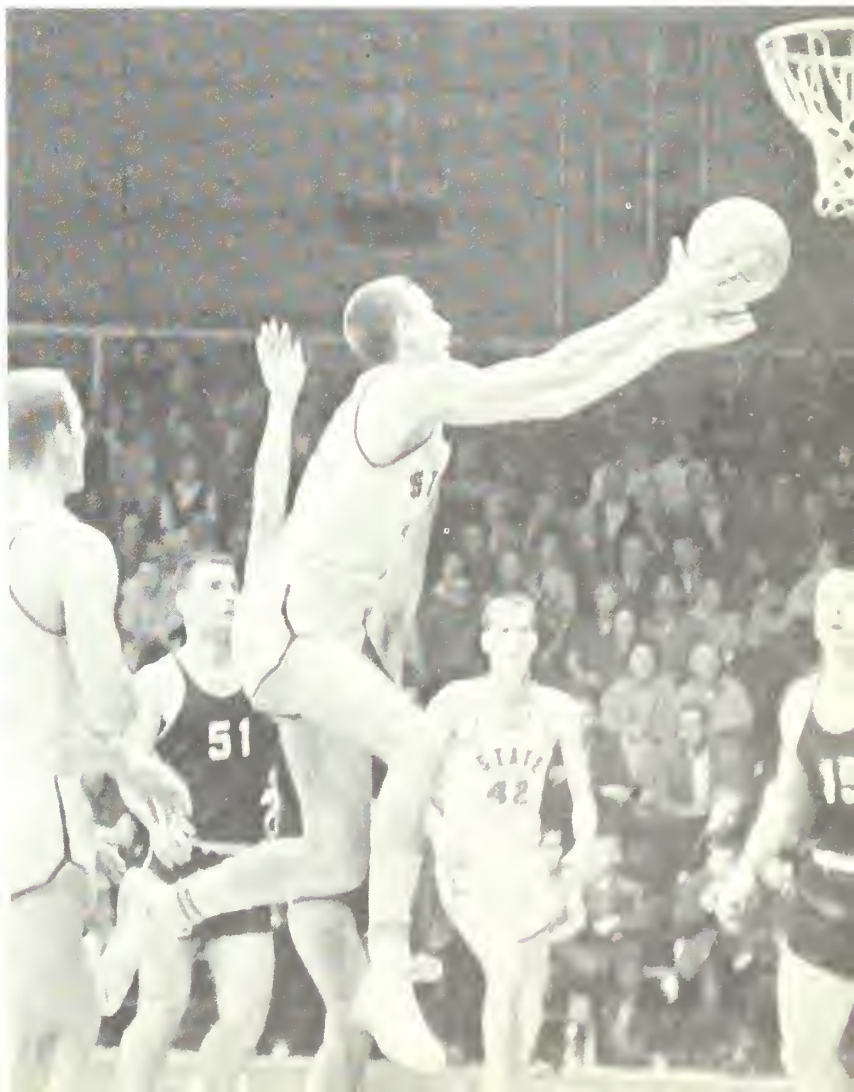

Despite a great 22-point effort by Gaylon Ward, The Tribe lost its first game of the season at Murray State by the slim margin of 80 to 77. The Indians contained their balanced scoring attack as Don Shatley popped the net for 17, Gary Holland dropped in 11. Warren Moore got 12 and Jerry Hudgins added 10.

Arkansas State suffered its second straight loss at the hands of the Southeast Oklahoma Savages. High point man for the Redmen was Gaylon Ward with 14 points. Connie McGuire, 6-ft. 7-in. 220-lb. junior, led the Savages with 17 points and 12 rebounds. Southeast, though, just barely did eke out the 43-42 victory. The Tribe record was now down to 2-2, but, as Arkansas State fans were soon to see, the Indians were not to be down for long.

THREE ARMS are not needed to play basketball, but it helps.

EVERYBODY gets out of the way while Warren Moore lays in two points.

Tribe edges Gulf State Conference Champs

After absorbing two losses in a row, the Indians bounced back in the second game with Southeast Oklahoma Savages for a 58-46 win. The Savages controlled the backboards, but A-State out-shot Southeast from the field and picked up an adequate percentage of 36 free tosses provided by Savage fouling. Leading the balanced Redskin offense were Harold Callahan with 12, Jerry Hudgins 11, and Don Shatley 10. Connie McGuire again led the Oklahomans as he tossed-in 15 points and snatched 10 rebounds.

Surprising almost everyone the hustling young Redskins posted victory number four in an overtime thriller with Gulf State Conference Champion Northeast Louisiana. The Northeast Indians came to A-State loaded with such stars as All-GSC guard Lanny Johnson, deadly jump-shooting prolific scorer, and rugged J. Robert Cook, 6'5" 215 lbs. center. All in all Coach Lenny Fant had four starters returning from last year's squad. But it was not enough because the Redmen from A-State stayed with them tit for tat until the final gun ending regulation play and then out-played them in those tense

moments of the overtime period. Northeast held a comfortable 66-63 lead going into the last minute of regulation play. Then, the alert Injuns swiped the ball. Jerry Hudgins was fouled. Hudgins made one of his free throws and the score was 66-64 in favor of Northeast. A-State stole the ball again. With 34 seconds left Gaylon Ward tipped in a rebound to knott the score at 66-66. Harold Callahan tied-up the great Lanny Johnson and tipped to Don Shatley. Shatley was fouled with six seconds left but missed his charity toss. The Indians went on to win 76-72. Three of State's big men led the Redskin attack. Freshman Jerry Rook picked up 20 points, Jerry Hudgins contributed 18 points and Gaylon Ward added 17. It was one of the finest nights of the year for Jerry Hudgins and another of many fine nights by Ward and Rook. Most of all it was a wonderful night for Arkansas State. The young Redskins proved as they were to prove again and again that they could be tough under pressure. Maybe they were even tougher when the pressure got heavier.

JERRY ROOK executes his famous jump shot against the Southeast Oklahoma Savages. It was good for two points.

GOING HIGH for another A-State two-pointer is rangy Jerry Hudgins. The big center made 11 points against the Savages.

Scalp Ottawa Braves

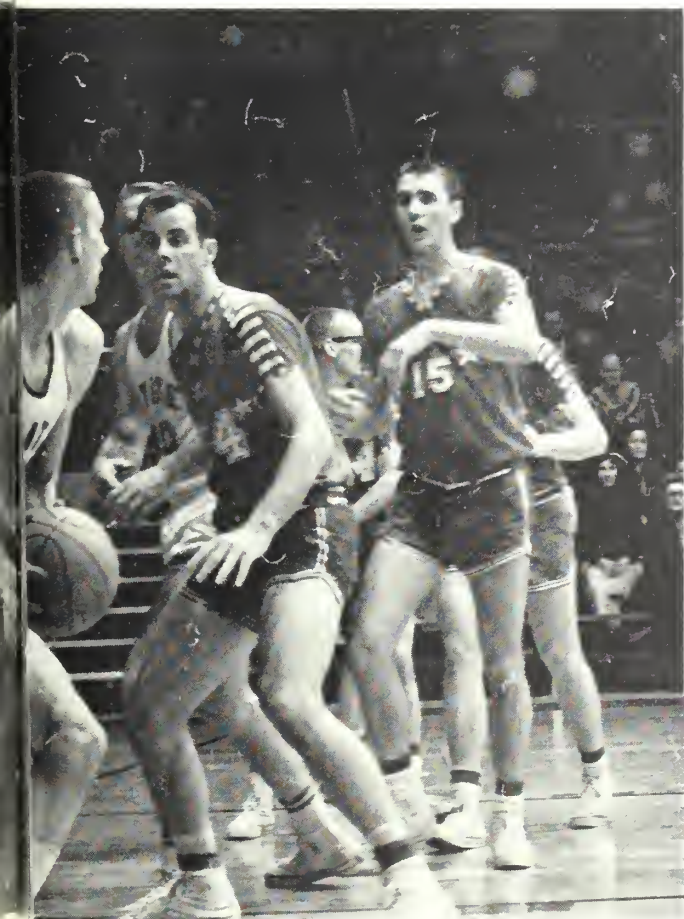

Behind Jerry Rook's fabulous 17-point first half the Redmen built up a commanding lead early in the game and hung on for a 60-50 victory over Ottawa University. It was the Redskins third win in a row and placed their season mark at 5-2. Jerry Hudgin's two-pointer broke an 8-8 tie with 16:30 remaining in the first half and the Indians steadily built-on to their lead until they led 36-26 at the half. Rook ended the game with 23 points on eight field goals and seven charity tosses. Gaylon Ward and Jerry Hudgins gave A-State backboard control as they picked-off 13 and 12 rebounds respectively. The big difference in the game however, was Ottawa's inability to hit from the foul line. The Kansas Braves collected only 43 per cent of their free shots while the Indians hit 72 per cent from the charity stripe. Tom Kinder led Ottawa with 16 points. Outside of Rook's 23 points, A-State's scoring attack was balanced. Gaylon Ward notched 9 points on three two-pointers and three free shots, Don Shatley sank four shots from the field for 8 points, Jerry Hudgins also hit four from the field for 8 points and Warren Moore tossed in 5 free throws and one field goal for 7 points.

"Hey, get in line back there. You guys are supposed to do everything that I do."

REDSKINS LISTEN as Coach Rauth gives a dynamic briefing.

NOTICE THE HAND in Don Shatley's ribs. Stuff like that happens all the time.

CCI Champs are Indians' sixth victim

Arkansas State pasted Illinois Wesleyan, champions of the College Conference of Illinois, 87-73 behind a brilliant performance by Jerry Rook. The win left the Redskin's victory rack teeming with the scalps of college champions. Proving themselves not to be a fluke conference champ, the Wesleyan Titans had knocked off Mississippi Southern just three nights ago.

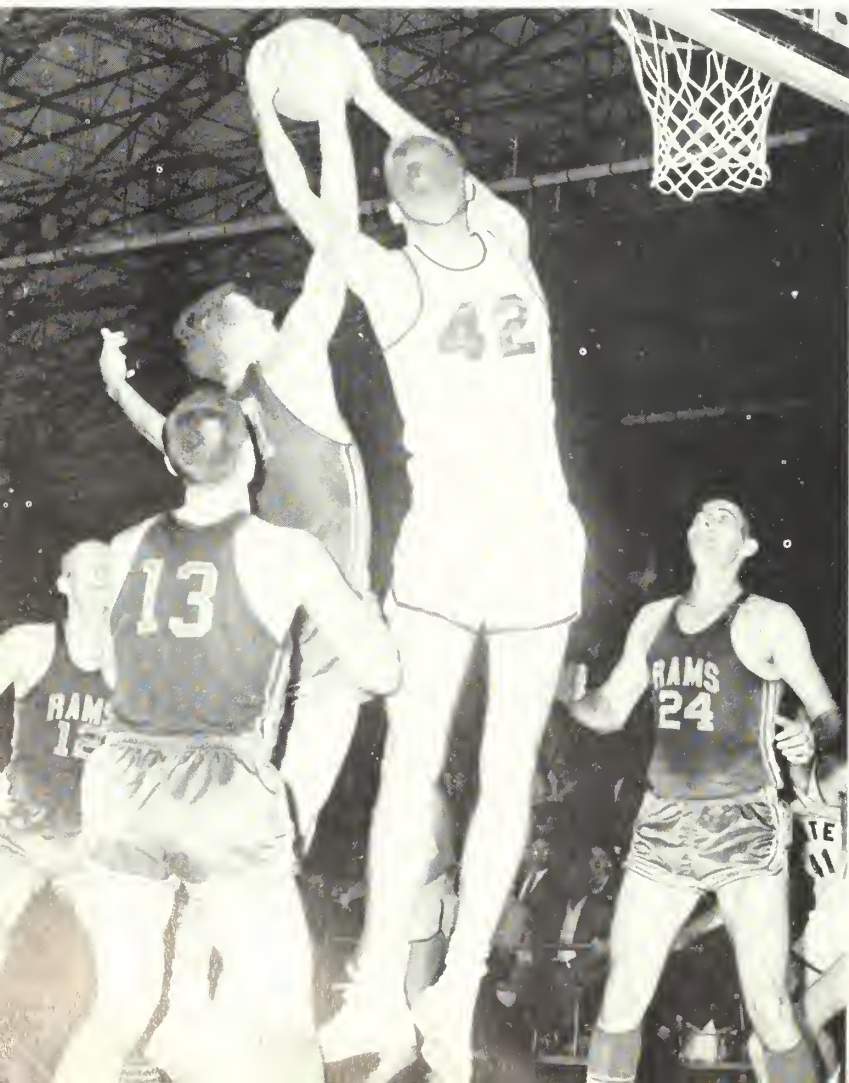

Rook got 30 of his points on field goals to tie an old school record set by Maurice Miller in the 1949-50 season. He brought the crowd to its feet when he sank his last field goal with 25 seconds remaining. Jerry also led both teams in rebounding with 16. Warren Moore collected eight foul shots and four field goals for 16 points. The other Indian in double figures was Jerry Hudgins who added 14. Center Jerry Wisted led the Illinois offense with 29 points. Paul Grady had 18 and Jon Hawthorne 12.

Taking the lead on Rook's free throw with 13:30 left in the first half, the Redmen led throughout the

remainder of the game. The Redskins built up a commanding 84-66 lead toward the end of the game and coach Rauth sent subs in for everyone except Rook.

Southeast Missouri handed the Indians their second consecutive road loss by soundly thrashing the Redskins 83-57 at Cape. It was the worst drubbing of the season for Arkansas State. Five Cape starters finished in double figures while the Indians could only get three men past the nine mark. Bill Giessing led the Southeast Indians with 20 points. Vivan Reed had 15, Paul Ransom 15, Marvin Teel 12 and Bill Jordan 10. Jerry Rook topped the Redskin offensive effort with 16 points and Warren Moore and Don Shatley had 12 each. The Indians had defeated Southeast earlier in the season in another of those last second thrillers. The loss put State's record at 6-3 and ended a four-game Tribe winning streak. It was these same Southeast Missouri Indians who were to stymie Indian hopes in the NCAA Southwest Regional Tournament.

JERRY HUDGINS battles an opponent for a rebound.

SURROUNDED by Savages, Gary Holland puts in a two-pointer.

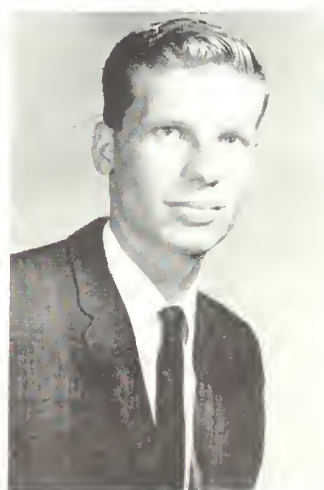

STARTING QUINTET for A-State: kneeling, Gaylon Ward and Don Shatley; standing, Jerry Rook, Warren Moore and Jerry Hudgins.

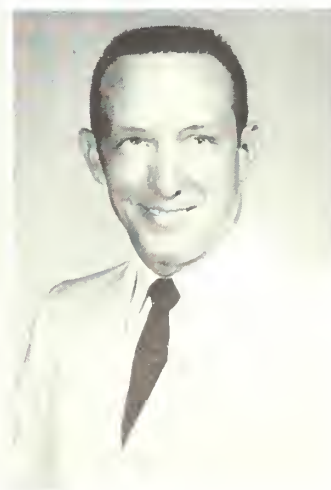

Delta State's Greenies, supposedly in a rebuilding year, shocked the Redmen and forced them to come from behind for an 87-82 win. The Greenies were led by All-American Junior College transfer Jay Boland who ripped the nets for 28 points, most of which came on long 30 foot set shots. John Long scored 17 and Larry Dowdy 12. But A-State placed four men in double figures and out-shot the Statesmen from the charity line to take the victory. Again, the fabulous freshmen Jerry Rook led the Indian attack as he picked up 23 points and snatched 11 rebounds. Don Shatley also had a fine night as he chipped in with 22. Warren Moore had 17 and Harold Callahan 11 to round out the Indian scoring leaders. The Greenies hit 39.4 per cent of their field goal attempts as compared with State's 38.2 per cent. However, the Indians converted 87.9 per cent of their free throws while Delta State collected 84 per cent of its charity tosses. At various times during the game the Statesmen led by as much as 13 points. It was another great come-from-behind victory.

Records tumble in Redskin-Governor match

After a 17 day layoff and the stunning loss to Southeast Missouri, the young Indians took to the road for the third time in the season only to suffer their fourth defeat in ten outings at the Bucs from Christian Brothers College in Memphis handed them a 75-69 setback.

Again it was the lack of free throw accuracy that left the Tribe on the short end of the score as the Redmen could manage only 17 of 34 from the charity line.

Jerry Rook continued on his scoring rampage as he canned nine field goals and seven free throws for 25 points. CBC's Al Soroka topped all scorers with 26 counters.

Upon their return to the more pleasant confines of the Indian Fieldhouse, the Redskins caught fire and romped to a 114-101 win over Austin Peay State College of Clarksville, Tenn.

No less than five new school records were set before the final buzzer had sounded. The 114 points scored by the Tribe erased the previous record of 110 set against Union University in 1955.

The combined total of 215 for both teams was beyond anything in the history of A-State. The Tribe scored on 46 of 62 free throws, both new standards, and the 41 personal fouls committed by the Governors was a new high for an Indian opponent.

Seven men for both teams hit in double figures with the Indians having four with Rook and Warren Moore popping the nets for 28 and 22, respectively. Austin Peay's Jim Beshears leading both teams with 34, 30 coming in the last half after Moore left the game in favor of a substitute.

The win ran the Indian's record to 7-4.

In one of their best performances of the year the Indians stormed past the Redman of St. Mary's College of Winona, Minn. 84-68.

Clicking with the same precision as in the Austin Peay contest, the Tribe opened up the St. Mary's defense with drives by Don Shatley and Harold Callahan and an occasional fast break to run up a 45-25 edge at half-time.

DON SHATLEY fires his patented jump shot from the circle.

GAYLON WARD recovers for Arkansas State on the 20 yard line

FANS AND PLAYERS look in awe as little Harold Callahan leaps high to ram home two points.

High scoring Redskins stomp Gorillas

Shatley led the Tribe with 21 points as the well-balanced Indians placed all five starters in the double figures.

In what turned out to be a warm-up for the game with The Citadel, the Redskins turned on the speed and walked away with a 91-74 victory over Kansas State College of Pittsburg.

With several fast breaks and a zone-breaking offense, the Tribe opened to a 50-30 halftime lead and never lost their 17 point lead in the last half. Warren Moore continued in his effort to top the school record for consecutive free throws as he extended his string to 24 straight. The school record is held by Jim Bowman, now coach at Lake City, who, in 1955 hit on 34 consecutive charity tosses.

Five Indians were in the double figure column once again with Rook pacing the Tribe with 20.

The five shot 44 percent from the floor and the Indians, using subs and freshmen in the final minutes, connected for 39.5 from the field as compared to 33 percent for the Gorillas.

COACH RAUTH is always totally involved in the game. Here our ace cameraman catches him as he reacts to a situation.

A-State whacks down giant Colonels

Hugh James
Forward

James Dawson
Guard

Employing an effective fast break Arkansas State ran a tall Nichols State team to death. The Tribe even out-rebounded the Colonels, who averaged 6'5". The game was close up til the final minutes when an Indian surge led by Gaylon Ward's 9 points in the last two minutes turned the game into a rout. Three players finished with more than 20 points for A-State. Ward, pacing the Tribe for the second straight time, canned 25 points. Warren Moore popped in 22 and Jerry Rook added 21. The Injuns grabbed 59 rebounds to Nichol's 53. Jerry Rook led both teams in the rebounding department with 11. Gaylon Ward and Warren Moore each had 10 and little Harold Callahan snatched 7.

Northeast Louisiana's Gulf State Conference champions got revenge for their earlier defeat at the hands of the Redmen by capitalizing on free throws to counter-balance a slightly superior A-State field attack. Lanny Johnson, the great All-Conference guard posted 24 tallies to lead Northeast to victory. Flashy guard Don Shatley led the Indians with 17 points. Warren Moore and Jerry Rook got 16 and 15 respectively.

Romping Redskins Conquer mighty Citadel

Once more the unseasoned Arkansas State Indians rose to the heights of basketball greatness as they knocked off major college power The Citadel Bulldogs in an electrifying, crowd-exhausting triple overtime. The contest was close all the way except for the last few minutes of the first half and the early part of the second half when The Citadel held a temporary commanding lead. With 15:20 left in the game the Bulldogs led 51-40 and then the gallant Redmen began to make their bid. The Indians then scored 19 points while the Dogs could only manage 7 and took the lead for the first time in the ball game. The lead see-sawed back and forth until Don Shatley, hitting his third two-pointer in a row, tied the score at 65-65 with 1:01 remaining. Regaining control of the ball, the Indians played out the clock looking for that last good shot. Callahan fired from 20 feet out but missed. A-State went on to win 80-75 despite a great effort by 6'5" 205 lbs. All-Southern forward Gary Daniels. Daniels was individual star of the game as he poured in

29 points. Daniels and center Keith Stowers also gave the Bulldogs backboard control as between them they snared 30 rebounds. Leading a balanced Redskin offense was Don Shatley with 20 points. Jerry Rook and Harold Callahan each had 15 while Gaylon Ward tossed in 13 and Warren Moore added 12.

Coolness under fire paid off for the Indians again as they took their fifth straight win in another overtime thriller. This time they downed the Pittsburg State Gorilla's 83-74 at Pittsburg, Kansas. The Redmen placed six men in double figures in posting their first road victory of the year. A-State poured in 17 points in the overtime period to win easily. Gaylon Ward led A-State with 17 points. Harold Callahan scored 14, Don Shatley 13, Jerry Rook 12, Warren Moore 12 and Gary Holland 10. Dave Dunbar of Pittsburg State carried away scoring honors with 20 points. At this point in the season the Redskin record was 11-4 and the Tribe was ranked 18th among small colleges.

DISPLAYING THE GUTS that make him a great ballplayer, Warren Moore exerts himself to the limit.

A CITADEL PASS is intercepted by Jerry Hudgins on a great play.

Buccaneers, Governors fall in Tribe wake

Arkansas State squeezed by Austin Peay's Governors 74-73 for their second conquest of last year's NCAA South Regional Champions. Little All-American forward Jim Beshears put forth a great 26-point effort, but the Tribe's outstanding rookie Jerry Rook made an effort of his own bombing the nets for a fantastic 32 points. Gaylon Ward and Don Shatley backed up Rook with 11 and 10 points. The Governors out scored the Indians by four points from the field, but A-State was able to pick up five more points than Austin Peay via the charity stripe. It was another one of those close ones in which the iron nerves of the Redskin quintet spelled defeat for an opponent, and it was only A-State's second road victory of the season. This victory put the Injun record at 14-5 and proved their dominance of the majority of the small college conference champions in this area of the country.

Five men were in double figures for Arkansas State, but the Redskins failed to avenge an earlier loss to Murray State College. The 80-74 loss to the Thorough-

breeds snapped a 10 game home-court, winning streak. Big Jim Jennings led Murray State with 20 rebounds and 20 points. Scott Schlosser and Ron Greene each chipped in with 19 points for the Racers. Gaylon Ward led A-State with 19 points, Jerry Rook and Warren Moore, each got 16 and Don Shatley and Harold Callahan added 11 each.

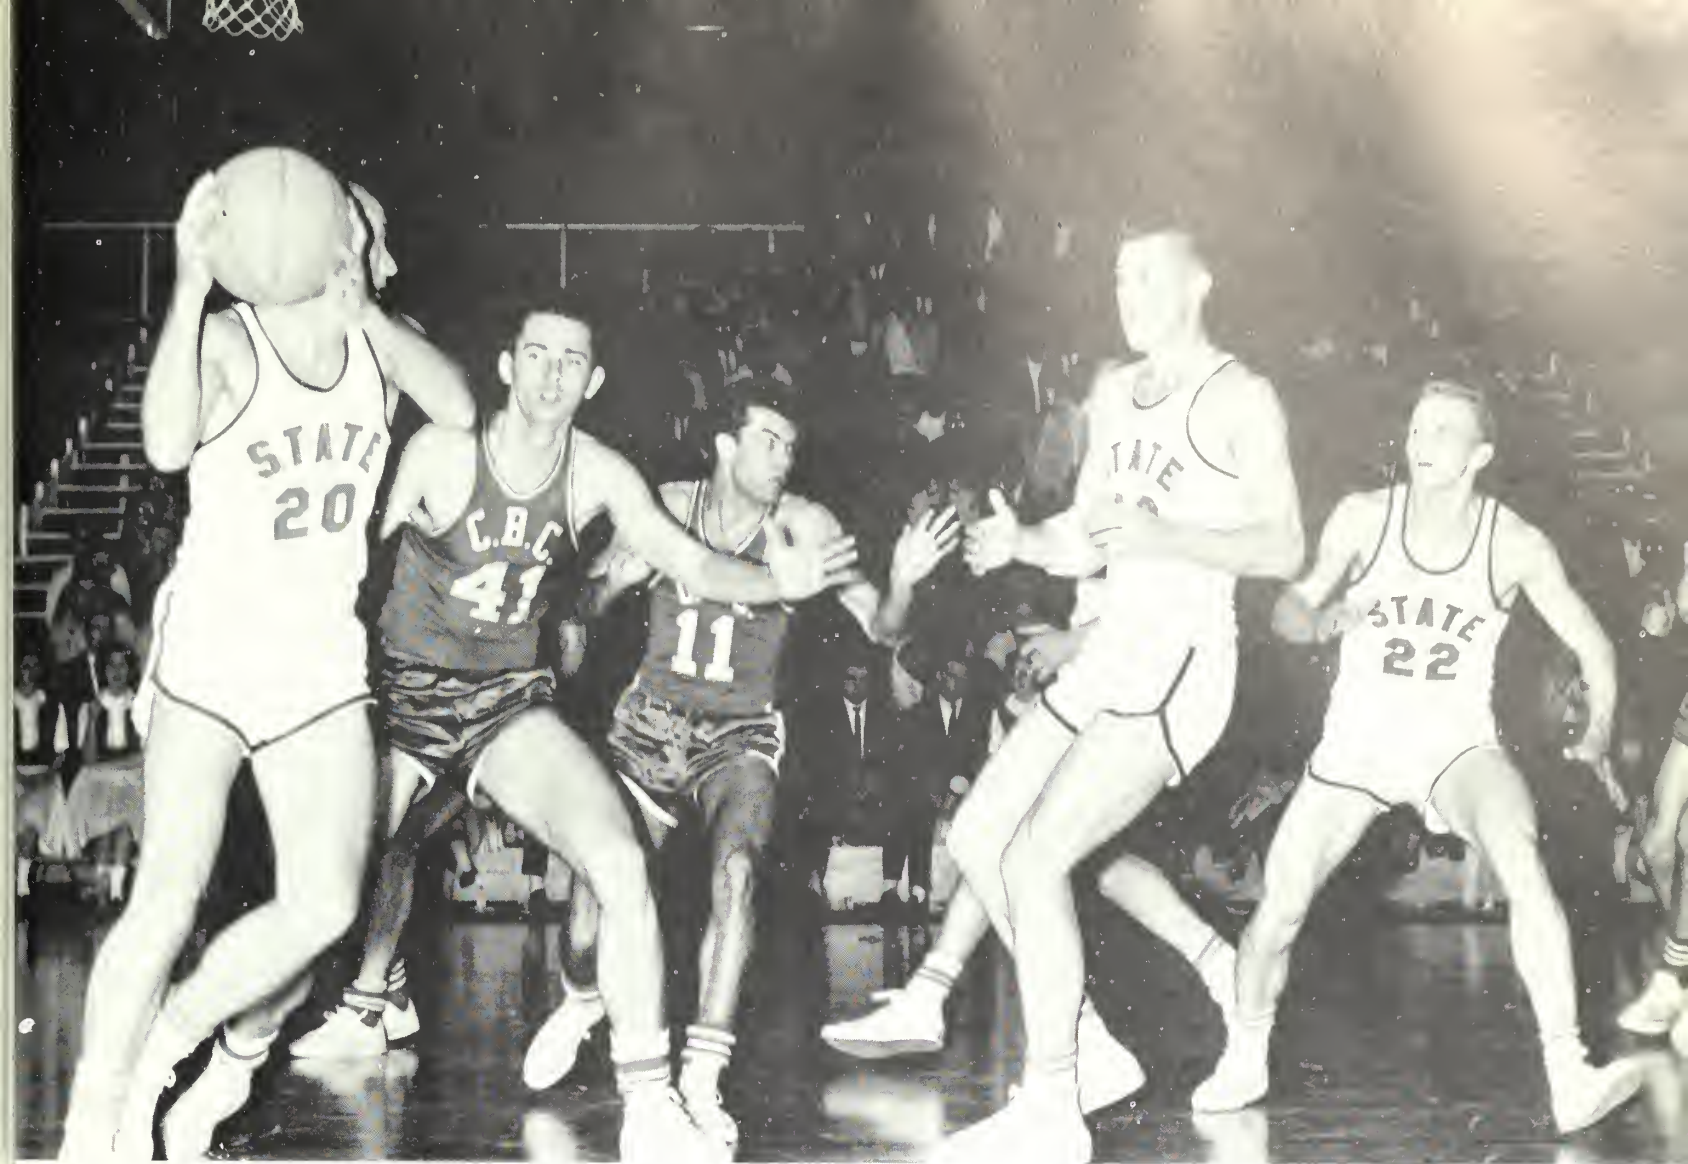

In a fitting climax to a wonderful season the Redmen of A-State soundly defeated Christian Brothers College 88-72 in the final home game. Also fittingly, Jerry Rook, A-State's Mr. Basketball, had his finest night of a marvelous year as he connected for 38 points. He tied a school record for the most field goals in one game (15). Warren Moore gave a fine performance in his last regular home game appearance of his career by scoring 16 points. Bill Tougaw paced the Buccaneers with 22 points and 12 rebounds. Accuracy from the free throw-line was the big factor in the Tribe win. The Redmen hit 32 of 40 free throws while the Bucs could only manage 10 of 26.

JERRY ROOK battles for a rebound and gets it.

A REDSKIN FOE slides in safe at third and an Indian takes a spill.

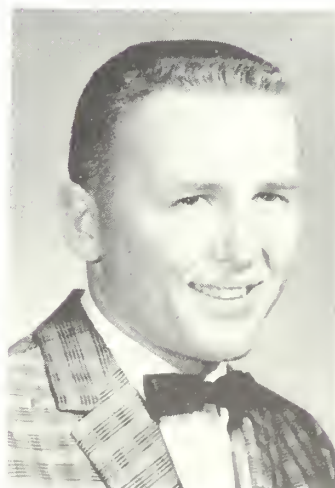

TRAFFIC gets heavy as Harold Callahan pulls down a rebound and CBC players close in.

Four Redmen were in double figures as Arkansas hit 76 points from the field and only 10 from the foul line to edge Delta State in the final game of the regular season 86-83. It was the Tribe's third road victory and win number 16 for the season. Jerry Rook Registered 26 points to bring his season total to 416 and lift his average to 19.8. Gaylon Ward added and Jerry Hudgins and Don Shatley contributed 14 each. Jack Case, with 24, was high for the Greenies. As was typical of many State games throughout the year the lead changed hands 14 times and the game was tied on five different occasions. At the risk of sounding like a broken record I must say that the Indians did it again. They fought from behind to win. The Greenies led 49-43 at halftime, but those never say die Redskins came rushing back in the second half to overcome homecooking and all.

This game ended regular season play of one of the best basketball years in the history of Arkansas State. The feats of a hustling bunch of talented young cagers will surge back through our memories time and time again throughout our lives. We have been witnesses to the greatness that can be brought forth from man through inspired team effort and individual hustle and desire.

TEMPERS sometimes flare when old rivals get together in an important tournament.

Indians finish second in tournament

Ronald Volkman
Forward

Ronnie Bridges
Guard

A-State's Redskins did not win the tournament, but at least they had the consolation of beating the number one seeded team in a heroic effort which netted them a narrow 66-65 win over Lamar Tech. Oon Shatley and Warren Moore did a great job of holding highly touted James Barrum to six points. Four A-Staters hit in double figures to take up the slack for the ineligible Jerry Rook. Warren Moore led the tribe with 18 points. Gaylon Ward contributed 15, Don Shatley hit for 12 and Harold Callahan got 10. Richard Smith tied Warren Moore for high point honors with 18 and his teammate Larry Augsburger added 17 to the Lamar total. It was another one of those close ones in which the Indians proved they had what it takes.

We at A-State are looking forward to the 1962-63 basketball season when this year's stars could well become super stars. The only loss off this great A-State team is Warren Moore, but next year the sensational Jerry Rook will be available for tournament duty. We know that a rugged basketball schedule awaits next year's Indians, but with this comes the opportunity to make a great stride in Indian athletics.

Arkansas State Hosts NCAA Regional

The NCAA Southwest Regional Tournament was held at Arkansas State this year. A-State Indians managed to advance to the finals of that tournament before bowing out to their old nemesis Southeast Missouri. This second-place finish was the farthest an Indian team ever went in a tournament. The Redskins placed third in 1958 and fourth in 1960.

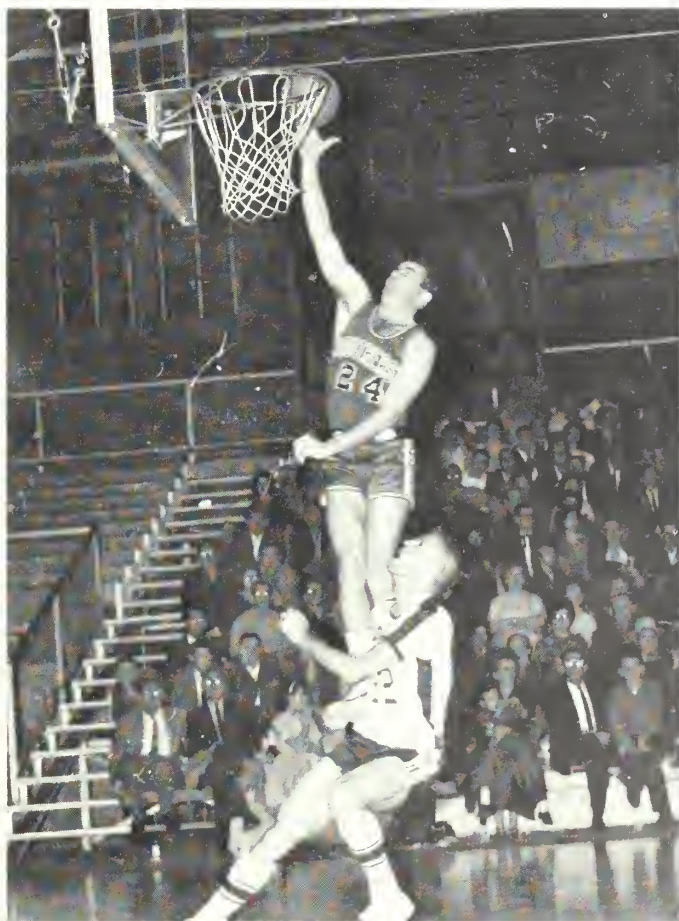

Warren Moore, tall defensive specialist and occasional offensive star, and Don Shatley, speedy playmaker guard, were named to the All-Tournament Team. Other All-Tournament choices were Bill Giessing of Southeast Missouri, Jim Reynolds of Abilene Christian and Richard Smith of Lamar Tech.

Southeast dropped A-State 76-64 in the finals to take the Southwest title for the second year in a row. Bill Giessing, most valuable player in the tournament, led the Cape Indians to victory with a 29-point performance. Vivan Reed, fancy guard, fired for 16 points. For the Redmen of A-State it was Don Shatley, Harold Callahan and Jerry Hudgins sharing high point honors with 16

each. Arkansas State held a 35-32 halftime lead, but Cape went into the lead to stay with 13:46 left. In the waning minutes of the game A-State began pressing as they had done countless times throughout the season. Many games the Indians had pulled from the fires with last minute surges. But this time it was not to be. It was inevitable that the Indians would eventually loose one of those high pressure contests; and, so, in the last minutes of this championship game the pressing technique which had always worked for the Tribe before spelled their doom. The Redskins began to foul and double dribble and knock the ball out of bounds. But we were proud of our Indians for the splendid showing they made in the tourney, and we are sure that the Redmen will be right back there again next year.

We salute Coach John Rauth and his Redskins for providing us with so many high moments in Arkansas State sports. In a year that saw much disappointment in Indian athletics the "Comeback Kids" brought thrilling victory after victory.

SOUTHEAST MISSOURI player goes high to tip in two points.

AN ABILENE CHRISTIAN basketballer fouls in an attempt to block a shot.

Baseball 1962

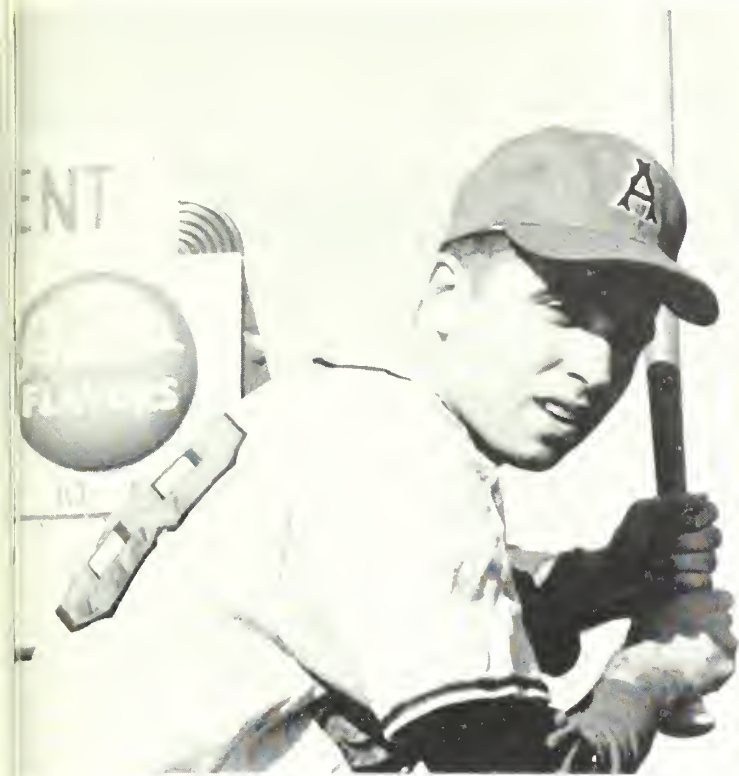

A number of problems confronted Coach J. A. "Ike" Tomlinson as the baseball season opened at Arkansas State, not the least of which was another rugged, power-laden schedule. A sound pitching staff returned in the persons of Jerry Huffstutler, Jim McKay, Terry Everett, Dale Harrison and others. Other returnees were good stickmen Fred Mitchell, Bill Smith and John Gibson. Additional veterans were Jerry Pressley, Marvin Kennedy, Curtis Seymore, Jim Keller and Gary Vaughn. There were such promising newcomers as Ronnie Tinnin, Larry Pool, Jim McKeel, Sam Ward and James Dawson. But Ike had some vacant spots left from last year's nine which finished 13-12. Gone were Andy Morris, John Wood, Tommy Paul and Alfred "Tot" Bentley. Bad weather plagued the Indians and they had no place to work out inside.

SOPHOMORE Jim McKay returns to bolster the mound staff. As a freshman McKay was 4-2 and had a 0.90 ERA.

"ALLRIGHT, that's the type of thing you're going to be faced with so let's get our tails up and play some baseball."

BILL SMITH, wrist-hitting right fielder, has been hitting line smashes at a .300 clip throughout his college career.

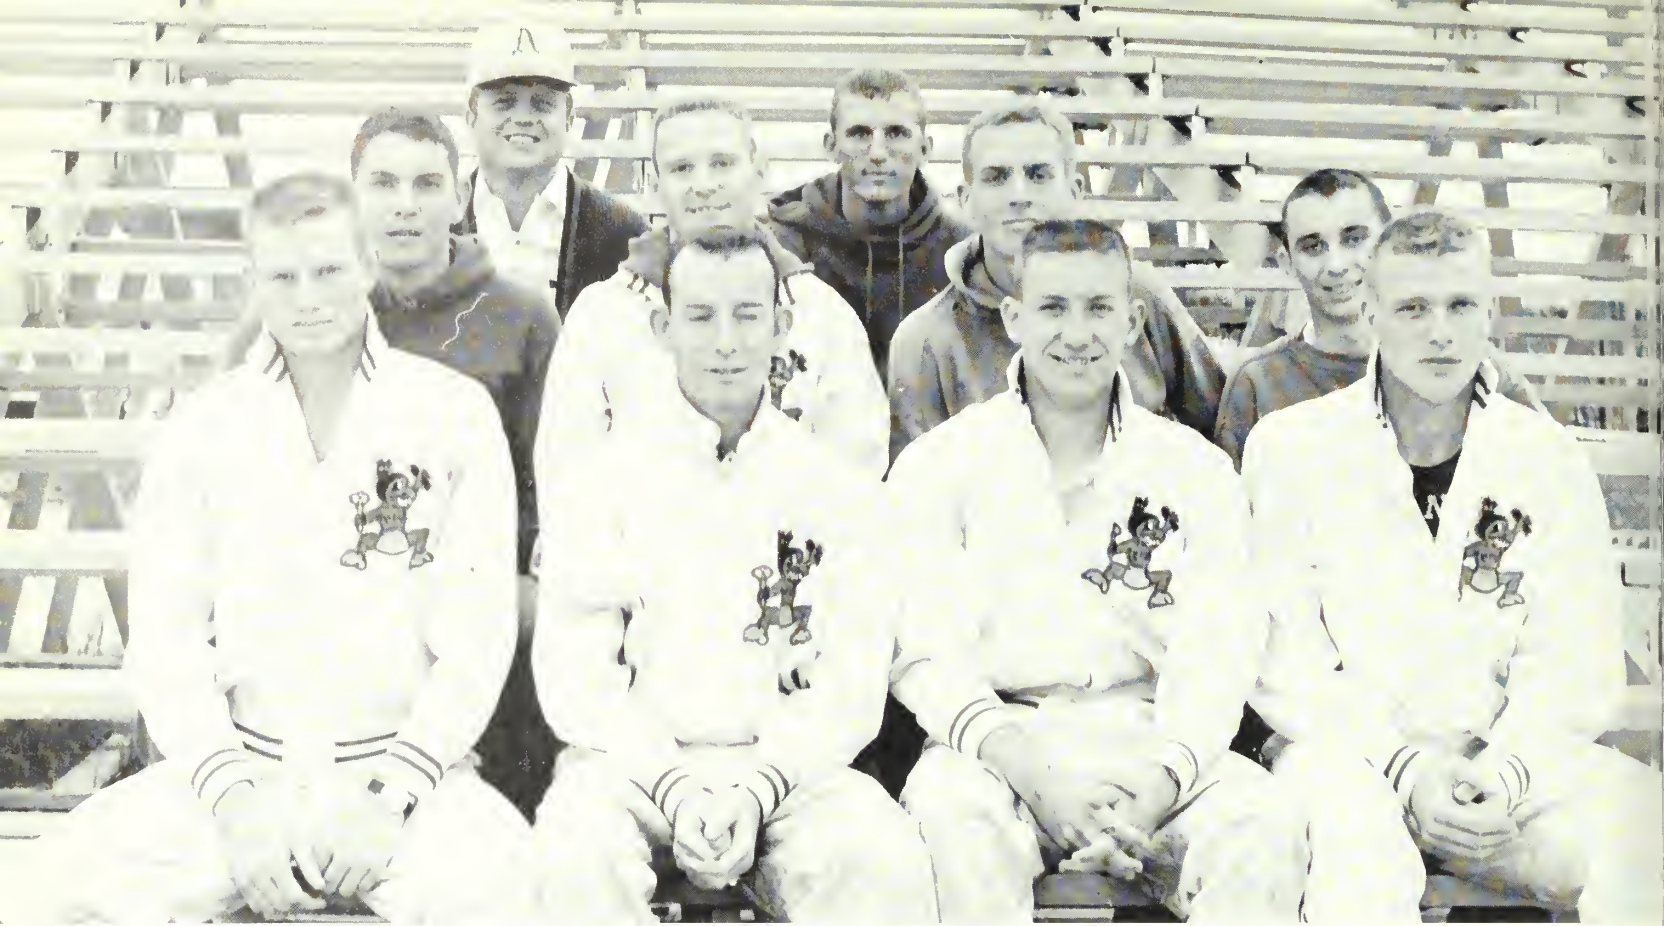

Redskin Sluggers

JOHN GIBSON, four-year letterman, swings a level bat and generally hits line shots. John is capable of hitting the long ball.

FRED MITCHELL, salty, veteran catcher, was last year's leading hitter. Mitch is a talented man with the stick. He can work the hit and run to perfection and can also hit with power.

THE 1962 TRACK SQUAD, minus a few. This is part of the crew that is already setting new school records.

COACH LARRY LACEWELL

AL MILLER loosens up for the 880-yard run.

Track 1962

Coach Larry Lacewell began his second year as track coach at Arkansas State with virtually the same problem he had a year ago, lack of talent. Several lettermen returned for the track squad but overall depth was lacking. Among the lettermen were J. W. Seymour, Al Miller, Sammy Weir, Jim Scifres, David Chabdlar, Bill Carrothers and Frank Smith. Promising newcomers were Sonny Bishop of Cardwell, Mo., Phil Newhouse of Peru, Ind., Gary Whisenant of North Little Rock and Jerry McGruder of Poplar Bluff, Mo.

Strong points of this year's thinclads appear to be in the distance runs. Sandy Nelson, a freshman, has already broken the existing school record in the 880-yard run. A-State's mile medley relay team composed of Al Miller, Sammy Weir, Gerald Cunningham and Jerry McGruder has smashed the old school mark in that event. Other record-breaking performances are expected from Sammy Weir and Jim Scifrs.

ELVIN SMITH prepares to hurl the disc.

"SAY, GEORGE, didja hear the one about . . ."
